Myth Conceptions Joseph Campbell And The New Age:

Myth Conceptions Thomas Lee Snyder, 1995 The PBS series The Power of Myth first introduced Joseph Campbell as a primary influence on Western culture Myth Conceptions reveals this New Age thinker probing what his ideas mean for Christians Tom Snyder looks at Campbell's influence on films especially Steven Spielberg's and his view of politically correct truth morality and religious experience

True Myth James W Menzies, 2015-02-26 True Myth examines the meaning and significance of myth as understood by C S Lewis and Joseph Campbell and its place in the Christian faith in a technological society C S Lewis defined Christianity and being truly human as a relationship between the personal Creator and his creation mediated through faith in his son Jesus The influential writer and mythologist Joseph Campbell had a different perspective understanding Christianity as composed of mythical themes similar to those in other religious and secular myths While accepting certain portions of the biblical record as historical Campbell taught the theological and miraculous aspects as symbolic as stories in which the reader discovers what it means to be human today In contrast Lewis presented the theological and the miraculous in a literal way Although Lewis understood how one could see symbolism and lessons for life in miraculous events he believed they were more than symbolic and indeed took place in human history In True Myth James W Menzies skilfully balances the two writers differing approaches to guide the reader through a complex interaction of myth with philosophy media ethics history literature art music and religion in a contemporary world

7 Books That Rocked the Church Daniel A Crane, 2021-12-14 7 Books That Rocked the Church by Daniel Crane explores controversial books throughout history that the Christian church has famously disavowed and asks the question Why Engagingly written and thoughtfully researched this book explores what the fuss was all about with books ranging in date from the second century after Christ to more contemporary authors Books by Karl Marx Charles Darwin Galileo Galilei and many others profoundly upset the church by calling into question foundational Christian doctrines or beliefs Most of the books discussed here were banned at some time by Christian authorities The author's aim is to challenge Christians to respond critically but open mindedly to books that oppose a Christian worldview Readers of 7 Books That Rocked the Church will come away better equipped to answer the charge that the church is intolerant of competing ideas They will also develop the ability to interact with new and possibly dangerous ideas that comport with Jesus' admonition to be wise as serpents but gentle as doves This book also includes discussion questions for further study

The Message Behind the Movie Douglas M. Beaumont, 2009-05-01 Some Christians denounce nearly every move that Hollywood produces others celebrate even the most morally and artistically questionable While most Christians can agree on the cultural importance of films very few are able to interpret movies with insight and understanding Apologetics professor and film lover Doug Beaumont wants moviegoers to become more informed viewers by better grasping the cinematic techniques and genre considerations that filmmakers use to communicate their central themes He also wades into hot button issues of nudity violence and language in movies helping Christians to more carefully evaluate celluloid depictions of sin Packed with quote and excerpts from many of Hollywood s most successful films and from some of the indie favorites that have gained cult followings The Message Behind the Movie is a fun and enlightening look at the art form that defines our age

The Message Behind the Movie—The Reboot Douglas Beaumont, 2022-04-11 When it comes to movies people of faith often focus on negative assessments of the film industry and certain style elements that they find objectionable such as violence nudity or harsh language While these criticisms are important they are not the whole story A film s message and its method are not always the same thing By discussing the cinematic techniques and the genre considerations filmmakers use to communicate their ideas this book helps Catholics and other Christians to become informed viewers Douglas Beaumont shows how to evaluate the stories that movies tell and how to discern what they say about reality God and what it means to be human At the same time he illustrates how movie watchers can engage in thoughtful lively discussions about not only film but also the big questions in life

The Debaters of This Age Steven H Propp, 2019-02-05 It is June 2018 as an unusual group of scholars professors lecturers and students gather in a California hotel They are all attendees of an Apologetics conference intended to join qualified representatives of Christian Deist and Atheist thought for a two week no holds barred debate and discussion of their respective positions that will ultimately be included in a book published after the conference Evangelical Christianity is represented by advocates of Evidentialist and Presuppositionalist approaches to Apologetics Catholicism liberal Christianity and Deism are also well supported The Atheist perspective is advocated by a polemical author and a college professor notorious for attacking the views of his Christian students As the participants argue over controversial issues such as cosmology evolution The Bible historical evidence for Jesus the resurrection biblical prophecies and the problem of evil intellectual fireworks result But what will result when such a volatile and eclectic group is placed face to face for more than two weeks The Debaters of this Age is the tale of what happens inside a California hotel in 2018 when a group of intellectuals gather to vigorously discuss the religious issues of our time

John Warwick Montgomery's Legal Apologetic Ross Clifford, 2016-01-22 Dr Montgomery is one of our leading Christian apologists His writings have influenced several generations of apologists from around the globe His debates are legendary This book purports to break new ground apologetically as it assesses Dr Montgomery s work It focuses on his legal historical apologetic and in the process reframes it for both for the tough minded and the tender hearted It shows not only the rationality of Montgomery s

work but also that his writings pave the way for an apologetic to New Age followers and to those who place experience before reason. A special feature of this analysis concerns Montgomery's apologetic insights on the occult and paganism. This book also breaks new ground as the legal apologetic model has not been previously assessed; it illustrates that a juridical apologetic style has a rich history dating back to the Gospels themselves. The present work should thus be of particular interest to apologists, theologians, philosophers of religion, pastors, and all who are concerned to share the legal historical fact of the Resurrection of Jesus together with its relevance in a secular age.

