Talking, Drawing, Writing Martha Horn,Mary Giacobbe,2023-10-10 In the early grades talking and drawing can provide children with a natural pathway to writing yet these components are often overlooked In Talking Drawing Writing Lessons for Our Youngest Writers authors Martha Horn and Mary Ellen Giacobbe invite readers to join them in classrooms where they listen watch and talk with children then use what they learn to create lessons designed to meet children where they are and lead them into the world of writing The authors make a case for a broader definition of writing advocating for formal storytelling sessions in which children tell about what they know and for focused sketching sessions so that budding writers learn how to observe more carefully The book s lessons are organized by topic and include oral storytelling drawing writing words assessment introducing booklets and moving writers forward Based on the authors work in urban kindergarten and first grade classes the essence and structure of many of the lessons lend themselves to adaptation through fifth grade The lessons follow a consistent format What s going on

in the classroom What do children need to learn next Materials needed to teach the lesson Language used in each lesson Reasons behind why certain books are chosen and suggestions for additional children s books The authors show the thinking behind their teaching decisions and provide a way to look at and assess children s writing giving us much more than a book of lessons they present a vision of what beginning writing can look and sound like Perhaps most powerfully they give us examples of the language they use with children that reveal a genuine respect for and trust in children as learners

A Second Look Andie Peterson,2007-10-19 Four hundred twenty five books are reviewed in this superb collection A Second Look Native Americans in Childrens Books gives a thorough examination of the books as a guide for parents teachers librarians and administrators interested in books for children Anyone involved in selecting books will find this guide useful in working through the maze of available materials Andie Peterson one of the few women to be awarded an Eagle Feather has provided a meaningful criteria to help in judging books She outlines ways for objectively studying books to draw conclusions as to the suitability for the reader She writes candidly about books filled with stereotypes hurtful images and damaging text and illustrations She writes eloquent glowing reviews of the books that are real treasures She writes On a daily basis children must face the hidden curriculum that lets them know where they fit in whether they can achieve their goals whether they even dare to dream An overwhelming part of that hidden curriculum begins with books that are more narrative and illustrations they are books that carry a message of politics and values Andie advises that in selecting Native American books the non Native child must be considered also She counsels that hurtful books set in motion attitudes of prejudice that persist for years She states that she has reviewed books with older copyrights because they are still on the shelves in libraries and available via the Internet She says reading the older books helps to understand how adults have formed ideas about Native people She says After all if its in a book in the library people believe it to be true Its time to disturb the peace and end the ritual of damage A Second Look Native Americans in Childrens Books By Andie Peterson *Cliff Hanger* Jean Craighead George,2002-05-14 Despite the dangers of a thunderstorm Axel and his father make a difficult climb to rescue Axel s stranded dog

Braving It James Campbell,2017-05-09 The powerful and affirming story of a father s journey with his teenage daughter to the far reaches of Alaska Alaska s Arctic National Wildlife Refuge home to only a handful of people is a harsh and lonely place So when James Campbell s cousin Heimo Korth asked him to spend a summer building a cabin in the rugged Interior Campbell hesitated about inviting his fifteen year old daughter Aidan to join him Would she be able to withstand clouds of mosquitoes the threat of grizzlies bathing in an ice cold river and hours of grueling labor peeling and hauling logs But once there Aidan embraced the wild She even agreed to return a few months later to help the Korths work their traplines and hunt for caribou and moose Despite windchills of 50 degrees below zero father and daughter ventured out daily to track hunt and trap Under the supervision of Edna Heimo s Yupik Eskimo wife Aidan grew more confident in the woods Campbell knew that in traditional Eskimo cultures some daughters earned a rite of passage usually reserved for young

men So he decided to take Aidan back to Alaska one final time before she left home It would be their third and most ambitious trip backpacking over Alaska s Brooks Range to the headwaters of the mighty Hulahula River where they would assemble a folding canoe and paddle to the Arctic Ocean The journey would test them and their relationship in one of the planet s most remote places a land of wolves musk oxen Dall sheep golden eagles and polar bears At turns poignant and humorous Braving It is an ode to America s disappearing wilderness and a profound meditation on what it means for a child to grow up and a parent to finally fully let go **Snowboard Twist** Jean Craighead George,2004-10 While Axel his father Dag and his dog Grits are testing the snow in the Teton Mountains Glory Bowl Axel s snowboarding rival Kelly starts showing off and triggers an avalanche **The Publishers Weekly** ,2001 *American Book Publishing Record* ,2001 The Writers Directory ,2013
