Radical And Evangelical:

The Radical Evangelical Nigel G. Wright, 2016-08-31 The gospel we profess is the most radical power on earth reaching to the depths of our personal social and political existence It needs a radical people to embody and proclaim it This book examines the nature of evangelical theology dealing with areas of persistent disagreement and controversy such as the status of the Bible the nature of Christ's achievement on the cross and the meaning of hell It offers a new way forward that remains committed to the fundamentals of faith while retaining a flexible response to the challenges of the future **Exvangelical**

and Beyond Blake Chastain, 2024-09-24 A pioneer of the exvangelical movement examines how toxic right wing beliefs took over American Christianity and why people are leaving the church and speaking out against it With the rise of Trumpism the American evangelical movement has more political influence than ever yet at the same time people are leaving Christianity in record numbers Why are so many people walking away from the right wing religion they were raised in and what are they doing to overcome the past Writer and podcaster Blake Chastain is uniquely positioned to understand this phenomenon Raised evangelical he went to a Christian college intending to become a pastor until he found himself unable to reconcile his faith with the prejudice and even abuse he saw being done in God's name He created the popular hashtag exvangelical and the hit podcast of the same name and soon became part of a growing movement of people walking away from toxic religion and using the unique tools of the internet to speak out find healing and build new communities In *Exvangelical and Beyond* Chastain delves into evangelicalism's deep roots in American politics and society and explains why and how so many Christians and ex Christians are forging a new path online Blending history personal narrative and incisive analysis this is a must read for anyone who has left the church is deconstructing their own faith or simply wants to understand religious culture in America *Transformation After Lausanne* Al Tizon, 2008 Lausanne 74 inspired evangelicals around the world to take seriously the full implications of the Gospel for mission This was especially true of a worldwide network of radical evangelical mission theologians and practitioners whose post Lausanne reflections found harbour in the notion of Mission as Transformation This missiology integrated evangelism and social concern like no other and it lifted up theological voices coming from the Two Thirds World to places of prominence This book documents the definitive gatherings theological tensions and social forces within and without evangelicalism that led up to Mission as Transformation And it does so through a global local grid that points the way toward greater holistic mission in the 21st century **BOOK JACKET Evangelical**

Dictionary of Theology Walter A. Elwell, 2001-05 This thoroughly updated edition of a standard reference tool covers systematic historical and philosophical theology as well as theological ethics **Radical Christian Voices and Practice** Zoë Bennett, David B. Gowler, 2012-01-26 Sixteen new essays by a team of leading international scholars on the theme of the Bible and its reception and appropriation in the context of radical practices and an exposition of the imaginative possibilities of radical engagement with the Bible in inclusive social contexts **Aspects of the Canadian Evangelical Experience**

George A. Rawlyk, 1997 *Aspects of the Canadian Evangelical Experience* explores Canadian evangelicalism in the nineteenth and twentieth centuries placing it within historical cultural and theological frameworks from publisher description

How to be Evangelical Without Being Conservative Roger E. Olson, 2008 In recent years the American media have portrayed the evangelical movement as a conservative force in society equating it with fundamentalism Many people equate evangelical Christianity with conservatism in religion politics theology and social attitudes But is this the whole story of evangelicalism Roger Olson's new book sets forth evidence that the link between evangelicalism and conservatism has not always been as strong as it is today in the popular mind Olson shows how contemporary

Is Jesus Your Personal Saviour? George A. Rawlyk, 1996 What emerges in this groundbreaking and often controversial book is a complex richly textured picture of a vibrant form of populist Christianity as experienced and practised by rank and file evangelicals Is Jesus Your Personal Saviour will inspire serious debate about the complex nature of Canadian evangelicalism in the 1990s

Treacherous Faith David Loewenstein, 2013-08-29 *Treacherous Faith* is a major study of heresy and the literary imagination from the English Reformation to the Restoration It analyzes both canonical and lesser known writers who contributed to fears about the contagion of heresy as well as those who challenged cultural constructions of heresy and the rhetoric of fear mongering

Christian Masculinity Yvonne Maria Werner, 2011 In the mid nineteenth century when the idea of religion as a private matter connected to the home and the female sphere won acceptance among the bourgeois elite Christian religious practices began to be associated with femininity and soft values Contemporary critics claimed that religion was incompatible with true manhood and today's scholars talk about a feminization of religion But was this really the case What expression did male religious faith take at a time when Christianity was losing its status as the foundation of society This is the starting point for the research presented in *Christian Masculinity* Here we meet Catholic and Protestant men struggling with and for their Christian faith as priests missionaries and laymen as well as ideas and reflections on Christian masculinity in media fiction and correspondence of various kinds Some men engaged in social and missionary work or strove to harness the masculine combative spirit to Christian ends while others were eager to show the male character of Christian virtues This book not only illustrates the importance of religion for the understanding of gender construction but also the need to take into consideration confessional and institutional aspects of religious identity

Progressive Evangelicals and the Pursuit of Social Justice Brantley W. Gasaway, 2014 *Progressive Evangelicals and the Pursuit of Social Justice*

Introducing Christian Mission Today Michael W. Goheen, 2014-07-14 Michael Goheen gives us a full scale introduction to mission studies today in its biblical theological and historical dimensions Goheen covers the full horizon of major issues in mission including its global urban and holistic contexts This text shows how the missional church encounters the pluralism of Western culture and global religions

