Boasians at War Anthony Q. Hazard, Jr., 2020-04-20 This volume seeks to recover a specific historical moment within the tradition of anthropologists trained in the United States under Franz Boas arguably the father of modern American anthropology Focusing on Boasians Ashley Montagu Margaret Mead Melville Herskovits and Ruth Benedict Anthony Hazard highlights the extent to which the Boasians offer historicized explanations of racism that move beyond a quest to reshape only the discipline Boasian war work pointed to the histories of chattel slavery and colonialism to theorize not just race but the emergence of racism as both systemic and interpersonal The realities of race that continue to plague the United States have direct ties to the anthropological work of the figures examined here particularly within the context of the 20th century black freedom struggle Ultimately Boasians at War offers a detailed glimpse of the long troubled history of the concept of race along with the real life realities of racism that have carried on despite the harnessing of scientific knowledge to combat both

The New Black Gods Edward E. Curtis IV, Danielle Brune Sigler, 2009-04-23 Taking the influential work of Arthur Huff Fauset as a starting point to break down the false dichotomy that exists between mainstream and marginal a new generation of scholars offers fresh ideas for understanding the religious expressions of African Americans in the United States Fauset's 1944 classic *Black Gods of the Metropolis* launched original methods and theories for thinking about African American religions as modern cosmopolitan and democratic The essays in this collection show the diversity of African American religion in the wake of the Great Migration and consider the full field of African American religion from Pentecostalism to Black Judaism Black Islam and Father Divine's Peace Mission Movement As a whole they create a dynamic humanistic and thoroughly interdisciplinary understanding of African American religious history and life This book is essential reading for anyone who studies the African American experience

The Gullah People and Their African Heritage William S. Pollitzer, 2005-11-01 The Gullah people are one of our most distinctive cultural groups Isolated off the South Carolina Georgia coast for nearly three centuries the native black population of the Sea Islands has developed a vibrant way of life that remains in many ways as African as it is American This landmark volume tells a multifaceted story of this venerable society emphasizing its roots in Africa its unique imprint on America and current threats to its survival With a keen sense of the limits to establishing origins and tracing adaptations William S Pollitzer discusses such aspects of Gullah history and culture as language religion family and social relationships music folklore trades and skills and arts and crafts Readers will learn of the indigo and rice growing skills that slaves taught to their masters the echoes of an African past that are woven into baskets and stitched into quilts the forms and phrasings that identify Gullah speech and much more Pollitzer also presents a wealth of data on blood composition bone structure disease and other biological factors This research not only underscores ongoing health challenges to the Gullah people but also helps to highlight their complex ties to various African peoples Drawing on fields from archaeology and anthropology to linguistics and medicine The Gullah

People and Their African Heritage celebrates a remarkable people and calls on us to help protect their irreplaceable culture
