Payment Systems in Global Perspective Maxwell J. Fry,1999-03-25 This book provides an authoritative overview of the complex practical and policy implications of international payments systems by central bankers from both developed and developing countries Payments Systems in Global Perspective presents the results of a survey of international central bank practice conducted by the Bank of England **Cyberlaw for Global E-business: Finance, Payments and Dispute**

Resolution Kubota, Takashi,2007-12-31 Examines cyberlaw topics such as cybercrime and risk management electronic trading systems of securities digital currency regulation jurisdiction and consumer protection in cross border markets and international bank transfers **Commercial Law in a Global Context:Some Perspectives in Anglo-Japanese Law**

Yutaka Tajima,Fiona Macmillan,1998-07-20 This unique work consists of a selection of key papers presented at the first Anglo Japanese Comparative Law Conference held at Jesus College Cambridge in September 1996 The conference was organised under the auspices of the Institute of Advanced Legal Studies University of London the University of Tsukuba Japan and Murdoch University in Australia The conference brought together a number of leading business lawyers from around the world who discussed the impact of globalisation on commercial law If the internalisation of trade and business has produced problems for lawyers the impact of globalisation particularly in such areas as the capital markets has proved to be even more problematic The implications for all those who operate in the commercial and financial sectors and for those who advise them of developments in the nature and character of the markets are increasingly significant The publication will be of particular interest to academics those involved in trans national business and legal practitioners Smart and

Sustainable Solutions: Global Perspectives on Computer Science and Business Management Prof. (Dr.) Ajay Sharma,Mr. Kapil Saini,Dr. Neeraj Rana,Prof.(Dr.) Vivek Rastogi, Dr. Poonam,2025-04-21 **Law and Regulation of Mobile Payment**

Systems Joy Malala,2017-11-28 Over the last ten years mobile payment systems have revolutionised banking in some countries in Africa In Kenya the introduction of M Pesa a new financial services model has transformed the banking and financial services industry Giving the unbanked majority access to the financial services market it has attracted over 18 million subscribers which is remarkable given that fewer than 4 million people in Kenya have bank accounts This book addresses the legal and regulatory issues arising out of the introduction of M Pesa in Kenya and its drive towards financial inclusion It considers the interaction between regulation and technological innovation with a particular focus on the regulatory tools institutional arrangements and government decisional processes through the examination as a whole of its regulatory capacity This is done with a view to understanding the regulatory capacity of Kenya in addressing the vulnerabilities presented by technological innovation in the financial industry for consumers after financial inclusion It also examines the way that mobile payments have been regulated by criticising the piecemeal approach that the Central Bank of

Kenya has taken in addressing the legal and regulatory issues presented by mobile payments The book argues there are significant gaps in the regulatory regime of mobile banking in Kenya **Global Perspectives in FinTech** Hung-Yi Chen,Pawee Jenweeranon,Nafis Alam,2022-10-03 FinTech is an emerging field and most of the existing literature appears in the form of industry reports consulting reports working papers and policy recommendations Although FinTech has been widely discussed for many years there is a paucity of literature on some categorizations of FinTech This edited volume distinguishes itself by focusing on academic works of scholars with a different area of specialization in the FinTech field including technology innovation and regulation In particular the book focuses on the laws and technologies necessary to comprehend the role of the legal system in technological innovations and will be helpful for regulatory policymaking A practical compendium that explains concepts and follows through on applications in FinTech including its challenges and evolving nature this book will be of interest to students scholars practitioners as well as regulators and policy makers
