Waltman,2008 Describes and analyses the operation of current minimum wage policies and politics in the United Kingdom and the USA Traces the origins history and development of minimum wages in the two countries Argues that what most influences the minimum wage in both countries is the degree to which it is integrated in the political vision of how the state should assist the poor Setting a record ,1987 **Unequal Cities** Richard McGahey,2023-01-10 Cities are central to prosperity they are hubs of innovation and growth However the economic vitality of wealthy cities is marred by persistent and pervasive inequality and deeply entrenched anti urban policies and politics limit the options to address it Structural racism suburban subsidies regional government fragmentation the hostility of state legislatures and federal policy all contribute to an unequal status quo that underfunds cities while preventing them from pursuing fairer outcomes Economist Richard McGahey explores how cities can foster equitable economic growth despite the obstacles in their way Drawing on economic and historical analysis as well as his extensive experience in government and philanthropy he examines the failures of public policy and conventional economic wisdom that have led to the neglect of American cities and highlights opportunities for reform *Unequal Cities* features detailed case studies of New York Detroit and Los Angeles tracing how their attempts to achieve greater equity foundered because of the fiscal and political constraints imposed on them McGahey identifies key lessons about the political coalitions that can overcome anti urban biases arguing that alliances among unions

environmentalists and communities of color can help cities thrive But he warns that cities cannot solve inequality on their own political action at state and federal levels is necessary to achieve systemic change Shedding light on the forces that produced today s dysfunction and disparities Unequal Cities provides timely policy prescriptions to promote both growth and equity **Public Hearing Before Senate Labor Committee** New Jersey.