The New Cambridge History of the Bible: Volume 4, From 1750 to the

Present John Riches, 2015-04-13 This volume examines the Bible's role in the modern world beginning with a treatment of its production and distribution that discusses publishers printers text critics and translators and continuing with a presentation of new methods of studying the text that have emerged including historical literary social scientific feminist postcolonial liberal and fundamentalist readings There is a full discussion of the changes in understandings of and approaches to the Bible in various faith communities The dissemination of the Bible throughout the globe has also produced a host of new interpretations and this volume provides a comprehensive geographical survey of its reception In the final chapters the authors offer a thematic overview of the Bible in relation to literature art film science and other disciplines They demonstrate that in spite of challenges to the Bible's authority in western Europe it remains highly relevant and influential not least in the Americas Africa and Asia Prophetic Evangelicals Bruce Ellis Benson, Malinda Elizabeth Berry, Peter Goodwin Heltzel, 2012-02-03 In this inaugural Prophetic Christianity volume fifteen contributors share their visions for a biblically centered culturally engaged and historically infused evangelicalism Interacting with a wide variety of influential thinkers they articulate several approaches to creating a socially responsible gospel centric and ecumenical evangelical identity Contributors Raymond C Aldred Vincent Bacote Bruce Ellis Benson Malinda Elizabeth Berry Chris Boesel John R Franke David Gushee Peter Goodwin Heltzel Pamela Lightsey Cherith Fee Nordling Ruth Padilla DeBorst Gabriel Salguero Helene Slessarev Jamir Christian T Collins Winn Telford Work **Symposium on Social Action (JCR Vol. 08 No. 01)** Kerby Anderson, David Chilton, Edward Coleson, Ricky Cotton, Vern Crisler, Michael Gilstrap, Archie Jones, George M. Marsden, James M. Peters, Tommy W. Rogers, Tom Rose, John Whitehead, In a thought provoking exploration of the historical tension between fundamentalist beliefs and social action the narrative delves deep into the roots of mistrust that have shaped American perspectives over the years With incisive analysis and sharp wit the book challenges traditional notions of engagement social within evangelical circles shedding light on the complexities of theological conservatism in a rapidly changing world From the struggles of the Great Reversal to the modern day debates on liberalism and activism this book offers a fresh perspective on the intersection of faith and social responsibility Through a rich tapestry of historical anecdotes theological reflections and contemporary critiques the reader is invited to reconsider long held assumptions and explore the potential for a more nuanced understanding of Christian social action A must read for those seeking to navigate the complexities of faith and societal engagement in today's world 'Ethos' and the Oxford Movement James Pereiro, 2008 A revisionist assessment of the Oxford Movement James Pereiro's rediscovery of a so far neglected concept fundamental to Tractarian thinking provides a deeper understanding of Tractarian intellectual developments and the historical events surrounding the Movement The Other Evangelicals Isaac B. Sharp, 2023-04-18 What's the first thing that comes to mind when you hear evangelical For many the answer is white patriarchal conservative or fundamentalist but as Isaac B Sharp reveals the big tent of evangelicalism has historically been much bigger than we've been led to believe In *The Other Evangelicals* Sharp brings to light the stories

of those twentieth century evangelicals who didn't fit the mold including Black feminist progressive and gay Christians. Though the binary of fundamentalist evangelicals and modernist mainline Protestants is taken for granted today, Sharp demonstrates that fundamentalists and modernists battled over the title of evangelical in post World War II America. In fact, many ideologies characteristic of evangelicalism today, such as biblical womanhood and political conservatism, arose only in reaction to the popularity of evangelical feminism and progressivism. Eventually, history was written by the winners: the Billy Grahams of American religion, while the losers were expelled from the movement via the establishment of institutions such as the National Association of Evangelicals.

Carefully researched and deftly written, *The Other Evangelicals* offers a breath of fresh air for scholars seeking a more inclusive history of religion in America.

Evangelicals Mark A. Noll, David W. Bebbington, George M. Marsden, 2019-11-25

The past, present, and future of a movement in crisis. What exactly do we mean when we say evangelical? How should we understand this many-sided world religious phenomenon? How do recent American politics change that understanding? Three scholars have been vital to our understanding of evangelicalism for the last forty years: Mark Noll, whose *Scandal of the Evangelical Mind* identified an earlier crisis point for American evangelicals; David Bebbington, whose *Bebbington Quadrilateral* remains the standard characterization of evangelicals used worldwide; and George Marsden, author of the groundbreaking *Fundamentalism and American Culture: The Shaping of Twentieth Century Evangelicalism*. Now, in *Evangelicals*, they combine key earlier material concerning the history of evangelicalism with their own new contributions about present controversies and also with fresh insights from other scholars. The result begins as a survey of how evangelicalism has been evaluated but then leads into a discussion of the movement's perils and promise today. *Evangelicals* provides an illuminating look at who evangelicals are, how evangelicalism has changed over time, and how evangelicalism continues to develop in sometimes surprising ways.

Radical And Evangelical Introduction

In today's digital age, the availability of Radical And Evangelical books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Radical And Evangelical books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Radical And Evangelical books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Radical And Evangelical versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Radical And Evangelical books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Radical And Evangelical books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Radical And Evangelical books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated

to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Radical And Evangelical books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Radical And Evangelical books and manuals for download and embark on your journey of knowledge?
