Raider The Halifax And Its Flyers

A. G. S. Enser

Raider The Halifax And Its Flyers:

Raider Geoffrey Patrick Jones, 1978 Beskriver det fra 2 verdenskrig kendte RAF bombefly Handley Page Halifax og dets indsats navnlig i bombeoffensiven Bomber Command: Reflections of War, Volume 4 Martin W. Bowman, 2013-02-05 This is the fourth volume of a five part work that provides a comprehensive insight into all aspects of RAF Bomber Command in World War Two begins in the spring of 1944 with a completely new insight on the catastrophic raid on Nuremberg on the night of 30-31 March and follows with the disastrous attack on Mailly le Camp in May Gradually the Allied Bomber Offensive began to bear fruit and in June 1944 the invasion of Normandy took place under an umbrella of almost total Allied air superiority RAF Bomber Command was to play a huge part in what proved to be the final steps to ultimate victory returning to the mass raids on German cities by night and even mounting raids on the Reich by day The authors well tried formula of using background information interspersed with the crews personal narrative takes you raid by raid through each tour of ops while carrying full bomb loads in sub zero temperatures blighted by atrocious weather conditions and dogged by fear of fire death or serious injury or having to endure months if not years of miserable existence and near starvation behind the wire in notorious PoW camps The path to peace was paved with the unmitigated slow ebbing of courage with an ever present possibility of death unannounced from a prowling night fighter nondescript and unseen as night after incessant night shattered and ailing bombers could run out of luck to crash in some foreign field while other crews almost home almost empty ran out of fuel and died horrible tortuous deaths in twisted and tangled wreckage Not for them the glory that was accorded The Few but as Winston Churchill said Fighters are our salvation but the bombers alone provide the means of victory **A Bibliography of British History, 1914-1989** Keith Robbins, American Historical Association, Royal Historical Society (Great Britain), 1996 Containing over 25 000 entries this unique volume will be absolutely indispensable for all those with an interest in Britain in the twentieth century Accessibly arranged by theme with helpful introductions to each chapter a huge range of topics is covered There is a comprehensive index Flying against Fate S. P. MacKenzie, 2017-08-04 During World War II Allied casualty rates in the air were high Of the roughly 125 000 who served as aircrew with Bomber Command 59 423 were killed or missing and presumed killed a fatality rate of 45.5% With odds like that it would be no surprise if there were as few atheists in cockpits as there were in foxholes and indeed many airmen faced their dangerous missions with beliefs and rituals ranging from the traditional to the outlandish Military historian S P MacKenzie considers this phenomenon in *Flying against Fate* a pioneering study of the important role that superstition played in combat flier morale among the Allies in World War II Mining a wealth of documents as well as a trove of published and unpublished memoirs and diaries MacKenzie examines the myriad forms combat fliers superstitions assumed from jinxes to premonitions Most commonly airmen carried amulets or talismans lucky boots or a stuffed toy a coin whose year numbers added up to thirteen counterintuitively a boomerang Some performed rituals or avoided other acts e.g. having a photo taken before a flight

Whatever seemed to work was worth sticking with and a heightened risk often meant an upsurge in superstitious thought and behavior MacKenzie delves into behavior analysis studies to help explain the psychology behind much of the behavior he documents not slighting the large cohort of crew members and commanders who demurred He also looks into the ways in which superstitious behavior was tolerated or even encouraged by those in command who saw it as a means of buttressing morale The first in depth exploration of just how varied and deeply felt superstitious beliefs were to tens of thousands of combat fliers Flying against Fate expands our understanding of a major aspect of the psychology of war in the air and of World War II Aircraft ,1979 **National Union Catalog** ,1979 Includes entries for maps and atlases *RAF Bomber Command in Fact, Film and Fiction* Jonathan Falconer,1996 RAF Bomber Command in Fact Film and Fiction is a bibliographical and media guide to the exploits of the command between 1939 1945 setting on record much of what has been written filmed or sound recorded in the English language **A Subject Bibliography of the Second World War, and Aftermath** A. G. S. Enser,1990 Books published in various countries in the English language arranged alphabetically by subject Lists 25 entries under Holocaust pp 120 122 and 76 under Jews pp 141 146 *Failed to Return* Bill Norman,1995 Operations and losses of a British and a Canadian air group operating from Yorkshire *Flight International* ,1979 **A Subject Bibliography of the Second World War** A. G. S. Enser,1985 Bibliografi over 2 Verdenskrig The Cumulative Book Index ,1979 A world list of books in the English language **Air Pictorial** ,1983 *The Yorkshire Archaeological Journal* ,1987 A review of history antiquities and topography in the county Selection of Recent Books Published in Great Britain 1940-Apr. 1941 ,1978 **Subject Catalog, 1979** Library of Congress,1979 Subject Catalog Library of Congress,1979 **Aerospace** ,1979 *Kaapse bibliotekaris* ,1980 Issues for Nov 1957 include section Accessions Aanwinste Sept 1957 also published separately **The British Library General Catalogue of Printed Books 1976 to 1982** British Library,1983
