Mysticism The Experience Of The Divine

Dom Cuthbert Butler

Mysticism The Experience Of The Divine:

Mysticism Zondervan, 1994 *Mysticism* C. J. McKnight, Chronicle Books (Firm), 1994 The Mysticism of Ordinary and Extraordinary Experience Harry L. Serio, 2021-04-12 We are so much more than we appear to be The why of our existence is far more complex than the how of our being Mysticism probes the hidden nature of who we are why we are and our relationship to our Creator We catch glimpses of this not only in the ordinary experiences of life but also through extraordinary and unusual encounters with mystery Mysticism is the awareness of our reality **Jewish Mysticism** Marvin A. Sweeney, 2020-03-26 Questions of how the divine presence is understood and interacts within the world have been around since the time of the biblical prophets The Jewish mystical tradition conceives God as active just powerful and present while allowing for divine limitation so as to understand the relationship between G d and the Jewish people in their history Jewish Mysticism surveys Jewish visionary and mystical experience from biblical and ancient Near Eastern times through the modern period and the emergence of modern Hasidism Marvin Sweeney provides a comprehensive treatment of one of the most dynamic fields of Jewish studies in the twenty first century providing an accessible overview of texts and interpretative issues Sweeney begins with the biblical period which most treatments of Jewish mysticism avoid and includes chapters on the ancient Near East the Pentateuch the Former Prophets and Psalms the Latter Prophets Jewish Apocalyptic the Heikhalot Literature the Sefer Yetzirah and early Kabbalistic Literature the Zohar Lurianic Kabbalah and the Shabbetean Movement and the Hasidic Movement Placing Jewish apocalyptic literature into the larger development of ancient Jewish visionary and mystical experience Sweeney fills gaps left by the important but outdated work of others in the field Ideal for the scholar student or general reader Jewish Mysticism provides readers with a fresh understanding of the particular challenges problems needs and perspectives of Judaism throughout its history **Mysticism** Jess Hollenback, 1996-09-15 This sweeping study of mysticism by Jess Hollenback considers the writings and experiences of a broad range of traditional religious mystics including Teresa of Avila Black Elk and Gopi Krishna It also makes use of a new category of sources that more traditional scholars have almost entirely ignored namely the autobiographies and writings of contemporary clairvoyants mediums and out of body travelers This study contributes to the current debate about the contextuality of mysticism by presenting evidence that not only are the mystic s interpretations of and responses to experiences culturally and historically conditioned but historical context and cultural environment decisively shape both the perceptual and affective content of the mystic s experience as well Hollenback also explores the linkage between the mystic s practice of recollection and the onset of other unusual or supernormal manifestations such as photisms the ability to see auras telepathic sensitivity clairvoyance and out of body experiences He demonstrates that these extraordinary phenomena can actually deepen our understanding of mysticism in unexpected ways A unique feature of this book is its in depth analysis of empowerment an important phenomenon ignored by most scholars of mysticism Empowerment is a peculiar enhancement of the imagination thoughts

