Essential Spanish Grammar: Teach Yourself Juan Kattan-Ibarra,2012-02-10

Is this the right course for me

Essential Spanish Grammar will help you get more out of your study of Spanish

Essential Spanish Grammar is an up to date introduction to Spanish grammar

You don t need to know a lot about grammar before you start

Everything is explained simply and there are lots of examples to illustrate each point

Unlike more traditional grammars

Essential Spanish Grammar is structured so that you can look up language forms according to what you want to say even if you don t know the grammatical term for them

If you already know some grammar then you can use the reference grammar section at the back of the book to look up the points you need

The course consists of 23 units illustrating the various uses to which the language can be put for example giving instructions or talking about the recent past

The more traditional reference grammar deals with grammatical structures such as the imperative or the perfect tense

All grammatical terms are explained in the glossary at the back of the book

Each unit contains exercises for you to practise what you have learnt and there is a key at the back of the book for you to check your answers

The new page design in this edition means that the book is even easier to use and the main headings are in English so that you can find your way around the book quickly

This edition contains a taking it further section which will direct you to further sources of real Spanish

Essential Spanish Grammar will help you to understand and manipulate Spanish grammar with confidence because you need no prior knowledge of grammatical terminology to use it

the approach is accessible and supportive

the examples are clear and in context

exercises help you practise every point

Learn effortlessly with a new easy to follow page design and interactive features

Not got much time

One five and ten minute introductions to key principles to get you started

Author insights

Lots of instant help with common problems and quick tips for success based on the author s many years of experience

Useful vocabulary

Easy to find and learn to build a solid foundation for speaking

End of unit summaries and online tests

Summaries and tests to help you keep track of your progress

Extend your knowledge

Extra online articles to give you a richer understanding of the culture and history of Spain
