Government Ownership of Railways Association of American Railroads. Bureau of Railway Economics. Library,1929 History of Canadian Business R.T. Naylor,2006-06-14 R T Naylor traces the insidious interplay of big business and big government in Canada in the period between Confederation and World War I presenting corruption as the norm rather than an aberration He tells the often sordid story of the emergence and development of corporate capitalism in Canada during the country s formative years exposing an epidemic of white collar crime among the country s elite financial institutions and locating the origins of the modern corporate welfare state in tax concessions and subsidies A controversial study that went against the prevailing views of its time some lauded its publication as an intellectual breakthrough while others condemned it as a political rant The Canadian National Railways; a Study of the Nationalization of Railways in Canada Leslie Thomas Fournier,1927
