Mark's Gospel John Painter, 2005-06-20 Mark's biography of Jesus is the earliest of the four gospels and influenced them all The distinctive feature of this biography is the quality of good news which presupposes a world dominated by the forces of evil John Painter shows how the rhetorical and dramatic shaping of the book emphasises the conflict of good and evil at many levels between Jesus and the Jewish authorities Jesus and the Roman authorities and the conflict of values within the

disciples themselves These matters of content are integral to this original approach to Mark s theodicy while the stylistic issue raises the question of Mark s intended readership John Painter s succinct yet thorough treatment of Mark s gospel opens up not only these rhetorical issues but the social context of the gospel which Painter argues to be that of the Pauline mission to the nations

The Mystery of the Messiah Louay Fatoohi,2009 The Messiah is the central figure of the largest religion in the world as Christianity was formed around Jesus messiahship Judaism also gives the Messiah a special and high position although it denies that Jesus was the Messiah so the Jews continue to wait for the coming of their Messiah The Qur an confirms the Christian belief that Jesus was the Messiah but it has fundamental differences with the Christian representation of the Messiah Islam has even more differences with the Jewish concept of the Messiah This book compares the concept of Messiah in Judaism Christianity and Islam It examines the portrayal of the Messiah in the Old Testament and other Jewish writings the New Testament and the Qur an It develops a complete picture of how this concept appeared what it originally represented and how it was changed over time by different believers The study shows why and how the Messiah was developed in Judaism into a military king whose main role is to re establish Israel and restore its glory It also explains how Christianity turned this victorious Jewish warrior into a suffering spiritual king The author s ultimate goal is to show that the Qur anic Messiah is the historical one Neither a victorious royal with a political agenda nor a defeated spiritual teacher who ended up on the cross the Messiah was a prophet sent by God This new critical reading of the history of the Messiah challenges deep rooted prejudices and misunderstandings about this concept This focused and detailed study is for anyone interested in the concept of Messiah Both the general reader and the expert would benefit from the wealth of information in this thought provoking book

The Ghebers of Hebron Samuel Fales Dunlap,1894 No Longer A Mystery Ralph G. Vestal,2023-12-07 Without a doubt there are many passages in the Bible which we do not fully understand today and will not until we are in Heaven with the Lord 1 Corinthians 13 9 12 The purpose of this book is not therefore to attempt to answer every question or solve every issue which may arise as we read the Bible In this book we will look at every passage in the New Testament in which the word mystery appears The truths and events which the Bible refers to as mysteries are now revealed and explained for us As we look at each of these we will discover something of God s Plan for the ages and we will see just where we fit into that plan And we will see that the truths and events which in God s wisdom were once concealed are now No Longer A Mystery
