anxious about stepping out of the world of education The other way to read this collection is the traditional way from page to page left to right What you will find is a conversation between the poems On the left side will be a poem from the nineties and on the right side will be the 2012 13 response to it It can be a direct reply to the ideas in the nineties poem or it can be a whisper inspired by a just a word a phrase a rhythm or a single concept I hope eventually you choose all three adventures since I have had the privilege of living out all three I do promise that you will not meet an untimely demise at the hands of a ninja pirate or wizard if you choose a particular path which is what happened to me any time I read a choose your own adventure book
