De Arteaga, 2015-08-17 Agnes Sanford was arguably the most original and spiritually fruitful theologians of the twentieth century Among her achievements were the discovery and development of the inner healing ministry the development of a theology of the light of God missing in Western theology and the first ever theology of nature prayers as in stilling storms She and her husband developed a school to teach ministers and lay leaders healing and deliverance prayer and the gifts of the Spirit a decade before the charismatic renewal made such things acceptable in mainline churches In spite of these achievements she is largely ignored and unrecognized today This work examines her career and shows why her theology though deeply biblical was unacceptable to orthodox critics Sanford was part of a group who worked from the 1900s through the 1960s to make healing and deliverance prayer as normal in church They had to confront the erroneous established theology of cessationism which affirmed that the healing ministry of the church was past **Sound effects** Laura Jayne Wright, 2023-06-27 This book shows that the sounds of the early modern

stage do not only signify but are also significant Sounds are weighted with meaning offering a complex system of allusions Playwrights such as Jonson and Shakespeare developed increasingly experimental soundscapes from the storms of King Lear 1605 and Pericles 1607 to the explosive laboratory of The Alchemist 1610 Yet sound is dependent on the subjectivity of listeners this book is conscious of the complex relationship between sound as made and sound as heard Sound effects should not resound from scene to scene without examination any more than a pun can be reshaped in dialogue without acknowledgement of its shifting connotations This book listens to sound as a rhetorical device able to penetrate the ears and persuade the mind to influence and to affect

The Blood of Jesus Christ Nikolas Larum, 2005-06 Christianity is a bloody faith In an age that views blood as more of a biohazard than a life saver and considers sacrificial rites to be the primitive superstitions of a bygone era we need a renewed understanding of the fountain of our faith The message of Scripture is consistent without the shedding of blood there is no remission of sins What is so special about blood Men bleed angels don't why How could animal blood atone for man's sin What do Passover and the Day of Atonement mean for the Christian What sacrifices are required for a clean conscience How does the blood of Jesus unite the body of Christ In The Blood of Jesus Christ pastor and teacher Nikolas Larum lays open the redemptive vein of our faith With insights from hematology and the Old Testament sacrificial system he gives practical instruction on what the blood of Jesus Christ was and is and how we as New Testament priests are to apply it Follow the blood trail and learn how to be free from sin and remain pure as the called bride of Christ
