Ragtime Tumpie:

Ragtime Tumpie Alan Schroeder, 2009-12-19 One of the most colorful periods in American history is vividly brought to life in this stirring account of Josephine Baker's childhood Tumpie inspired by the vivacious ragtime music of turn of the century St Louis dreams of escaping her life on Gratiot Street and becoming a famous honky tonk dancer Her determination pluck and exuberance will have children clapping tapping and rooting for her from the beginning *Ragtime Tumpie* , **Music through Children's Literature** Donna Levene, 1993-05-15 Develop music appreciation among your students with folk songs rhythmic poems stories with musical themes and picture books with strong musical links Designed for teaching flexibility these lessons can be adapted according to a teacher's level of musical proficiency and time limitations Sections cover rhythm melody form instruments music history and dance forms with lively activities that involve singing playing instruments chanting and movement These are perfect for the nonmusician who is teaching music as well as the seasoned music specialist **Embracing, Evaluating, and Examining African American Children's and Young Adult Literature** Wanda M. Brooks, Jonda C. McNair, 2008 Serious scholarship on African American children's and young adult literature is a relatively recent phenomenon To date only a handful of book length works aside from doctoral dissertations have been devoted to the exploration of this body of work and the historical works that are at its foundation Embracing Evaluating and Examining African American Children's and Young Adult Literature features 12 original essays that present research related to African American children's literature books intended for youth that are written by and about African Americans conducted by scholars from leading academic institutions Editors Wanda M Brooks and Jonda C McNair offer a bouquet of diverse perspectives on African American children's and young adult literature focusing attention on texts on readers and on pedagogical strategies that have the potential to bring the texts and the readers together Beginning with a foreword by one of the leading scholars in the field of African American children's and young adult literature Rudine Sims Bishop the varied disciplinary perspectives put forth in this book will inspire others to embrace evaluate and examine African American children's and young adult literature for many years to come **Fearless Girls, Wise Women & Beloved Sisters** Kathleen Ragan, 2025-04-25 One hundred great folk tales and fairy tales from all over the world about strong smart brave heroines Dismayed by the predominance of male protagonists in her daughters books Kathleen Ragan set out to collect the stories of our forgotten heroines Gathered from around the world from regions as diverse as sub Saharan Africa and Western Europe from North and South American Indian cultures and New World settlers from Asia and the Middle East these 100 folktales celebrate strong female heroines Fearless Girls Wise Women and Beloved Sisters is for all women who are searching to define who they are to redefine the world and shape their collective sensibility It is for men who want to know more about what it means to be a woman It is for our daughters and our sons so that they can learn to value all kinds of courage courage in battle and the courage of love It is for all of us to help build a more just vision of woman Families in Children's

Literature Nancy LE Cecil, Patricia Roberts, 1998-02-15 Using quality children's literature that presents families positively and promotes appreciation of family diversity this book offers you a unique way to help students understand the common complexities of today's families Books are grouped into four major categories diverse family groups family heritage and tradition relationships within families and family conflicts Within these areas books are chosen for specific topics ranging from Death in the Family to Homelessness For each title there are questions for reflection and discussion and a target activity that reinforces the concepts presented in the book **Le Québec et l'Ontario de Via** Collectif, 1997-09-03

Doing History Linda S. Levstik, Keith C. Barton, 2011-01-26 Now in its fourth edition this popular text offers a unique perspective on teaching and learning history in the elementary and middle grades Through case studies of teachers and students in diverse classrooms and from diverse backgrounds it shows children engaging in authentic historical investigations often in the context of an integrated social studies curriculum The central assumption is that children can engage in valid forms of historical inquiry collecting and data analysis examining the perspectives of people in the past considering multiple interpretations and creating evidence based historical accounts In each chapter the authors explain how the teaching demonstrated in the vignettes reflects basic principles of contemporary learning theory thus providing specific examples of successful activities and placing them in a theoretical context that allows teachers to adapt and apply them in a wide variety of settings New in the Fourth Edition Expanded coverage of world history in two new chapters Integration of new technologies to support history instruction Updated classroom examples bibliographies and references *Young at Art* Susan Striker, 2011-04-01 From the creator of the bestselling Anti Coloring Book series with more than 600 000 copies sold a new parenting guide to encouraging creativity in preschool age children *Young at Art* is the first and only comprehensive book for the general audience about the nature value and impact of art on very young children Directed towards parents and educators of one to five year olds Susan Striker explains why children's art is not a frill but the very foundation upon which all later fundamental skills are built She drives home the idea that encouraging children's artistic growth will have beneficial effects on all other aspects of their emotional and intellectual development At the core of this practical guide is the understanding that art is an important tool in teaching young children crucial concepts related to self expression reading and writing As opposed to more structured exercises such as coloring on dittos and underlining pictures in workbooks Striker stresses that scribbling and free drawing experiments are the most important art activities a child can engage in they better prepare children to read independently as they grow *Young at Art* provides descriptions for age appropriate art activities tips for carrying them out safely and helps parents recognize what a child's art work should look like at each stage of development With *Young at Art* parents will develop realistic expectations of their children's work learn how to speak to their children about their art and facilitate skills well beyond their creativity that will benefit children **Josephine Baker** Alan Schroeder, Heather Lehr Wagner, 2009 A biography of Josephine Baker **What Writing Does and How It Does It** Charles

Bazerman, Paul Prior, 2003-12-08 *In What Writing Does and How It Does It* editors Charles Bazerman and Paul Prior offer a sophisticated introduction to methods for understanding studying and analyzing texts and writing practices This volume addresses a variety of approaches to analyzing texts and considers the processes of writing exploring textual practices and their contexts and examining what texts do and how texts mean rather than what they mean Included are traditional modes of analysis rhetorical literary linguistic as well as newer modes such as text and talk genre and activity analysis and intertextual analysis The chapters have been developed to provide answers to a specified set of questions with each one offering a preview of the chapter's content and purpose an introduction to basic concepts referring to key theoretical and research studies in the area details on the types of data and questions for which the analysis is best used examples from a wide ranging group of texts including educational materials student writing published literature and online and electronic media one or more applied analyses with a clear statement of procedures for analysis and illustrations of a particular sample of data and a brief summary suggestions for additional readings and a set of activities The side by side comparison of methods allows the reader to see the multi dimensionality of writing facilitating selection of the best method for a particular research question The volume contributors are experts from linguistics communication studies rhetoric literary analysis document design sociolinguistics education ethnography and cultural psychology and each utilizes a specific mode of text analysis With its broad range of methodological examples *What Writing Does and How It Does It* is a unique and invaluable resource for advanced undergraduate and graduate students and for researchers in education composition ESL and applied linguistics communication L1 and L2 learning print media and electronic media It will also be useful in all social sciences and humanities that place importance on texts and textual practices such as English writing and rhetoric
