Nutty But Nice:

Stoogeology Peter Seely, Gail W. Pieper, 2007-05-15 In the world of slapstick comedy few are more beloved than the Three Stooges Throughout their 190 short films they consistently delivered physical verbal and situational comedy in new and creative ways Following the trio from outer space to ancient Rome this volume provides an in depth look at their comedy and its impact on twentieth century art culture and thought This analysis reveals new insights into the language literary structure politics race gender ethnicity and even psychology of the classic shorts It discusses the elements of surrealism within the Stooges films exploring the many ways in which they created their own reality regardless of time and space The portrayal of women and minorities and the role of the mistake in Stooges works are also addressed Moreover the book examines the impact that the Columbia Studios style and the austerity of its Short Subjects Department had on the work of the Three Stooges films that ironically have outlasted more costly and celebrated productions *A Dictionary of Slang and Unconventional English* Eric Partridge, 2006-05-02 The definitive work on the subject this Dictionary available again in its eighth edition gives a full account of slang and unconventional English over four centuries and will entertain and inform all language lovers Yodel in Hi-Fi Bart Plantenga, 2013-02-08 Yodel in Hi Fi explores the vibrant and varied traditions of yodelers around the world Far from being a quaint and dying art yodel is a thriving vocal technique that has been perennially renewed by singers from Switzerland to Korea from Colorado to Iran Bart Plantenga offers a lively and surprising tour of yodeling in genres from opera to hip hop and in venues from cowboy campfires and Oktoberfests to film soundtracks and yogurt commercials Displaying an extraordinary versatility yodeling crosses all borders and circumvents all language barriers to assume its rightful place in the world of music If Wisconsin wasn't on the yodel music map before this book puts it there Wisconsin State Journal *Ladies Or Gentlemen* Jean-Louis Ginibre, 2005 From Greek drama through vaudeville and modern cinema nothing in the theatrical experience has ever guaranteed a laugh like a man in a dress This spectacular pictorial history examines the grand tradition of male cross dressing in the movies through more than 700 photos more than half of which are previously unpublished The screen's greatest stars from comedians like Buster Keaton and Peter Sellers to serious actors like Marlon Brando and Max von Sydow are pictured in everything from bustiers to ball gowns Just as in real life the cinematic motives for cross dressing are complex ranging from plot device I Was a Male War Bride and social commentary Tootsie to the simple sight gags of Laurel and Hardy The book explores these and myriad other reasons actors are coaxed out of dress suits and into dresses By turns provocative serious and silly Ladies or Gentlemen is a delightful study of a seldom explored facet of cinema history **A Wild Perfection** James Wright, 2005-08-17 The life and work of a major American poet described in his own words There is something about the very form and occasion of a letter the possibility it offers the chance to be as open and tentative and uncertain as one likes and also the chance to formulate certain ideas very precisely if one is lucky in one's thoughts wrote James Wright one of the great lyric poets of the last century in a letter to a

friend A Wild Perfection is a compelling collection that captures the exhilarating and moving correspondence between Wright and his many friends In letters to fellow poets Donald Hall Theodore Roethke Galway Kinnell James Dickey Mary Oliver and Robert Bly Wright explored subjects from his creative process to his struggles with depression and illness A bright thread of wit gallantry and passion for describing his travels and his beloved natural world runs through these letters which begin in 1946 in Martin s Ferry Ohio the hometown he would memorialize in verse and end in New York City where he lived for the last fourteen years of his life Selected Letters is no less than an epistolary chronicle of a significant part of the midcentury American poetry renaissance as well as the clearest biographical picture now available of a major American poet **Things**
