

Most people in 6 South and Southeast Asian countries believe in God or unseen beings

% in each country who say they ...

Note: Respondents were asked separately if they believe in God or if they think there are unseen beings in the world, like deities or spirits.

Source: Survey conducted June 1-Sept. 4, 2022, among adults in six South and Southeast Asian countries. Read Methodology for details.

"Buddhism, Islam and Religious Pluralism in South and Southeast Asia"

Nusayrialawi Religion

Josef W. Meri

Nusayrialawi Religion:

The Nuṣayrī-ʿAlawīs Yaron Friedman, 2010 Friedman offers new and updated research on the Nusayr Alaw sect today a leading group in Syria covering a variety of aspects and focusing on the Middle Ages A century after Dussaud's *Histoire et religion des Nusayris* 1900 he reviews the history and religion of the sect in the light of old documents used by orientalist in the nineteenth century documents that became available in the twentieth century and later sources of the Nuṣayrī Alaw sect published most recently in Lebanon Also studied in depth for the first time is the question of the identity of the sect through the Alaw Sunn Sh triangle *Cycle of Fear* Leon Goldsmith, 2015-05-15 The Alawites are a key component to the current civil war in Syria Journalist Robert D Kaplan compared Hafez al Assad's coming to power to an untouchable becoming maharajah in India or a Jew becoming tsar in Russia an unprecedented development shocking to the Sunni majority population which had monopolized power for so many centuries 31 In 1971 al Assad declared himself president of Syria a position the constitution at the time permitted only for Sunni Muslims The author shows how the political behavior of Alawites has long been shaped by the group's insecurity and lack of true integration into society The Alawis of Syria Michael Kerr, Craig Larkin, 2015 A wide ranging exploration of the cultural and historical hinterland of Syria's powerful Shia minority **A History of the 'Alawis** Stefan Winter, 2016-09-20 The Alawis or Alawites are a prominent religious minority in northern Syria Lebanon and southern Turkey best known today for enjoying disproportionate political power in war torn Syria In this book Stefan Winter offers a complete history of the community from the birth of the Alawi Nusayri sect in the tenth century to just after World War I the establishment of the French mandate over Syria and the early years of the Turkish republic Winter draws on a wealth of Ottoman archival records and other sources to show that the Alawis were not historically persecuted as is often claimed but rather were a fundamental part of Syrian and Turkish provincial society Winter argues that far from being excluded on the basis of their religion the Alawis were in fact fully integrated into the provincial administrative order Profiting from the economic development of the coastal highlands particularly in the Ottoman period they fostered a new class of local notables and tribal leaders participated in the modernizing educational political and military reforms of the nineteenth century and expanded their area of settlement beyond its traditional mountain borders to emerge from centuries of Sunni imperial rule as a bona fide sectarian community Using an impressive array of primary materials spanning nearly ten centuries *A History of the Alawis* provides a crucial new narrative about the development of Alawi society **Cycle of Fear** Leon Goldsmith, 2015-05-15 In early 2011 an elderly Alawite shaykh lamented the long history of oppression and aggression against his people Against such collective memories the Syrian uprising was viewed by many Alawites and observers as a revanchist Sunni Muslim movement and the gravest threat yet to the unorthodox Shi'a sub sect This explained why the Alawites largely remained loyal to the Ba'athist regime of Bashar al Asad But was Alawite history really a constant tale of oppression and was the Syrian uprising of 2011 really an existential threat to the Alawites This book

surveys Alawite history from the sect's inception in Abbasid Iraq up to the start of the uprising in 2011. The book shows how Alawite identity and political behaviour have been shaped by a cycle of insecurity that has prevented the group from achieving either genuine social integration or long-term security. Rather than being the gravest threat yet to the sect, the Syrian uprising in the context of the Arab Spring was quite possibly a historic opportunity for the Alawites to finally break free from their cycle of fear.

