Thomas,2021-12-23 Nikisha Redd Redding is from the hard cold streets of the ATL She gets sucked into a whirlwind of life threatening drama as she navigates from juvenile to the strip clubs until she gets unknowingly caught up in the senseless murder of one of Atlanta s notorious rap music and porn kingpin s daughter Ross Xavier swears to take vengeance on all responsible for his daughter s death While her life hangs in limbo she becomes her captive s obsession in Redd s Passion Unleashed She eventually flips the script and rises to the top of the game to become one of the most powerful and richest black women to come out of the dark ghetto of Atlanta after she endures an intense gun battle She is ultimately saved by the one person who holds her life in the palm of his hands and who must make an decision whether to end Redd s life or risk everything to let her live Coming soon Kiss Da Devil or Die by S R Thomas **The Bloody Revenge of David Redd** Justin Bullock,2019-10-06 David Redd a gunslinger hell bent on revenge searches the west for four men who wronged him He knows not the names of the men he hunts but he knows their faces and he knows their sins His path of vengeance carries him to the impoverished Town of El Quay presided over by a greedy and corrupt mayor The mayor has enslaved the innocent townsfolk of El Quay and forces them to back breaking work deep within a gold mine known as The Hole But Redd has brought hell to that little town for the mayor is one of the four he has marked for death From the author of My Love Lextacy comes an old west tale of gunslingers outlaws and bloody revenge A New English Dictionary on Historical Principles J. Murray,1910 **A New English Dictionary on Historical Principles** James Augustus Henry Murray, Henry Bradley, Sir William Alexander Craigie, Charles Talbot Onions,1910 The Utah Redds and Their Progenitors Lura Redd,1973 History and genealogy of the Redd Butler and allied families **An Affirming Flame** Roger Cohen,2023-02-21 For more than forty years Roger Cohen has ventured to every corner of the earth to chronicle the great upheavals of our age but he s never lost sight of what really matters love hope and all the mysteries of the human heart Here in this collection of columns that will take you from the streets of Kyiv to an execution chamber in Alabama you can read him at his best Dexter Filkins best selling author of The Forever War A collection of the finest New York Times columns written by Roger Cohen over more than a decade accompanied by an original twenty thousand word essay on the state of the world The countless readers who followed Roger Cohen s column and mourned its end responded above all to what they saw as the marriage in his writing of head and heart That tenor permeates An Affirming Flame During his twelve years as a columnist Cohen aimed to hold power to account at home and abroad in the name of freedom decency pluralism and the importance of truth and dissent in open societies He watched with alarm as the outside threat of 9 11 morphed into the internal threat of January 6 This time the assailants were not jihadi terrorists they were American white supremacists and seditionists convinced of American decadence but unable to see that they personified it The threat to American democracy is clear Cohen dissects this ominous American fracture He explores themes of

displacement belonging and his own imperiled craft of journalism His examination of the rising tide of authoritarian rule takes him to China and in Kyiv he sees the devastating impact of Vladimir Putin s Russian nationalism With its trenchant consideration of the plight of refugees COVID 19 the Israeli Palestinian conflict and the war in Afghanistan Cohen s writing reflects his belief in the unquenchable human quest for dignity He captures the fight to defend America s openness democratic institutions and ideals against the rising tide of retrogression division and assault on truth This struggle as Cohen writes is also the world s It is inseparable from the battle to save humanity from the creeping autocracy of the twenty first century As he writes On lies is tyranny built
