south into waters where the Japanese fleet was thought to be. Ostensibly the crew was to spy on Japanese naval movements but to Tolley it was clear that their mission was to create an incident that would provoke war. Events overtook the plan however when Pearl Harbor was bombed before the *Lanika* could get underway. When Bataan and Corregidor fell she was ordered to set sail for Australia and became one of the few U S naval vessels to escape the Philippines. In this book Tolley tells the saga of her great adventure during these grim early days of the war and makes history come alive as he regales the reader with details of the operation and an explanation of President Roosevelt's order. Tolley's description of their escape in Japanese warship-infested waters ranks with the best of sea tales and few will be able to forget the *Lanika*'s 4 000 mile three month odyssey.
