

Functional grammar of Nunggubuyu

Jeffrey Heath

This book is a functional grammar of Nunggubuyu, an Australian Aboriginal language. It is the first grammar of this language to be published. The book is written in a functional style, which means that it is organized around the functions of language in society. The book is divided into two main parts: a description of the language and a description of its grammar. The first part describes the language in terms of its phonology, morphology, and syntax. The second part describes the grammar in terms of its semantics and pragmatics. The book is written for linguists and students of linguistics. It is also written for anyone who is interested in the language of Nunggubuyu. The book is written in a clear and concise style. It is easy to read and understand. The book is a valuable resource for anyone who is interested in the language of Nunggubuyu.
