Mystic Poet:

Whitman Walt Whitman, 2013-09-12 Discover How Whitmans Spiritual Life and Vision Can Enlighten Your Own Whitmans collected poems and prose are not an object or icon to be gazed upon or revered but a transparency we look through to see ourselves with greater clarity excitement and meaning They wake us up to our potential to learning about and from ourselves To experience his writing is to experience ourselves more deeply from the Preface by Gary David Comstock Walt Whitman was the most innovative and influential poet of the nineteenth century The self proclaimed American Bard Whitman challenged his contemporaries to resist conforming to society and shocked them with his embrace of the sensual But beneath his manifesto for social revolution lies a vigorous call for spiritual revolution as well This beautiful sampling of Whitmans most important poetry from Leaves of Grass and selections from his prose writings offers a glimpse into the spiritual side of his most radical themes love for country love for others and love of Self Whitman seeks to tear down the belief that the spiritual resides only in the religious and embraces the idea that nothing is more divine than humankind nothing greater than the individual soul Rich with passion reverence and wonder this unique collection offers insight into Whitmans quest for self discovery which involved an ongoing mystical experience of the world Though seemingly personal his verse speaks to universal harmony and universal love optimism and joy and celebrates the outwardly mundane details of life through words electrified with love and spirit

The Rumi Prescription Melody Moezzi, 2021-03-02 A powerful personal journey to find meaning and life lessons in the words of a wildly popular 13th century poet Rumi s inspiring and deceptively simple poems have been called ecstatic mystical and devotional To writer and activist Melody Moezzi they became a lifeline In The Rumi Prescription we follow her path of discovery as she translates Rumi s works for herself to gain wisdom and insight in the face of a creative and spiritual roadblock With the help of her father who is a lifelong fan of Rumi s poetry she immerses herself in this rich body of work and discovers a 13th century prescription for modern life Addressing isolation distraction depression fear and other everyday challenges we face the book offers a roadmap for living with intention and ease and embracing love at every turn despite our deeply divided and chaotic times Most of all it presents a vivid reminder that we already have the answers we seek if we can just slow down to honor them You went out in search of gold far and wide but all along you were gold on the inside Become the sky and the clouds that create the rain not the gutter that carries it to the drain You already own all the sustenance you seek If only you d wake up and take a peek Quit being a drop Make yourself an ocean

Hafiz , 2012-04-27 Discover How Hafiz s Spiritual Life and Vision Can Enlighten Your Own Hafiz is known throughout the world as Persia s

greatest poet with sales of his poems in Iran today only surpassed by those of the Qur'an itself. His probing and joyful verse speaks to people from all backgrounds who long to taste and feel divine love and experience harmony with all living things. This beautiful sampling of Hafiz's works captures his deep spiritual understanding offering a glimpse into the vision that has inspired people around the world for centuries. Considered by his contemporaries as an oracle and often referred to as Tongue of the Hidden and Interpreter of Secrets, Hafiz followed Sufism's inner path on a quest to discover the hidden meaning of the universe and shares his experiences and desire for union with the Divine in symbolic language that borders on magical. Infused with the spirit of love and joy, this unique collection offers insight into Hafiz's spiritual philosophy and carefree mysticism that addresses the earthly beauty, pain, ecstasy and longing that define human nature and the divine adoration that promises to set the spirit free. Ambiguity is a major characteristic of Persian poetry and Hafiz was one of the greatest masters of this artistic quality; each reader tends to see his or her own experiences reflected in the poems. As a result, it is usually unclear whether in a given verse he means actual wine or spiritual wine, a male or a female beloved, a human beloved or God, and so forth. But after reading the same images over and over in ever-changing contexts, one gradually leaves behind the ordinary material world and enters into a realm in which everything symbolizes the beautiful qualities of the beloved who ultimately is God and the source of Love. From the Preface by Ibrahim Gamard, annotator and translator Rumi and Islam Selections from His Stories, Poems and Discourses, Annotated & Explained. Coleridge Eric Wasilewski, 2011

Christian Mysticism and Australian Poetry Toby Davidson, Australian poetry is popularly conceived as a tradition founded by the wry secular and stoic strains of its late nineteenth century bush balladeers Adam Lindsay Gordon Henry Lawson and Banjo Paterson consolidated into a land based vigour in publications such as the Bulletin Yet this popular conception relies on not actually consulting the poetry itself which for well over one hundred and fifty years has been cerebral introspective feminine and highly even experimentally religious This book casts Australian poetry in a new light by showing how Australian Christian mystical poetics can be found in every era of Australian letters how literary hostilities towards women poets eroticism and contemplation served to stifle a critical appreciation of mystical poetics until recent decades and how in the