and desires that frequently accompanies mystical states of consciousness Hollenback shows its cross cultural persistence its role in constructing the perceptual and existential environments within which the mystic dwells and its linkage to the fundamental contextuality of mystical experience *Rudolf Otto and the Foundation of the History of Religions* Yoshitsugu Sawai, 2022-02-10 This book provides an up to date treatment of Rudolf Otto and his work placing him in the context of comparative religion theology and the philosophy of religion Yoshitsugu Sawai shows how Otto has three faces the Lutheran Theologian the Philosopher of Religion and the Comparative Religionist The book also shows how of these Otto saw himself primarily as a Lutheran Theologian and provides an account of Otto s engagement with India and the centrality that Hindu theology had on his thinking In Otto s theory of religion his well known concepts including wholly other and numinous constitute a multiple structure of meaning For example his concept of the wholly other *das ganz Andere* no doubt has the meaning of God in his Christian theological studies At the same time however from the perspective of comparative religion or the phenomenology of religion this same term semantically implies the ultimate reality of other religious traditions Brahman and God Isvara in Hindu religious tradition as well as God in Christianity **Mysticism and the Bahá'í Revelation** Ruhi Muhsen Afnán, 1934 *Process Mysticism* Daniel A. Dombrowski, 2023-01-01 Process Mysticism uses the process philosophies of Charles Hartshorne Alfred North Whitehead and Henri Bergson to explore mystical religious experiences The aim is not so much to demonstrate that such experiences are true or veridical as it is to understand in a William Jamesian fashion how they could be possible and not contradict the concept of God held by philosophers and theologians Divine world inclusiveness ideal power and tragedy the ontological argument asceticism and the *via negativa* divine visions and voices and the aesthetics and ethics of mysticism are all treated in detail The book is ecumenical in that it is meant to illuminate mystical experiences as they occur around the world in different religious traditions but the author is especially familiar with those in the Abrahamic religions Mysticism can refer to either direct experience of God or the claim that such experience is ineffable and both senses of the term are carefully analyzed in the book **John of the Cross and the Cognitive Value of Mysticism** S. Payne, 2012-12-06 Among Anglo American philosophers interest in mysticism has typically been limited to the question of whether or not mystical and religious experiences provide evidence for or knowledge of the existence and nature of God Most authors conclude that they do not because such experiences lack certain qualities needed in order to be counted as cognitive In this study I examine some current philosophical opinions about mysticism and objections to its epistemic significance in the context of a detailed study of the writings of a single mystical author the Spanish Carmelite Saint John of the Cross 1542 1591 I argue that from his works one can draw a coherent theory of what takes place in the Christian mystical life and will indicate how acceptance of this theory might be defended as rational through a type of inference often referred to as the Argument to the Best Explanation In this way I hope to show that mysticism still has a significant bearing on the justification of religious faith even if it cannot be used to prove the existence of God The nature and advantages of my

own somewhat unusual approach to mysticism can perhaps best be explained by contrasting it with the way other authors have dealt with the subject One of the most striking developments in recent decades has been the growing fascination with mysticism meditation and the experiential aspects of religion *The Mystic Experience* Jordan Paper,2012-02-01 The mystic zero or void experience the ecstatic disappearance of self along with everything else is considered by those who have had it to be the most beautiful blissful positive profound and significant experience of their lives Offering both a descriptive and a comparative perspective this book explores the mystic experience across cultures as both a human and cultural event The book begins and ends with descriptions of the author's own mystical experiences and looks at self-reported experiences by individuals who do not link their experiences to a religious tradition to determine characteristics of this universal human experience These characteristics are compared to statements of acknowledged mystics in diverse religious traditions The mystic experience is also situated within other ecstatic religious experiences to distinguish it from similar but distinct experiences such as lucid dreams shamanism and mediumism Jordan Paper goes on to look at how the mystic experience has been considered in various fields such as sociology psychology anthropology biology and comparative religious studies

Mysticism Evelyn Underhill,1990-10-01 First published in 1911 *Mysticism* remains the classic in its field and was lauded by The Princeton Theological Review as brilliantly written and illuminated with numerous well-chosen extracts used with exquisite skill *Mysticism* makes an in-depth and comprehensive exploration of its subject Part One examines The Mystic Fact explaining the relation of mysticism to vitalism to psychology to theology to symbolism and to magic Part Two The Mystic Way explores the awakening purification and illumination of the self discusses voices and visions and delves into manifestations from ecstasy and rapture to the dark night of the soul Rounding out the book are a useful Appendix an exhaustive Bibliography and an Index *Mysticism* is thoroughly documented with material drawn from such great mystics as St Teresa of Avila Meister Eckhart and St John of the Cross and this new Image Classic features a Foreword by Ira Progoff translator of *Cloud Unknowing* and director of Dialogue House in New York City **Psychosis or Mystical Religious**

Experience? Susan L. DeHoff,2018-02-13 This book presents a new paradigm for distinguishing psychotic and mystical religious experiences In order to explore how Presbyterian pastors differentiate such events Susan L DeHoff draws from Reformed theology psychological theory and robust qualitative research Following a conversation among multidisciplinary voices she presents a new paradigm considering the similarities differences and possible overlap of psychotic and mystical religious experiences **Tantra Veda and Mysticism** Lalan Prasad Singh,2022-01-01 The book is a collection of some of the papers that were presented by the author at various International and National Conferences and Seminars They broadly highlight author's foray in the world of Indian mysticism metaphysics Tantra and Veda that form the essence of Indian Cultural and Philosophical thinking Tantra and Veda are warp and woof and mysticism is a central principle that preserved and made Indian culture and civilization alive and vibrant The theme that runs in these papers essentially try to explain that

life is a narrative of cosmic drama of which Cosmic Consciousness Brahman is the choreographer and witnessing entity Cosmic Consciousness Brahman is the substance and substratum of cosmic drama All science and philosophy are geared to understand and unravel Ontological Mysticism This is a sublime task that Indian saints and seers have been trying to explore and experience through ages This book highlights the core values of Indian Culture such as universal brotherhood tolerance compassion non violence and humanism

