Mystic Isles Of The South Seas:

Mystic Isles of the South Seas Frederick O'Brien, 1921 Most people have heard of Charles Bernard Nordhoff and James Norman Hall who came out to Tahiti and wrote *Mutiny on the Bounty* and its sequels as well as *Faery Lands of the South Seas* another installment in the Resnick Library of Worldwide Adventure But there was another American all but forgotten today who traveled to the South Seas fell in love with what he saw and took pen to paper to share his experiences with those back home His name was Frederick J O'Brien and after working for a time for the *Manila Times* he wrote a trio of books about what he had seen and experienced Before the dust had cleared he had written *White Shadows in the South Seas* *Mystic Isles of the South Seas* and *Atolls of the Sun* all classics in the field and until now all long out of print Not meant to be in any way academic these books are quite simply love poems written to the tropical paradise that was French Polynesia in the early years of the 20th Century As the author himself puts it in his foreword It is for those who stay at home yet dream of foreign places that I have written this book a record of one happy year spent among the simple friendly cannibals There is little of profound research Nothing I fear to startle the anthropologist or to revise encyclopedias such expectation was far from my thoughts when I sailed from Papeete on the *Morning Star* I went to see what I should see and to learn whatever should be taught me by the days as they came What I saw and what I learned the reader will see and learn and no more With plenty of photographs to illustrate his text O'Brien has given readers a glimpse of South Seas life the way it used to be and through his own words we feel as though we have been there *Mystic Isles of the South Seas* Frederick O'Brien, 2021-11-20 *Mystic Isles of the South Seas* by Frederick O'Brien *Mystic Isles of the South Seas* O'Brien Frederick, 1901 *Mystic Isles of the South Seas* Frederick O'Brien, 2014-03-30 This Is A New Release Of The Original 1921 Edition **Mystic Isles of the South Seas** Frederick O'Brien, 2024-09-10 Embark on an enchanting journey to the remote and exotic lands with Frederick O'Brien's *Mystic Isles of the South Seas* a vivid travelogue that transports readers to the captivating beauty and mystery of the South Pacific This immersive narrative offers a rich exploration of the islands their people and the unique cultures that thrive in this distant paradise As O'Brien's narrative unfolds you'll be swept away by the vibrant descriptions of the landscapes the traditions and the spirit of the islanders The book captures the essence of a world untouched by time where nature's splendor and the simplicity of island life create an idyllic retreat from the modern world But here's a thought to ponder What secrets lie hidden within the lush jungles and turquoise waters of the South Seas Can the allure of such a paradise truly provide an escape from the complexities of life Explore the serene and mystical world of *Mystic Isles of the South Seas* where each page invites you to experience the wonders and challenges of a life far removed from the ordinary This is more than just a travel memoir it's a celebration of the natural beauty and cultural richness that define these enchanting islands Are you ready to discover the hidden treasures of the South Seas Engage with the captivating narrative of *Mystic Isles of the South Seas* and let the magic of the islands transport you to a world of wonder
