Marriage and Family Curtis Phillips,Marc Barnes,2024-04-02 It is from the Bible that society obtains its most enduring and successful patterns for the tapestries formed by our social fabric The institution of marriage is no exception Given to us by God at the very beginning of His creation marriage was to be the bedrock of all societies and over the millennia since God first gave Adam and Eve life in the garden of Eden this bedrock remains essential to His will for mankind While this book will neither exhaust the topic of biblical marriage nor address every verse of Scripture or nuance in the union of two unique individuals it will present practical revelation that we pray you find useful in building your marriage and thereby empowering your family Beginning with the biblical foundation of marriage a foundation unaltered since God ordained it this book will take you on a journey that will reveal the genius of God s blueprint for marriage and ultimately His manifestation of the gospel in the institution itself As with all great institutions marriage and family are God s idea not mankind s He is the Creator and Sustainer and the purposes for which He creates and sustains a marriage are not mysterious He desires godly

offspring In perpetuating the gospel of Jesus Christ through all generations and around the world God reveals time and again in His Word that the primary vehicle for the perpetuation of that Gospel good news is family Just as no person is perfect no family is perfect Here too in the ashes of divorce abuse and failed families God wishes to show Himself not only capable but eager to restore and heal We pray you will enjoy and profit greatly from the revelation God has given us on this important subject

Basic Training for the Fight of Your Life, the Final Stand Robert Mayhew,2013-02 The purpose of the book is to revive the spirit of real Christianity in the United States stand against our Adversary and turn from our collective moral drift Done as an analogy by telling my experiences in Basic Training in the Army and how those experiences relate to Christianity The book is divided into three parts The first part is Individual Training skill sets For example my volunteering in the Army and the transition from civilian to soldier Likewise the transition from not being a Christian to voluntarily wanting to be one and the transition that takes place Another is my experience on a compass course where I started out doing well but got lost and finally found my way to the finish I compare the compass to the Bible and relate it to life Other examples as well The second part is Opposing Forces Training where I learned how the enemy operates and received training focused around defeating him I apply that to learning the ways of Satan because just like a victorious army you must know your spiritual enemy to be successful against him And the third and last phase is the reclamation which is brought about only by the application of the first two phases That is reinforced by quotes from prominent people from the past

The Truth War John F. MacArthur,2008-12-28 Right now truth is under attack and much is at stake Perhaps no one in America is more passionate than John MacArthur about exposing those who are mounting this attack especially those bringing the assault right into the church There is no middle ground no safe zone for the uncommitted in this war The battle for truth is raging and this book reveals The pitfalls of postmodern thinking Why the Emerging Church Movement is inherently flawed Past

skirmishes in the Truth War and their effect on the Church The importance of truth and certainty in a postmodern society How to identify and address the errors and false teachings smuggled into churches The postmodern age is the age of no truth an age that has reached a point of deadly fatigue when it comes to facing the truth a generation that no longer believes truth can be known Dr John MacArthur knows better and he is armed with the courage to confront this age with a bold defense of truth His argument is compelling his defense of truth is brilliant and his concern for the church is evident on every page The evangelical church desperately needs this book and it arrives just in time R Albert Mohler Jr President The Southern Baptist Theological Seminary

Conversations on the Road to Emmaus: Jesus in the Old Testament Dr. John Mannion,2022-01-25 Conversations on the Road to Emmaus depicts an incredible journey Jesus walked and talked with two disciples on the Road to Emmaus after He was resurrected from the dead It is quite intriguing to propose what Jesus said about Himself on that incredible day while on that incredible journey It is not only intriguing but it is also something via interpretation of the Old Testament that is not simply a guess with respect to what was actually discussed Jesus is referencing the Old Testament The Word is explaining the Word Conversations on the Road to Emmaus is a novel method of writing combined with a bible commentary content of writing Thus this non fiction novel comes with conversation along with biblical interpretation explanation and referencing Herein lies the unique nature of this book It very much reads like a novel informal and engaging in that sense At the same time it fills the reader with the fruit of a detailed Bible commentary This unique non fiction novel then is both enjoyable and enlightening to read So let us walk together as we listen in on conversations on the road to Emmaus

The Empty Church Mark Bohachuk,2018-04-23 The Empty Church is a street level discussion that explores the modern day Christian Church attendance and why it seems to be dwindling Mark Bohachuk walks the reader through logical and clear ways of thinking about Christianity and the decline in church attendance Is it a coincidence that as people leave the Christian faith for materialism that our world is slowly being submerged in chaos and an out of control politically correct movement Is the waning of the world s moral barometer related

to the weakening of our faith The Empty Church begins an informal discussion on why we may be seeing these declines The author takes us on an explorative journey to the forces that continue to relentlessly pressure and push people out of the Christian Church A society of materialism and fast food like gratifications lure the gentle sheep of the church out into a world of ravenous wolves The Empty Church is a great place to start a dialogue with your friends and fellow believers about the condition and health of our modern society and how it may tie in with the decline in our church attendance Has our faith in God been lost in the stampede of atheistic pleasures of our fast and furious society Can we reclaim the faith and refill the churches with followers of the truth and the life and once again become the change agents that our society so desperately needs The Empty Church looks at possible reasons there exists a decline in our faith and looks at the ways we can once again become the salt and the light to the nations
