Radically Committed Jim Burns, 1991 **Seven Principles of Ministry for the Average, Radical Christian** James Cunneen, 2011-04-01 Go and make disciples It s one of the most familiar phrases in the Bible but one of the most puzzling and challenging to see fulfilled How does one make a disciple What s the cost What s the reward Why do so many Christians struggle with this Great Commission directive from the Lord This book presents seven clear biblical principles of ministry for serious Christians who want to have significant personal ministries It gives encouragement motivation and practical instruction for success in making disciples for Jesus Christ These are principles such as Be what you want others to be Give your life to people not just your knowledge and Don t use people to build your ministry use your ministry to build people This book will deepen your appreciation for the power of lay ministry and help you be a disciple maker for Christ right where you are

Maximum Discipleship/Radical Results John F. McGeorge, Jr., 2003-05 **From His Lips on Marriage** Zacharias Tane Fomum, Are you ready to embrace God s purpose for your marriage In *From His Lips on Marriage* Professor Zacharias Tane Fomum delivers a heartfelt guide to building a marriage that reflects God s design Through engaging stories from experience decades of ministry marital counseling and deeply reflective calls to action this book provides practical spirit filled wisdom on choosing the right partner raising godly children cultivating unity and navigating the challenges of married life with faith and purpose Perfect for devotional reading *From His Lips on Marriage* is a must read for anyone seeking to strengthen their marriage or prepare for this sacred journey Transform your relationship into a testimony of God s love today

Laws of Spiritual Leadership Zacharias Tane Fomum, 1901 The choice of leadership among God s people is God s sole prerogative In this book *Laws of Spiritual Leadership* Professor Z T Fomum convincingly shows from Scriptures why God chooses certain people as well as the kind of people He chooses for leadership The content carries a strong voice of Scripture on simple down to earth godly leadership principles with examples from both the Old and New Testaments Both the aspiring as well as those already involved in Christian leadership will find their lot The leader must set and maintain a leadership gap between himself and those he is leading The author suggests twelve such domains in which the potential leader should seek and establish distinction For no one can honestly lead from behind You cannot lead those who are ahead of you in the knowledge and pursuit of God Never Leadership is a call to give God to the people This will be a priceless gift for your leader

The Letter in Black Radical Thought Tendayi Sithole, 2023-05-02 In *The Letter in Black Radical Thought* Tendayi Sithole unmasks the logics of dehumanization in the terrain of black radical thought by looking at the letter as the site of examination and political intervention Through his expansive demonstration and original argument he analyzes the letters of Sylvia Wynter Assata Shakur George Jackson A me C saire and Frantz Fanon Through illuminating critical takes by these black radical thinkers Sithole orchestrates a thematic approach revealing the challenges to dehumanization which emerge in these letters All the afore mentioned figures are read anew through the typology of the letters they have penned This

typology consists of epistemic fugitive intramural and resignation letters The Letter in Black Radical Thought shows how these letters confront and combat dehumanization in novel ways The Complete Works of Zacharias Tanee Fomum on Leadership (Volume 4) Zacharias Tanee Fomum, The Complete Works of Zacharias Tanee Fomum on Leadership Volume 4 contains the following books Laws of Spiritual Leadership The Ministers and Ministry of the New Covenant You Your Team and Your Ministry Leading a Local Church Volume 1 Making Spiritual Progress Volume 2 Spiritual leadership does not happen by accident It is not a haphazard thing There is a science behind spiritual leadership Travel with the author through this systematic science outlined in the laws of spiritual leadership While following this sweet science of leadership do not forget to take care of the horse that is drawing the cart If the cart is taken so much care of and none is given to the horse the horse may get sick and die and the cart will no longer be drawn and the journey will stall The leader must take care of his body to keep it fit for service The apostle Paul says For physical training is of some value 1 Timothy 4 8a He must take care of his soul spirit and heart to keep them in Christ Philippians 4 7 The author tacitly brings into the equation how to lead a local church When the Good Samaritan offered first aid to the man who was attacked and severely wounded by armed robbers on the highway from Jerusalem to Jericho he did not leave him there He took him to an inn where they took proper care of him over a long period of time The local church is the best place where to keep your people safe as you lead them toward destiny It is the surest and most secure place on planet Earth where to retain the people as you lead them into God s purposes Why Rage as they may the gates of hell cannot and can never overcome the church Matthew 16 18 We send this fourth volume on leadership out with a cry to the Lord that He should use it to build many into leaders of His people capable of leading them into the totality of His purposes in this generation and beyond **Radical Discipleship** Hensworth W. C. Jonas, 2024-03-04 Pastor Hensworth Jonas challenges professing Christians to real discipleship living out Christ s call to stand out in a hostile sinful world The Honest to God Church Doug Bixby, 2007-06-27 Doug Bixby knows that many of us have had enough of the liberal vs conservative battles in the church In The Honest to God Church Bixby demonstrates how these extremes have distracted us from our true calling as conduits for God s grace both individually and as congregations Many churches see themselves as okay while everyone outside the church is not okay These churches embrace an ethic of perfection rather than love Often they are very judgmental and rigid little room exists for grace after a person is converted Legalism rather than love becomes the primary defining characteristic people pretend to be perfect even though they are not In reaction to this approach many churches have replaced judgmentalism with an ethic of tolerance But tolerating someone is not the same thing as loving them Tolerance demands only that we give people space Love is deeper and more significant and demands that we enter into their space Besides if on our own we are okay then why do we need God and one another Bixby recommends we embrace the teaching of Martin Luther that we all are saints and sinners simultaneously Churches that do this raise disciples who readily admit their sin and brokenness and see God s grace as the only means for

straightening out their lives Bixby encourages all congregations to live this way authentically and transparently so that we do not have to pretend that we are okay when we are not Bixby challenges us to respond to Jesus's call to come as we are not as we think we ought to be
