Gardner,1913 **Track of the Mystic** Marcianne Kappes,1994-11 Examines how Jessica Powers integrated her life and time in history with her religious experience to produce a mystical poetry and spiritual vision **The Life of St. Francis Xavier, Evangelist, Explorer, Mystic** Edith Anne Stewart,1917 **The Mystic Fable, Volume One** Michel de Certeau,1995-06-15 The culmination of de Certeau s lifelong engagement with the human sciences this volume is both an analysis of Christian mysticism during the sixteenth and seventeenth centuries and an application of this influential scholar s transdisciplinary historiography Comparative Mysticism Steven T. Katz,2013 This collection of primary texts introduces readers to the mystical literature of the world s great religious traditions Beginning with an introduction by Steven T Katz a leading scholar of mysticism the anthology comprises poetry prayer narrative and other writings from Jewish Christian Muslim Hindu Buddhist Taoist Confucianist and Native American traditions This collection

provides readers not only with the primary mystical texts from each religious tradition but with an explanation of the context of the source and tradition Comparative Mysticism shows how the great mystical traditions of the world are deeply rooted in the religious traditions from which they originated The contextual methodological approach taken throughout the anthology also addresses the critical question of what these mystical traditions at their highest level have in common Despite the prevailing view that mystical traditions throughout the world are essentially similar the presentation of the sources in this volume suggests that in fact the various traditions have distinct teachings and different metaphysical goals The writings collected in Comparative Mysticism address the most fundamental and important methodological epistemological and hermeneutical questions regarding the study and interpretation of mysticism and mystical sources across cultures This anthology will be an invaluable resource to students and scholars of mystic tradition for years to come