The Plain of Saints and Prophets Gisela Procházka-Eisl, Stephan Procházka, 2010. The book is the first detailed study on the Nusayri Alawi community of Cilicia available in a Western language. The Alawis are an Arabic-speaking religious minority of ca. 300,000 people living in the Turkish provinces of Adana and Mersin. The book contains chapters devoted to the history of Alawi settlement, the community's identity and social structures and prejudices they have to face from the majority population. Also covered are religious practices like feasts and beliefs like metempsychosis. The heart of the book is an analysis of the numerous Alawi sanctuaries. Long-term field research enabled the authors to document a vital, highly mobile practice of saint veneration performed at continuously changing sacred places. Besides a catalogue of nearly 200 shrines and several detailed case studies, there are chapters on the age and origins of the sacred places, the rites performed there and the structure of the pilgrims. A major aim of the study is to present the local Alawi saint veneration in a broader Islamic context by describing the sacred landscape, analyzing current changes and tendencies and discussing the paramount role of women in the practice of saint veneration and in the perceived sacredness of the holy places.

Gods and Religions Saul Silas Fathi, 2023-12-22

Syria through Jihadist Eyes Nibras Kazimi, 2013-09-01. With field notes accumulated in a Syrian environment not generally hospitable to research and inquiry, Nibras Kazimi provides a unique view of the Syrian regime and its base at home, filling a void in our understanding of the intelligence barons and soldiers who run that country. He offers a look at the tactical propagandists and strategic ingredients required in jihadist eyes for a successful jihad and whether those ingredients are available in Syria.

Routledge Handbook of Minorities in the Middle East Paul S. Rowe, 2018-09-20. The Routledge Handbook of Minorities in the Middle East gathers a diverse team of international scholars, each of whom provides unique expertise into the status and prospects of minority populations in the region. The dramatic events of the past decade, from the Arab Spring protests to the rise of the Islamic state, have brought the status of these populations onto centre stage. The overturn of various long-term autocratic governments in states such as Tunisia, Egypt, Libya and Yemen, and the ongoing threat to government stability in Syria, Iraq and Lebanon, have all contributed to a new assertion of majoritarian politics amid demands for democratization and regime change. In the midst of the dramatic changes and latent armed conflict, minority populations have been targeted, marginalized and victimized. Calls for social and political change have led many to contemplate the ways in which citizenship and governance may be changed to accommodate minorities or, indeed, if such change is possible. At a time when the survival of minority populations and the utility of the label 'minority' has been challenged, this handbook answers the following set of research questions: What are the unique challenges

of minority populations in the Middle East How do minority populations integrate into their host societies both as a function of their own internal choices and as a response to majoritarian consensus on their status Finally given their inherent challenges and the vast sweeping changes that have taken place in the region over the past decade what is the future of these minority populations What impact have minority populations had on their societies and to what extent will they remain prominent actors in their respective settings This handbook presents leading edge research on a wide variety of religious ethnic and other minority populations By reclaiming the notion of minorities in Middle Eastern settings we seek to highlight the agency of minority communities in defining their past present and future *Alevi Identity* Tord Olsson, Elisabeth Ozdalga, Catharina Raudvere, 2005-09-30 Alawites cultural religious and social perspectives **Syrian Civil War** Robert M. Kerr, 2020-02-24 This invaluable resource provides students with a comprehensive overview of the Syrian Civil War with roughly 100 in depth articles by leading scholars on an array of key topics and several important primary source documents This important work provides a thorough introduction to the origins events and impact of the devastating Syrian Civil War illuminating the complexities and the consequences of this long lasting conflict From the emergence of the war in early 2011 following the Arab Spring that swept across the Middle East to the rise of the Islamic State ISIS through the re establishing of control of most of the country by Syrian president Bashar al Assad s armed forces by late 2018 this comprehensive work covers every aspect of this conflict that has devastated millions The book begins with a detailed overview of the Syrian Civil War that provides context to each of the reference entries that follow The introductory material also includes essays on the causes and consequences of the war Next comes the A Z reference entries on such topics as Bashar al Assad chemical weapons the refugee crisis the Battle of Saraqeb and White Helmets In addition the book includes about a dozen curated and contextualized primary source documents along with a comprehensive chronology and an extensive bibliography **Greater Syria** Daniel Pipes, 1992-03-26 While for many years scholars and journalists have focused on the more obvious manifestations of political life in the Middle East one major theme has been consistently neglected This is Pan Syrian nationalism the dream of creating a Greater Syria out of an area now governed by Syria Lebanon Israel Jordan and Turkey Though not nearly as well known as Arab or Palestinian nationalism and hardly studied in depth Pan Syrianism has had a profound effect on Middle Eastern politics since the end of World War I In Greater Syria the noted Middle East scholar Daniel Pipes provides the first comprehensive account of this intriguing important and little understood ideology **The Syrian Uprising** Raymond Hinnebusch, Omar Imady, 2018-02-02 Most observers did not expect the Arab spring to spread to Syria for a number of seemingly good reasons Yet with amazing rapidity massive and unprecedented anti regime mobilization took place which put the regime very much on the defensive what began as the Syrian Uprising in March 2011 has evolved into one of the world s most damaging and protracted conflicts Despite over six years having passed since the inception of the Syrian Uprising this phenomenon remains difficult to fully grasp both in terms of underlying forces and long term

