Julia Redesigned Kyle Hunter, Can a stack of letters provide clues to an age old conflict and a doorway to a new family For the last three years Julia De Luca has juggled her successful interior design business with caring for her elderly mother Following her mother s death Julia finds old letters from distant relatives in Italy They remind her of visits she and her mother made when Julia was a child Could these letters hold the answer to why their trips to Italy ended abruptly when she was ten years old These people whose names she s forgotten are the only family Julia has left on earth How can she reconnect with them after so many years Would it be crazy to try Her compelling desire to locate her distant family leads Julia on an impulsive trip to Florence Italy Along with savoring the sights and flavors of Florence Julia discovers that families can be messy that it s not too late to fall in love and that there s more to Julia De Luca than she ever knew **Coping with Life after Your Mate Dies** Donald C. Cushenbery,Rita Cushenbery,1997-08-01 Nothing devastates someone quite like the lose of a spouse This life giving book helps the bereaved be proactive in dealing with grief and rediscovering a life worth living **Designing Your Dream Husband** Amie Dockery,2004-10-07 God has given women a gift that is so woven into their nature that they approach everything from homes to husbands with the thought Wow I could do great things with that

To see potential is a great good but the downside is the propensity to compare reality with the expectation This is especially harmful in marriage if a woman tries to show her husband his potential in all the wrong ways such as comparison or suggestions for change So how does a wife encourage her husband to become what God has placed within him to be It requires an understanding of her own need for repentance and restoration as well as working with the right team and the right tools The right team is God as architect Jesus as supplier and the Holy Spirit as builder The right tools include prayer declaration and action that bring restoration and that also reveal her own need to change Each chapter explores a case study of a biblical character s life an action that gained him authority an area of vulnerability and the most memorable moment this person wore the mantle Each chapter also includes a pattern for prayer questions from which a woman can build the blueprint for repentance restoration and declaration Personal application includes Putting Your Words to Work a written vision declaration and a Seal it with a Gift with practical ways to gently yet generously introduce revelation of a husband s skills and abilities through a tangible gift
