Radical Prayer David J. Hassel, 1984 The Soul Also Keeps the Score Robert W. McChesney, SJ, 2025-05-15 Gain insights into the intersection of Ignatian spirituality and mental health in the healing of trauma Research suggests that up to 70% of adults will experience a traumatic event in their lifetime But where does this affliction reside The bestselling book The Body Keeps the Score introduced readers to the neurobiology of trauma demonstrating how terror and isolation inhabit and reshape both brain and body But what about trauma s effects on the soul In The Soul Also Keeps the Score Jesuit counselor and chaplain Father Robert McChesney argues that psychology must be complemented by insights from the discipline of spirituality In this pioneering work McChesney interprets the classic sixteenth century mystical text of the Spiritual Exercises as born in violence to the body and soul of their author the traumatized battle wounded turned saint Ignatius of Loyola Grounded in Ignatius s colorful narrative and influential pathway to God McChesney insists that the two languages of mental health and spirituality can speak in one voice Whether you are a spiritual pastoral or mental health professional member of the care circle or wounded seeker The Soul Also Keeps the Score unlocks a treasure trove of fresh insight and hope **A Serenity Journal** Rita Esposito Watson, 2000 A prayer journal based on 52 weeks of the year in which persons can record their thank you s wishes or needs and miracles **Celebration of Discipline** Richard J. Foster, 1988-10-05 In the twenty years since its publication Celebration of Discipline has helped over a million seekers discover a richer spiritual life infused with joy peace and a deeper understanding of God For this special twentieth anniversary edition Richard J Foster has added an introduction in which he shares the story of how this beloved and enduring spiritual guidebook came to be Hailed by many as the best modern book on Christian spirituality Celebration of Discipline explores the classic Disciplines or central spiritual practices of the Christian faith Along the way Foster shows that it is only by and through these practices that the true path to spiritual growth can be found Dividing the Disciplines into three movements of the Spirit Foster shows how each of these areas contribute to a balanced spiritual life The inward Disciplines of meditation prayer fasting and study offer avenues of personal examination and change The outward Disciplines of simplicity solitude submission and service help prepare us to make the world a better place The corporate Disciplines of confession worship guidance and celebration bring us nearer to one another and to God Foster provides a wealth of examples demonstrating how these Disciplines can become part of our daily activities and how they can help us shed our superficial habits and bring the abundance of God into our lives He offers crucial new insights on simplicity demonstrating how the biblical view of simplicity properly understood and applied brings joy and balance to our inward and outward lives and sets us free to enjoy the provision of God as a gift that can be shared with others The discussion of celebration often the most neglected of the Disciplines shows its critical importance for it stands at the heart of the way to Christ Celebration of Discipline will help motivate Christians everywhere to embark on a journey of prayer and spiritual growth Richard

Child of the Light Beth A. Richardson,2005-08-01 If the Christmas season has become more of a chaotic consumer ritual rather than a nurturing spiritual time you need this brilliant Advent survival guide If you set aside just 10 minutes per day **Child of the Light** will help you find your quiet center amid the stressful flurry of the November December busyness As you read the book's brief readings inspired by the season's carols and hymns your spirit will be lifted and your thoughts will be redirected to the purpose of the season preparing for the coming of Christ Take time for God that's exactly the challenge God gives us during this season of preparation writes Richardson Personally and culturally this time of year already seems to race out of control toward a Christmas finish line In Advent we are invited to take time out In doing so we nurture our spiritual self that sometimes fragile part of us who longs for a connection with God The reflections extend past Christmas to Epiphany January 6 encouraging you to live into the joy of Christmas beyond traditional seasonal celebrations A 5 week study guide is included at the back of the book offering a simple structure for meetings centering reflecting reading scripture going deeper and closing The use of hymns and carols will engage even the most nonmusical among us to fully appreciate the lyrical richness of the season Do you long for a more sacred and measured observance this year Be joyfully carried through the pre and post Christmas pandemonium as a child of the light