A Hidden Wisdom Christina van Dyke,2022 Christina Van Dyke brings to light a rich and neglected philosophical tradition the writings of mystical and contemplative thinkers mainly women from the 13th to the 15th century She show us how much we can learn today from their ideas on self knowledge reason and its limits love persons and immortality and the afterlife

The Bloomsbury Research Handbook of Vedanta Ayon Maharaj,2020-05-28 This handbook brings together a distinguished team of scholars from philosophy theology and religious studies to provide the first in depth discussion of Vedanta and the many different systems of thought that make up this tradition of Indian philosophy Emphasizing the historical development of Vedantic thought it includes chapters on numerous classical Vedantic philosophies as well as the modern Vedantic views of Sri Ramakrishna Sri Aurobindo and Romain Rolland The volume offers careful hermeneutic analyses of how Vedantic texts have been interpreted and it addresses key issues and debates in Vedanta including religious diversity the nature of God and the possibility of embodied liberation Venturing into cross philosophical and cross cultural territory it also brings Vedanta into dialogue with Saiva Nondualism as well as contemporary Western analytic philosophy Highlighting current scholarly controversies and charting new paths of inquiry this is an indispensable research guide for anyone interested in the past present and future of Vedanta and Indian philosophy

Narrative Hermeneutics, History, and Rhetoric ,2024-12-23 David P Moessner has pioneered the study of early Christian narrative both through the investigation of the principles and methods of good storytelling outlined by ancient authors and through the demonstration that Christians especially the author of Luke Acts used these principles and methods in crafting their own stories The contributors to this volume recognize Moessner s enormously valuable research and warm collegiality with twenty one essays on narrative hermeneutics characterization genre intertextuality and reception history Several focus fittingly on Luke and Acts while others press the implications of Moessner s work for comprehension of the wider world of Jewish Christian and Greco Roman storytelling

Western Mysticism Cuthbert Butler,1924

Western Mysticism Dom Cuthbert Butler,2012-04-19 Extracts from the writings of three of Western Christianity s most revered teachers of mystical theology express what they themselves wrote and thought about their mysticism

Western Mysticism Butler,2012-10-12 A renewed interest in the spiritual with an increasing number of people today wishing to incorporate the contemplative in their active lives prompts the reissue of this classic work a doctrine that is at once elevated and practical The writings are meant to be studied from three distinct points of view religious philosophy material for the study of those states between mind and body such as ecstasy and trance and for the sake of their mysticism Drawn from the writings and teachings of Saint

Augustine Saint Gregory and Saint Bernard the writings form a coordinated body of doctrine with what three great teachers of mystical theology in the Western Church have written concerning their own religious experience and the theories they based on it In addition the book discusses such important topics as speculative contemplation what mysticism is the characteristics of Western mysticism the practical and the contrasts between the contemplative and active lives No student of mysticism can possibly afford to neglect a volume so full of valuable suggestions and real insight into spiritual conditions

Paul, John, and Apocalyptic Eschatology Jan Krans, L.J. Lietaert Peerbolte, Peter-Ben Smit, 2013-02-15 These studies in honour of Martinus C de Boer offer important backgrounds and new insights by leading New Testament scholars on Paul John and Apocalyptic Eschatology

Mysticism The Experience Of The Divine Introduction

In today's digital age, the availability of *Mysticism The Experience Of The Divine* books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of *Mysticism The Experience Of The Divine* books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of *Mysticism The Experience Of The Divine* books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing *Mysticism The Experience Of The Divine* versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, *Mysticism The Experience Of The Divine* books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing *Mysticism The Experience Of The Divine* books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for *Mysticism The Experience Of The Divine* books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, *Mysticism The*

Experience Of The Divine books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Mysticism The Experience Of The Divine books and manuals for download and embark on your journey of knowledge?

FAQs About Mysticism The Experience Of The Divine Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Mysticism The Experience Of The Divine is one of the best book in our library for free trial.