implications This book presents a snapshot of how the Uprising developed in roughly the first two to three years 2011-2013 and addresses key questions regarding the domestic origins of the Uprising and its early trajectory Firstly what were the causes of the conflict both in terms of structure contradictions and crisis within the pre Uprising order and agency choices of the actors Why did the Uprising not lead to democratization and instead descend into violent civil war with a sectarian dimension With all 19 chapters addressing an aspect of the Uprising the book focuses on internal dynamics whilst a subsequent volume will look at the international dimension of the Uprising Taking an innovative and interdisciplinary approach that seeks to capture the full complexity of the phenomenon this book contributes significantly to our understanding of the Syrian conflict and will therefore be a valuable resource for anyone studying Middle Eastern Politics

Middle Eastern Minorities Ibrahim Zabad, 2017-03-27 This is a comprehensive survey of minorities in the Middle East with a special focus on the post Arab Spring era Minority communities in the Middle East are the most susceptible to the turbulence engulfing the region the majority may suffer physical violence and socioeconomic loss but minorities could potentially vanish Instead of ushering in democracy and inclusive politics the revolutionary upheavals have prompted chaos and fear and reinforced the resurgence of Islamic fundamentalism throughout the region Zabad uses historical sources as well as first hand interviews to vividly describe the current status of minorities in the Middle East explaining attitudes towards the revolutionary upheavals as well as the various strategies they used to avail themselves of the opportunities presented and to confront the risks posed The question of ethnic sectarian and religious minorities is situated in the context of the broader history of the region in order to explain the underlying institutional and ideological factors that caused their predicament and problematized their relationship with the majority The book provides a rich trove of information and insights generated from ten case studies that covered the Shia in Saudi Arabia Bahrain Lebanon and Egypt the Druze the Alawites Christians and Kurds in Syria the Copts in Egypt and the Zaydis in Yemen Nations without States James B.

Minahan, 1996-01-19 Russians are suppressing the Chechen Ibo nationalism may yet tear Nigeria apart With the end of the Cold War any of the world's stateless peoples could be in tomorrow's headlines This book provides an essential guide to the stateless nations suppressed or ignored during the Cold War In more than 200 national surveys the volume highlights the historical political social economic and diplomatic evolution of many of the currently emerging nations without states Including nations from all continents from the Chechen in Eastern Europe to the Ibo in Africa and the Quebeckers in North America the book addresses the current nationalist resurgence by focusing on the most basic element of any nationalism the nation itself The book provides the only source of concise information on stateless nations Each entry includes the nation's name and alternative names population statistics information on major languages and religions geographical information independence declarations information on the national flag a brief sketch of the primary national group or groups and a profile of the nation's history and national development to the present A chronological appendix of declarations of

