

Nursery Teacher In Action

Ying-Ying Zheng

Nursery Teacher In Action:

The Nursery Teacher in Action Margaret Edgington, 1998-03-28 I wish that this useful book had been available during my years as an early years co ordinator and teacher in charge of a nursery unit All aspects of nursery teaching are analyzed in depth and the author leaves the reader in no doubt about the specialist skills and versatility needed to be a nursery teacher or leader I found the book absorbing and was particularly interested in the practical solutions to some of the difficult problems nursery teachers encounter As well as being a fascinating book to read it is also a valuable reference tool and ideal for planning training sessions in aspects of nursery management such as policy writing monitoring quality providing equal opportunities planning and assessment There are useful summa *The Nursery Teacher in Action* Margaret Lally, 1991

The Foundation Stage Teacher in Action Margaret Edgington, 2004-09-22 The book takes a deeper insight into the role of the practitioner and provides invaluable information Nursery Education I think the book would be good value for money for anyone working within a foundation stage team Foundation Stage File The Foundation Stage Teacher in Action is one of the definitive texts on the foundation stage in which Margaret Edgington deals with the realities of practice based on theory and early years principles It is immensely practical and easy to read and while it deserves to be read from cover to cover this New Edition is particularly accessible for those who want to dip in or who need to refer to a specific chapter Early Education If you are new to the Foundation Stage have been working in the Early Years for a few years or for longer than you care to remember if you have responsibility for employing staff for the Foundation Stage within your setting or if you work in a different key stage but have co ordinator responsibility for the Foundation Stage you should buy this book National Campaign for Nursery Education Newsletter This is classic in the world of nursery education and this Third Edition with its new title reflecting the changes in that world is as exciting and challenging as earlier versions Margaret Edgington s campaigning zeal is undiminished as she asserts the prime need for specialist teachers to work with young children in the Foundation Stage and backs this claim with authoritative research references This is a strong passionate authoritative text and I shall keep it close to hand for my own work Marian Whitehead Nursery World This is the third generation of books dealing with the pedagogy of the early years from Margaret Edgington the first two being her editions of *The Nursery Teacher in Action* originally published under the name Margaret Lally The changes that have come about in early years education notably the introduction of the Foundation Stage with its accompanying curriculum guidance and assessment requirements meant that many early years books have needed updating This Third Edition is more than an update it represents some very hard thinking about what practitioners now need to know to be effective and presents this by revisiting the original book s themes Escalate Paul Chapman Publishing and Margaret Edgington have pulled off a real gem of a book with updated sections thank you for the Forest school stuff for example and fresh insights The hard work has really paid off thanks so much Nick Swarbrick Oxford Brookes University This Third Edition brings a broader perspective to the early years world Margaret s

years of experience as a practitioner and consultant in the field are evident and she manages to blend good practice policy and theoretical aspects bringing an astute yet sensitive approach to the early years practitioners varied experiences and qualifications The book reaches not only those who are starting on their careers as early years practitioners but also those who have been there a long time and witnessed many often bewildering changes where their beliefs and practice have been challenged The new edition should be essential reading not only for those working in the field whatever stage in their careers but also for anyone who seeks to understand small children and support them in the best way possible Angela D Nurse Head of Department of Childhood Studies Canterbury Christ Church University This is a fully revised and updated edition of the author s best selling book **The Nursery Teacher in Action Second Edition** This book now includes an extended section on leadership on managing the foundation stage and involving the team in monitoring and evaluating foundation stage practice Curriculum planning and assessment now reflect the new statutory guidance on the Foundation Stage Curriculum and Profile The author reviews the implementation of the Foundation Stage and the Profile positive developments and areas which are still proving challenging New material is included on the broadening role of the foundation stage teacher in integrated multi disciplinary services and providing support in other settings The book has been updated to include recent findings from Effective Pedagogy projects and other research on learning styles The Foundation Stage Teacher is essential reading for all early years students and practitioners early years course tutors and teachers new to working with 3 5 year olds and also primary headteachers