Jesus in an Age of Controversy Doug Groothuis, 2002-01-22 Who is this man Jesus? An ordinary man about whom the early Christians made up extraordinary stories? A spiritual guru or master who tapped into a cosmic consciousness that we can all aspire to? Or is he the unique Son of God? Best-selling books challenge us to rethink our ideas about Jesus. The Jesus Seminar makes headlines with its systematic attempts to undermine the accuracy of the Gospel accounts. New Age teachings about Jesus have found their way into many pulpits. In response to this confusion, *Jesus in an Age of Controversy* provides a straightforward, easy-to-understand study of the questionable foundations and faulty conclusions of these new views. This important book provides the historical and logical evidence that confirms biblical teachings about Jesus. It will enable you to defend your faith against attack, help those struggling with questions and doubts, and encourage you with the overwhelming weight of evidence that confirms that Jesus is the only Savior and Lord.

Without a Doubt Kenneth Richard Samples, 2004-07 *Without a Doubt* provides answers to tough questions about Christianity that assure the heart and satisfy the mind of Christian seeker and skeptic alike.

God among Sages Kenneth Richard Samples, 2017-01-31 Was Jesus just a spiritual leader like Buddha, Krishna, Confucius, and Muhammad? Or is he something more, something else entirely? In *God among Sages*, apologist Ken Samples offers readers a biblical and historical portrait of Jesus grounded in the claims Jesus makes about himself. Then Samples compares and contrasts Jesus with Buddha, Krishna, Confucius, and Muhammad using eight relevant categories of evaluation. He also helps readers understand the competing philosophies of religious pluralism, inclusivism, and exclusivism. The result is a clearer understanding of what sets Jesus apart as not simply a teacher to follow but God himself, worthy of our full allegiance and worship. Christians who struggle to answer claims that Jesus was just a good teacher as well as those who haven't quite made up their minds about Jesus's claims to divinity will value this accessible introduction to comparative religions.

New World Myth Marie Vautier, 1998-01-06 There is an emphasis on deconstructing, decentering, destabilizing, and especially de-mythologizing in the study that illustrates *New World Myth*, narrators questioning the past in the present and carrying out their original investigations of myth, place, and identity. Underlining the fact that political realities are encoded in the language and narrative of the works, Vautier argues that the reworkings of literary, religious, and historical myths and political ideologies in these novels are grounded in their shared situation of being in and of the New World.

An Unchanging Faith in a Changing World Kenneth Boa, Robert M. Bowman, 1997 The world is changing so drastically by the day by the

hour by the minute that sometimes you hardly recognize it You face more and more challenges to your Christian convictions but have less and less support to stand up for your faith You wonder if it is still possible to be ready to give a defense for what you believe From the evolution revolution to revolutionary politics from Western humanism to Eastern mysticism from feminism to gay rights An Unchanging Faith in a Changing World will help you understand not only this world but your role in changing it with God's message of love forgiveness and salvation

Shakespeare among the Moderns Richard L. Halpern, 2018-09-05 Modernist writers critics and artists sparked a fresh and distinctive interpretation of Shakespeare's plays which has proved remarkably tenacious as Richard Halpern explains in this lively and provocative book The preoccupations of such high modernists as T S Eliot Wyndham Lewis and James Joyce set the tone for the critical reception of Shakespeare in the twentieth century Halpern contends their habits of thought continue to dominate postmodern schools of criticism that claim to have broken with the modernist legacy Halpern addresses such topics as imperialism and modernism's cult of the primitive the rise of mass culture modernist anti-Semitism and the aesthetic of the machine His discussion considers figures as diverse as Orson Welles and Arnold Schwarzenegger and Shakespeare critics including Northrop Frye Cleanth Brooks Stephen Greenblatt and Stanley Cavell Shakespeare's works have been subjected to a continuing process of historical reinterpretation in which every new era has imposed its own cultural and ideological presuppositions on the plays The most enduring contribution of modernism Halpern suggests has been the juxtaposition of an awareness of historical distance and a mapping of Shakespeare's plays onto the present Using modernist themes and approaches he constructs new readings of four Shakespeare plays