independence helps to set the waves of nationalism in an historical context A second appendix provides a geographic listing by region and nation of national organizations **Medieval Islamic Civilization: L-Z, index** Josef W. Meri, 2006 Publisher description **Peacemaking, Religious Belief and the Rule of Law** Paul J. Zwier, 2017-12-14 This book offers a new way of understanding the role of the mediator in teaching parties the interrelationship between sustainable peace forgiveness and international justice It argues that the arrival of social media presents new opportunities for reaching sustainable peace agreements through their use in gathering the detailed information that can match victims and perpetrators of past atrocities The author aims to advance a more expansive understanding of the subjects and limitations of making peace in the shadow of international law by examining the concepts of mediation and forgiveness that exist alongside law To that end the book offers an account of the role of the mediator that emerges from the interplay between Ricoeurian imagination and forgiveness and predicts ever greater opportunities for making peace and protecting human rights that can be facilitated by a harnessing of social media as a tool for making peace with justice The author also aims to examine how strategies for sustaining the peace must combat the inevitable frustrations with democracy that can lead to a slide into dictatorship Assad Obama and the UN leadership and their decisions concerning making and maintaining peace in Syria are used as case studies to examine the interplay between a leaders religious beliefs faith in democracy and rule of law and impulses towards totalitarianism

Nonviolent Activism in Islam Hayat Alvi, 2021-08-18 In this book author Hayat Alvi's purpose and focus are to illustrate the legal basis for Islamic nonviolent activism as Maulana Abul Kalam Azad promoted and exemplified Maulana Azad's endorsement of nonviolent civil disobedience as a means to expel British colonial rule from India poses a strong counterargument against Islamist extremism and a legal precedent for nonviolent activism in Islam Millions of Indian Muslims participated under Maulana Azad and Mahatma Gandhi's leadership in nonviolent civil disobedience against the British Raj These facts indicate that there is such a thing as nonviolent activism in Islam Abul Kalam Azad introduced nonviolent Jihad in the form of civil disobedience As a legitimate religious authority trained as an Islamic jurist and scholar he endorsed Mahatma Gandhi's nonviolent civil disobedience and activism to free India from British colonial rule A highly respected Islamic scholar and jurist Maulana Azad's endorsement of nonviolent civil disobedience provides the legal precedent for nonviolent activism in Islam Contemporary Muslim leaders and activists can learn lessons from Maulana Azad's example and as Alvi's thoroughly researched book shows can be an argument against blind dogma extremism and militancy in the modern era *The Arab-American Handbook* Nawar Shora, 2008-10 Tune up your knowledge of the Arab and Muslim worlds with this easy to read text The Arab American Handbook contains useful reference material and comment by a wide variety of participants and observers The book includes a thumbnail history the essentials of Islam social insights cultural norms The perfect tool for teachers employers travelers law enforcement Government workers and the general public will find that they can quickly penetrate the stereotypes and misconceptions to appreciate the tenor and nuance of Arab and

Muslim life Without a better grasp of this subject the citizens of liberal democracies are unsafe at home and at a disadvantage in the global competition for hearts and minds **Medieval Islamic Civilization** Josef W. Meri, 2005-10-31
Medieval Islamic Civilization examines the socio cultural history of the regions where Islam took hold between the seventh and sixteenth century This important two volume work contains over 700 alphabetically arranged entries contributed and signed by international scholars and experts in fields such as Arabic languages Arabic literature architecture art history history history of science Islamic arts Islamic studies Middle Eastern studies Near Eastern studies politics religion Semitic studies theology and more This reference provides an exhaustive and vivid portrait of Islamic civilization including the many scientific artistic and religious developments as well as all aspects of daily life and culture For a full list of entries contributors and more visit www.routledge.com/middleages/Islamic

Nusayrialawi Religion Introduction

In today's digital age, the availability of Nusayrialawi Religion books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Nusayrialawi Religion books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Nusayrialawi Religion books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Nusayrialawi Religion versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Nusayrialawi Religion books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Nusayrialawi Religion books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Nusayrialawi Religion books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited

period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Nusayrialawi Religion books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Nusayrialawi Religion books and manuals for download and embark on your journey of knowledge?

FAQs About Nusayrialawi Religion Books

What is a Nusayrialawi Religion PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Nusayrialawi Religion PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Nusayrialawi Religion PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Nusayrialawi Religion PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Nusayrialawi Religion PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing

features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
