,2014-03-01 Central to the Christian mystical tradition is the inspired work of the anonymous author of The Cloud of Unknowing Rich with insights and perceptions of the obscurity and unknowability of God this work reveals God as being on an entirely different plane of existence from human beings so different that time bound human language is inadequate to describe God exhaustively or accurately Intellect and emotion both fail in seeking God who can only be encountered by rejecting all common earthly means in a cloud of forgetting and the discovery of Godself in the dark cloud of unknowing that can be pierced only with a lance of longing love Now we finally have a translation that captures all of this beauty and complexity without minimizing the nuances all of which are explained with extensive introductions and accompanying notes If I could keep with me only two books and a journal this book would be one of the books As far as I m concerned it s the most important book and among the most influential on Christian prayer in the last two millennia I m delighted to endorse this fine new translation and commentary The Rev Dr Chris Neufeld Erdman University Presbyterian Church Fresno CA author of Beyond Chaos Living the Christian Family in a World Like Ours and Returning to the Center Living Prayer in a Distracting World The Complete Cloud of Unknowing includes two classics of medieval Christian contemplative spirituality essential reading for anyone seeking to deepen their relationship with God through the practice of silent prayer They are rich texts full of nuanced wisdom that often gets lost in modern translations Father John Julian has captured the beauty humor and literary elegance of the original versions but also has supplemented his translation with detailed notes that convey the subtle spiritual insight that makes these works required reading I m excited about this book it s a title I will recommend both to beginners and to longstanding students of The Cloud Carl McColman author of Answering the Contemplative Call and The Lion the Mouse and the Dawn Treader Maia Toll's Wild Wisdom Companion Maia Toll,2021-11-23 Maia Toll s Wild

Thurber,2013-09 This historic book may have numerous typos and missing text Purchasers can usually download a free scanned copy of the original book without typos from the publisher Not indexed Not illustrated 1897 edition Excerpt CHAPTER XVII A MESSAGE OF SORROW SHE WILL LIVE It Might have been a week later and during the morning hour of meditation in the Temple of Silence that the attention of each member present was arrested by a summons from without This as Zelma afterward remarked was the first time the vibratory effects of the disk at the door had ever reached the Temple proper Just previous to this some remarkable changes had been taking place in the crystal discernible to all First there had appeared a peculiar shadow resembling pale moonlight This covered the entire globe In the midst of this there appeared what might be described as a steady but soundless waterfall having blue green tints and above this hung two weeping willows Rightly interpreted the scene was suggestive of sadness so that when the summons fell upon the silence it conveyed a somewhat sombre message to those who listened It was yet early in the day and no visitor was expected hence the summons seemed all the more significant It was not long before the exercises were completed and Zelma as soon as he had changed his apparel went below The caller was none other than Mr Gilbert The gentleman s features gave tokens of some deep sorrow and observing this Zelma led the way quietly to the east room where he closed the door from all intrusion With no formality whatever Mr Gilbert sank into a chair like a man bereft of all physical and mental endurance Zelma forewarned as he had been strove to maintain an attitude of peace and tranquillity His first words were lowly spoken and fraught with purest spiritual accents And another link in the chain is being forged and the heart of him who loveth is troubled as it would seem beyond repair he said very slowly

Ascent of Mount Carmel John of the Cross,2021-04-10 In *Ascent of Mount Carmel* John of the Cross a prominent figure of the Spanish mysticism articulates a profound journey toward spiritual purity and union with God Written in the late 16th century this text exemplifies a rich allegorical narrative interwoven with mystical theology The book employs a lyrical style incorporating poetic elements which enhances its exploratory treatment of the soul s transformation through the obscuring dark night As John navigates the stages of spiritual ascent he critiques the distractions of earthly attachments positioning his work within the broader context of the Counter Reformation where introspection and personal spirituality flourished in response to the prevailing Catholic reforms John of the Cross a Carmelite friar and contemporary of Teresa of Avila was

deeply influenced by the harsh conditions of his life including imprisonment and persecution His personal journey through suffering and joy provides a compelling backdrop to Ascent of Mount Carmel reflecting his commitment to contemplative prayer and the mystical tradition John s theological depth and poetic mastery afford readers a unique glimpse into the transformative processes that define intimate communion with the Divine Recommended for those seeking a deeper understanding of Christian mysticism this book serves as both a spiritual guide and a philosophical treatise Whether you are a seasoned scholar or a curious reader John of the Cross s eloquent exploration will inspire an enriching pursuit of spiritual authenticity Manual of a Mystic, Being a Translation from the Pali and Sinhalese Work Entitled The Yogāvacara's Manual Yogāvacara,1962
