Mysticism Buddhist And Christian:

Mysticism: Christian and Buddhist D.T. Suzuki, 2018-10-24 If the Western world knows anything about Zen Buddhism it is down to the efforts of one remarkable man D T Suzuki The twenty seven year old Japanese scholar first visited the West in 1897 and over the course of the next seventy years became the world s leading authority on Zen His radical and penetrating insights earned him many disciples from Carl Jung to Allen Ginsberg from Thomas Merton to John Cage In *Mysticism Christian and Buddhist* Suzuki compares the teachings of the great Christian mystic Meister Eckhart with the spiritual wisdom of Shin and Zen Buddhism By juxtaposing cultures that seem to be radically opposed Suzuki raises one of the fundamental questions of human experience at the limits of our understanding is there an experience that is universal to all humanity *Mysticism Christian and Buddhist* is a book that challenges and inspires it will benefit readers of all religions who seek to understand something of the nature of spiritual life

Modern Buddhist and Christian Mysticism Charles M. Mueller, Peter Richardson, 2025-03-01 Investigations of mysticism often focus on the past while largely ignoring current developments This book contributes to a reversal of that trend with a rigorous examination of a wide selection of contemporary Buddhist and Christian authors The focus is on the intriguing intersections and subtle divergences now emerging in areas such as ineffability nonconceptuality paradox inverted agency unity and self dissolution The analysis combines the theoretical framework of Cognitive Linguistics with a range of methodological approaches from discourse and thematic analysis to corpus linguistics Wide ranging systematic and informative the book is invaluable to all of those interested in the phenomenon of mysticism within the modern world

Mysticism: Christian and Buddhist Daisetz Teitaro Suzuki, 1962

Mysticism, Buddhist and Christian Paul Mommaers, Jan van Bragt, 1995 This volume represents the first book length treatment in English of one of the greatest mystical writers in Christian history Jan van Ruusbroec 1293 1381 A careful reading of the texts by the Flemish historian Paul Mommaers focuses on two delicate relationships that between mysticism and religiosity and that between a mysticism of union in love and the more metaphysical mysticism of unity Winding in and out of this presentation is a commentary by theologian of

religions Jan Van Bragt which attempts to place the problematic in a wider interreligious context by contrasting the spiritual path of Buddhism with that of the Christian mystical way The combined result is not only an original reading of the great Flemish love mystic but a groundbreaking attempt to view religious history through the dual lenses of one's own faith and that of the faith of others Ruusbroec's approach is seen to challenge traditional ideas about differences between the Buddhist and Christian ways and to open new possibilities for further encounters at the level of mystical thought and practice

Mysticism, Christian and Buddhist: The Spiritual Beliefs of Buddhism and Christianity, with Comparisons of the Afterlife, God and Enlightenment Deisetz Teitaro Suzuki, 2019-09-26 This selection of compelling essays by D T Suzuki compare the beliefs of Christianity to those of Buddhism revealing what the two religions share in common The author was struck by the spiritual thinking of Meister Eckhart a theologian who lived in 13th century Germany Seeing how Eckhart contemplated his religion and the similarities his writings carried to those of Mahayana Buddhism encouraged Suzuki to investigate further What followed over a number of years were the essays that comprise this book a compelling sequence of comparisons between thinkers of the Christian and Buddhist traditions Suzuki focuses upon the comparison between the path of the Christian to spiritual affinity with God and the Buddhist path to enlightenment via meditation and mindfulness In Eckhart's writings he finds much in common for example the Buddhist principle of emptiness whereby the soul is detached from the corporeal realm and in closer affinity to the divine is comparison to what Eckhart termed *abegescheidenheit* a detachment from worldly affairs In discussing parallels between the two religions Suzuki is salient and lucid The later chapters examine verses relevant to the themes already expounded upon namely the treatment of the human soul and the changes it must undertake on a spiritual path

Free Yourself of Everything Wolfgang Kopp, Barbara Wittenberg-Haenauer, 2011-12-06 This guide to meditation and spirituality draws on both Buddhist and Christian sources to present a unique path to enlightenment Intended for those who earnestly seek spiritual guidance this book conveys with clear structure and precise language the deepest wisdom of eastern and western mysticism Drawing from his vast experience as a practicing meditation master and using examples from great masters of Zen and Christian mysticism Wolfgang Kopp presents the fundamental elements necessary for a successful journey to inner freedom The reader is instructed directly as though he or she is under the present guidance of the author As closely as the written world permits the reader experiences the compassionate love and spiritual power that otherwise could be felt only in the immediate presence of a great enlightened master Free Yourself of Everything will lead readers to that extraordinary experience where the belief in a conceptual God is replaced by enlightenment in one's own mind

The Still Point: Reflections on Zen and Christian Mysticism William Johnston, 1970

Mysticism Daisetz Teitaro Suzuki, 2016-10-05 Excerpt from *Mysticism Christian and Buddhist* This Series is committed to a re-examination of all those sides of human endeavor which the specialist was taught to believe he could safely leave aside It interprets present and past events impinging on human life in our growing World Age

and envisages what man may yet attain when summoned by an unbending inner necessity to the quest of what is most exalted in him. Its purpose is to offer new vistas in terms of world and human development while refusing to betray the intimate correlation between universality and individuality, dynamics and form, freedom and destiny. Each author treats his subject from the broad perspective of the world community, not from the Jewish-Christian Western or Eastern viewpoint alone.
