maintained a closely guarded orthodoxy which has always served as the basis and center of all Christianity Yet it is as if all of that has been just arbitrarily swept away in the few years since Vatican II Given what the Church has always taught about itself being indefectible how could this have happened Did that Council have something to do with that terrible loss of faith Can the real Catholicism be found today and if so where The shocking answer to this once seen and truly understood is as every bit as glorious as the original resurrection of Christ Himself a tremendous source of faith and inspiration It is a broad based longstanding miracle passing right before our eyes have we but the Grace to see it for what it is **Radio Replies -**

MarieAlena Castle,2018-04-17 A lifelong political activist gives an insiders view of how the political system works so opponents of President Donald Trump can use their knowledge to end the culture war and set a progressive agenda in Divided We Fall In the book an updated edition of Culture Wars The Threat to Your Family and Your Freedom Marie Alena Castle openly challenges the harm done in the name of religion which she says is at the heart of our culture war The book examines how religious extremists elected Trump and takes them to task for not caring who gets hurt as long as their religious ideology or social fantasy that pushes some primal button in their psyche is validated Unlike other books critical of the role religion plays in politics this one reveals how to counter the danger based on the authors long history of political activism She has a been there done that perspective and knows what works and what doesnt Whether youre a believer atheist or fall somewhere else on the spiritual spectrum youll want to learn how religion is changing the political landscape This is an engaging compelling and important book The public is so unaware how fragile our constitutional rights are The book reminds me of our military men and women who return to the states as amputees and then speak strongly against intolerance because they understand thats what the fight was all about Andrew Dawkins Minneapolis MN Attorney former Minnesota state legislator The authors grasp of theology and understanding of its irrelevance to how we live are impressive

This is rare in books about religion making this a valuable contribution to discussions of the role of religion in public life Kirk Buchanan Yucca Valley CA Former Roman Catholic priest We have to stop Marie from writing Panic attack by Roll over and play dead advocate reacting to authors fearless opposition to religious right assaults on our liberties Culture Wars Marie Castle,2013-04-01 Boldly stated and passionately supported this argument against religious influence on the American government and legal system analyzes the impact that religion has on culture in the United States The book makes the claim that many laws based on religious beliefs specifically theology promoted in the Middle Ages are misattributed as long standing social values and that changing the theology itself threatens the religious institution supporting it igniting a cultural war engulfed in fear and resulting in political dysfunction It reveals that from sexuality to family planning and the tax system religious doctrines permeate and direct American life without accounting for the differing views of individuals and in response the author provides strategies for overcoming the imposition of external religious views and demonstrates the value in standing up for a secular nation where morality is not tied to one particular religious group **Radio Replies, First**
