Mythical Journeys, Legendary Quests Moyra Caldecott,2007-06-01 One of the most persistent themes in myth and legend from the world's many cultures is the story of the journey, the quest. In *Mythical Journeys, Legendary Quests* Moyra Caldecott shows the connection between the sacred mythic journeys as found in legend and story and the real journey of the individual soul towards enlightenment. This perennial quest for reassurance in the face of human mortality is spread as wide as our existence on the planet and throughout history. Indeed, Carl Jung and Joseph Campbell have shown us that myth and legend are not just fantasy tales for children. They are powerful expressions in code of a deep yearning towards an understanding of human existence. Moyra Caldecott has selected material from many cultures to illustrate this, from ancient Egypt and Sumeria to aboriginal Australia, pre-Columbian America, Vietnam, India, Africa and Europe. For each legend she provides background on its origin and detailed analysis of its meaning and significance.
