Redhead And The Preacher:

The Redhead and the Preacher Sandra Chastain,2012-03-12 Sandra Chastain's bestselling western romances shine with her special blend of love and laughter Now the award winning author leads us once again into the heart's untamed territory as a mismatched couple rides a blazing trail to passion McKenzie Kathryn Calhoun doesn't mean to rob the bank in Promise Kansas But when she accidentally does she doesn't think she runs Suddenly the raggedy tomboy has the money to make a life for herself if she doesn't get caught But it's just her luck to find herself sitting across the stagecoach from a dangerously handsome gun toting preacher who seems to see through her bravado to the desperate woman beneath John Lee Brandon figures that the feisty redhead is running from something A hired gun he's masquerading as a reverend on his way to a mining town called Heaven and it will take a shrewder lady than Macky to pull the wool over his eyes But when the town welcomes them as Preacher Adams and his wife he's caught in a charade of respectable wedded bliss And the two of them are headed for a showdown between lies and love Includes an excerpt from another Loveswept title *The Preacher's First Murder* K.P. Gresham,2021-08-10 He was a good cop until he ran into a bad one Then to save what was left of his family and his sanity Michael Hogan Jr entered the Fed's Witness Protection Program and became Pastor Matthew Hayden Small town Wilks Texas should be the perfect place for him to hide But his new home is no paradise It may not even be safe When the remains of a local woman missing for years are discovered Matt wants only to comfort his grieving congregation Then a parishioner with the same build and coloring as Matt is shot right in the church Worried that his own cover has been blown Matt must find the killers before they find him He might be a man of God now but Matt is still a man And someone wants this man dead **Bad to the Bone** Debra Dixon,2012-04-09 Blockbuster legend Debra Dixon ignites high powered suspense as the romance between an agent with a dark past and a tough Texas cop gets too close for comfort Jessica Daniels doesn't do specialty work anymore Until a frantic call from her former handler's young daughter puts her back in the game The man who ran Jessica's covert missions is missing along with his black book But dealing with the crisis her own way proves impossible when detective Sullivan Kincaid makes it clear that she's got a partner and that he doesn't trust her But Sullivan wants her badly Jessica is a woman hiding secrets and a past as brutal and dirty as his Now she's made his job and his life way too complicated But as they take on a powerful man's list of enemies it's impossible to separate danger from desire Sullivan knows the bad guys are playing for keeps But so is he And he'll take any risk to keep the woman he loves alive Includes a special message from the editor as well as excerpts from these Loveswept titles *The Redhead and the Preacher* *Raven and the Cowboy* and *Ride with Me* **Wonderdog** Inman Majors,2004-11-03 With Wonderdog Inman Majors brings us the unlikely Dev Degraw son of the iconoclastic governor of the state and former child actor on the historically bad television drama Bayou Dog Dev inhabits Tuscaloosa home of the University of Alabama ferocious wiener dogs butter eating contests jackleg lawyers and one eyed stalkers It's in this funky Southern milieu that Dev moves among the denizens of Tuscaloosa's

local watering holes the political bigwigs of the state capital and the sundry elements of B movie Hollywood As the story unfolds Dev is trying his underachieving best to stay out of his father s heated bid for re election as well as a co star s incomprehensible plans to organize a Bayou Dog cast reunion Fortunately for the reader his efforts to remain uninvolved in the political fray and as far away as possible from his TV alter ego are foiled by one comic entanglement after another star crossed love affairs a halfhearted legal practice and an ex wife dating a male cheerleader As he tries to rectify past glories with more recent foibles we come to know the Dev who knowingly or unknowingly gets thrust upon a career path that will at last begin to define him The result is a tour de force of American revelry Written with verbal energy lyricism and a knife sharp eye for comedic detail Wonderdog is a hilarious Dr Frankenstein concoction of Henry the IV Kingsley Amis and John Kennedy Toole But Inman Majors has created a comedy all his own one that springs from a love of human speech and compassion for the minor geniuses in the dusty corners of life Here with Wonderdog Majors sets out to examine the comic vagaries of the human condition What he ends up with is a wholly original work of fiction breathing new life into the Southern comedy along the way

Rescuing Diana Linda Cajio, 2012-04-09 In Linda Cajio s smart and sexy romance a bold architect challenges a beautiful reclusive videogame designer to play for keeps It is Adam Roberts s face that Diana Windsor needs his gorgeous rugged perfect face But persuading Adam to let her immortalize it in her latest videogame demands a little payback a date But for a self styled computer nerd with zero experience in romance Diana is stunned by her attraction to Adam especially since he s the brother of her biggest competitor And when spies and sabotage intrude Diana wonders if Adam s silky touch and sweet words are after something more than her body Actually Adam wants nothing more than to seduce Diana but not for the reasons Diana has accused him of Her sweet nature her brilliance and her guileless approach to life make her very vulnerable in a predatory world He wants her now and forever And he ll put his best moves into showing her that in the game of love everybody wins Includes a special message from the editor as well as excerpts from these Loveswept titles **The Redhead and the Preacher** **Raven and the Cowboy** and **Ride with Me**

A Case for Romance Katie Rose, 2012-05-14 With a delightful wit and a delicious talent for the unexpected Katie Rose tells a sensuous tale of the wicked wild West and the proper Bostonian there to solve a murder only to become embroiled in romance This isn t the fate Emily Potter imagined for her long lost father gunned down in cold blood in the parlor of his bordello in bawdy booming Denver Now the lovely armchair sleuth from the civilized East is determined to unmask the killer employing the logic of her hero Sherlock Holmes Yet Holmes never faced distractions like the Reverend Thomas Hall who seems unusually interested in the abandoned house of sin and Emily s every move Emily suspects the preacher knows more about gunslingers than the Good Book and perhaps even something about her father s murder All she knows is it s hard to keep her mind on deduction when Thomas seems intent on seduction Meanwhile the bordello s matchmaking ghost insists on providing lessons in feminine wiles But as logic gives way to passion Emily forgets to protect both her vulnerable heart and her life Includes a special

message from the editor as well as excerpts from these Loveswept titles All Is Fair Bad to the Bone and Rescuing Diana
