Rainbows for God's Children in the Storm Henry Gerard Bosch,1984 Rainbows for God's Children in the Storm Henry G. Bosch,1989-03 **Rainbow Savior** Rev. William A. Monday,2014-08-20 Rainbow Savior is far more than a biblical work on homosexuality This work is a much needed refresher on the basics of Christianity basics applicable for all issues of sin and grace I highly recommend this book for any Christian Rev Dan Lindner St Johns NE Minneapolis Prevailing Over the Bulls of Bashan Part One Riaan Engelbrecht,2024-07-10 Several years ago the Lord spoke clearly in my spirit about the intense season the Church is about to face At the time I understood this will not be a short season but might very well run until He comes In this time we are trusting in the Lord for the end time revival but make no mistake times are going to be brutal for those who follow God As a confirmation of this reality God in 2024 spoke of the bulls of Bashan As I sought the Lord on this truth I became acutely aware of the incredible dangers that await those who wish to stand with God In Psalm 22 12 David in his distress laments Many bulls surround me strong bulls of Bashan encircle me The picture of being surrounded by angry bulls intent on goring and trampling their victim is fearful indeed Trouble was near and there was no one to help him Psalm 22 11 Despite these fearsome circumstances David knew that God was not far off God could deliver David s soul from these threats God is raising an end time remnant for a time such as this They obey God and not man They fear not the devil They listen to God follow His truth and seek His will They dismiss the devil s lies and choose to stand with the Light as darkness continues to intensify upon the earth Yes they shall overcome the bulls of Bashan demonic and worldly threats and dangers This end time remnant is facing extreme attack and I believe more than ever since the resurrection of Jesus Ultimately if we as children of God want to survive the bulls of Bashan the spiritual and the physical giants we need to abide in the Lord We need to remain connected to the Vine John 15 We need to become true disciples grow up in the Spirit and grow in God s wisdom truth and knowledge If we are not grounded in the Lord we will be swept away by the storms and be gorged by the bulls After all these bulls are waiting for an opportunity to strike It is critical to remain connected to God for then we are connected to life hope vision joy and life **The Hope of the Gospel** John Daniel Jones,1911 **God's Rainbow Book** Www Xulonpress Com,2005-10 Revelation Joel R. Beeke,2016-10-21 Are you confused by the great variety of interpretations of the book of Revelation such as the preterist the historicist the futurist the idealist and an eclectic approach that embraces the strengths of all these Would you like a clear understanding of various millennial approaches related to the last times In this book of sermons on Revelation Joel Beeke gives you all this and much more as he preaches through Revelation in a thoroughly biblical doctrinal experiential and practical way intended to comfort and mature believers to warn the unsaved to flee to Christ for salvation and to exalt Christ as the King of kings and only Head of His church Beyond the Rainbow Promise Robert M. Ottman,2016-10-04 The storms of life they are yours and they are mine These storms can seemingly take on a life all of their own controlling the minute to minute that then become our lives They bring about

outcomes we don't want leaving chaos and pain in their wake What happens to the human spirit when catastrophe strikes unannounced This is a story about a mournful soul who loses his footing as he journeys against formidable foes The kind of foes that threaten life as we know it It is the story of a giving God who loves us in spite of ourselves It is a story that defines who we become This is my story It is a real life story about the storms of life the catastrophic kind the kind that threatens life the kind that creates unprecedented chaos It is the story about a young woman and her battle against a formidable foe an enemy so strong that it wreaks havoc on the human form It is the story about a move to a new land amidst the chaos that ensues and a young child who develops suspicious symptoms foretelling a future no one asked for or wanted This is not another self help book from a leading and studied expert I am not that guy I did want to write a meaningful story one that I lived and partner it up with soulful and heartfelt thoughts and insights that will resonate with you and help you find your own way forward through some kind of adversity should it land on your doorstep unannounced After all we are all in this game of life together Beyond The Rainbow Promise is a heartfelt journey through the darkest of days where lives hung in the balance and life as I knew it was at risk Multiple attacks on my spirit beat me so low I think I'll never get back up and face another painful day So what happens to my heart my spirit as I journeyed through the darkest of days And where was God when I needed Him most

Rainbow of Mysteries Norman C. Habel, 2012 Have you ever wondered how you can connect with the sacred in nature or whether there is anything sacred in nature Has the Christian tradition obscured the sacredness of nature Is the Bible alive to the wonder of creation How can we sustain a sense of mystery and an appreciation of the sacred in nature In the biblical Flood narrative the rainbow was the sign of God's covenant promise to never again to destroy the Earth with flood waters The rainbow served to remind God of God's own bond with Earth My rainbow says Habel represents my covenant promise to explore my bonds with Earth my spiritual connections with creation Each colour represents an often overlooked aspect of creation and inspires the reader to consider our place in nature Using poetry and prose Norman Habel journeys deep into his personal experiences of the sacred in nature from his initial sense of alienation from Earth to his eventual homecoming Along the way he investigates seven wonders of nature and their spiritual dimensions or mysteries He explores biblical texts that praise or suppress creation and examines each mystery through the lens of ecology and his own experiences Ultimately his goal is to discern how to sustain each mystery and its spiritual dimension The book includes a suggested workshop outline and seven rites to explore mystery in nature

When two year old Daniel lay motionless on the floor staring at the ceiling his mother had no idea that he was exemplifying

the first symptoms of what would be diagnosed as autism two years later The emergency room visit on that June 2002 afternoon resulted in a forty eight hour hospital stay where Daniel was afterwards discharged with a simple rough horseplay diagnosis However within the weeks that followed he lost his speech hearing and cognitive skills eventually slipping into a world of his own Daniel was born a very healthy bouncing bundle of joy He was an even more active toddler However in one moment of time his laughter ceased the pitterpatter of his little feet racing through the house ended and his voice that was once heard in family conversations was replaced by ear piercing screams and whines as he tried to communicate his needs Convinced that Daniel was misdiagnosed his mother prayed and began to seek help Without knowing the giant she was facing she relentlessly looked for answers and found them On May 19 2004 Daniel was diagnosed with autism But that was not the end of the story Instead it was just the beginning Rainbow Over My House is the amazing story of Daniel s journey from pain and agony to triumphant victory over autism As you read this wonderful story you will laugh cry tears of joy and even cheer as it shares details of Daniel s victory such as him winning a potato sack race at a picnic Expect your faith to be ignited as you find the hope and courage to once again believe in miracles **Somewhere Under the Rainbow** Christopher J.
