Kelly,2017-07-28 In 1598 the first English convent was established in Brussels and was to be followed by a further 21 enclosed convents across Flanders and France with more than 4 000 women entering them over a 200 year period In theory they were cut off from the outside world however in practice the nuns were not isolated and their contacts and networks spread widely and their communal culture was sophisticated Not only were the nuns influenced by continental intellectual culture but they in turn contributed to a developing English Catholic identity moulded by their experience in exile During this time these nuns and the Mary Ward sisters found outlets for female expression often unavailable to their secular counterparts until the French Revolution and its associated violence forced the convents back to England This interdisciplinary collection demonstrates the cultural importance of the English convents in exile from 1600 to 1800 and is

the first collection to focus solely on the English convents

The Last Pool of Darkness Tim Robinson, 2023-11-14 In the second volume of his beloved Connemara trilogy cartographer Tim Robinson continues to unearth the stories of this rich landscape in Ireland weaving placelore etymology geology and the meeting of sea and shore into the region s mythologies From the northern fiord waters of Killary Harbour to the southern sea washed islands of Slyne Head western Connemara awes with a rugged landscape sloping cliffs towering mountains and the ever present thudding of the Atlantic And here within the earth resides the record of the past stones with ash grey centers reveal volcanic episodes a series of mysteriously arranged quartz boulders reminds us of the ancient secrets held in the soil and a long disappeared lake filled in by sand lies beneath a golf course waiting to be rediscovered Mapping more than geography Tim Robinson charts Connemara s deep relationship to those who have inhabited its surface The Last Pool of Darkness brims with tales of ghosts centuries old land disputes periods of religious and

political upheavals philosophers entranced by the isolating landscape poets mathematicians artists fantastical smugglers the discovery of botanical rarities trickster fairies and the delicate balance between humans and nature Not merely a certain tract of the Earth's surface but an accumulation of connotations Robinson's Connemara offers readers an opportunity to travel across space and time A work of great precision and tenderness The Last Pool of Darkness is an enchanting addition to the Seedbank series and next chapter in one of the most remarkable non-fiction projects undertaken in English Robert Macfarlane