The Foundation Stage Teacher in Action Margaret Edgington, 2004-10-13 A fully revised edition of the author s best selling book this resource now includes an extended section on leadership and managing the foundation stage

The Rôle of the Teacher in the Infant and Nursery School Dorothy E. M. Gardner, Joan E. Cass, 2014-05-15 The Role of the Teacher in the Infant and Nursery School covers chapters about the role of the teacher in primary school The book discusses the developments in English infant and nursery schools and of the teachers functions the acknowledgment of some other work in teaching field the scope and method of conducting the enquiry and results of the analysis of the most important motive behind the actions of the teachers The text describes the techniques used by different teachers techniques used by teachers of different age groups in the infant school and analysis of the teaching given in free choice periods under Subjects of the school curriculum The aspects of the teachers work which are relevant to informal teaching but on which evidence cannot be obtained by samples taken during periods of free occupation and some opinions of the teachers are also considered Educators especially those from the primary school will find the book invaluable

Education in Early Childhood Sue Robson, Sue Smedley, 1996 Aimed at student teachers this book provides an accessible but rigorous treatment of a wide range of early childhood education integrating ideas and practice

Mathematics in Early Childhood Oliver Thiel, Elena Severina, Bob Perry, 2020-11-05 Structured around Bishop s six fundamental mathematical activities this book brings together examples of mathematics education from a range of countries

to help readers broaden their view on maths and its interrelationship to other aspects of life Considering different educational traditions and diverse contexts and illustrating theory through the use of real life vignettes throughout this book encourages readers to review reflect on and critique their own practice when conducting activities on explaining counting measuring locating designing and playing Aimed at early childhood educators and practitioners looking to improve the mathematics learning experience for all their students this practical and accessible guide provides the knowledge and tools to help every child Playing Outdoors in the Early Years Ros Garrick,2004-04-29 As the curriculum for young children becomes increasingly differentiated this book suggests one means of integrating the learning experience at the primary level It explains how research focused on the ways in which young children learn supports arguments for an outdoor classroom that can provide a broad and balanced curriculum across all areas of learning *Early Years Education: Curriculum issues in early childhood education* Rod Parker-Rees,Jenny Willan,2006 This collection of papers provides a useful resource for scholars who need to ground their own study in a wider historical and global discourses concerning the education of children under eight Early Childhood Studies Rod Parker-Rees,Caroline Leeson,Jan Savage,Jenny Willan,2010-06-18 The third edition of this popular core text provides comprehensive and up to date coverage of the course content for Early Childhood Studies The contents list reflects the multi disciplinary and multi professional scope of the discipline and provides an overview of current issues and approaches Seven new chapters have been added including those on Frameworks for Understanding and Development Providing an Enabling Environment and Action Research Each chapter includes activities to help the reader engage with the text and advice on further reading **Enjoying Colors with Alphabet and Actions ,**
Getting Ready for Phonics Judith Harries,2013-06-20 Everyone agrees that an understanding of phonics is essential to cracking the code for reading Getting Ready for Phonics discusses early language development It focuses on the phonics debate and provides activities to support multi sensory learning environments for the teaching of phonological development in the Foundation Stage and early Key Stage 1 Early Childhood Tina Bruce,2010-01-20 Designed for students on Early Years Foundation Degrees and Early Childhood courses Early Years professionals and Teaching Assistants this engaging text provides a comprehensive introduction to the field of early childhood Written and edited by experts in the field the book clearly explains theory through illustrations of good practice with case studies reflective exercises and suggestions for further reading Additional case studies and reflective questions for student or lecturer s use can be found on the SAGE website Each chapter has been revised with an emphasis on encouraging reflective practice and there are new chapters on personal social and emotional development EYPS health and safeguarding children This brand new edition has also been updated in light of the new Early Years Foundation Stage and addresses the needs of students working towards Early Years Professional Status EYPS **Catalogue of Title Entries of Books and Other Articles Entered in the Office of the Register of Copyrights, Library of Congress, at Washington, D.C.** Library of Congress.
