Integrity.... When No One's Looking Marvin Soskil,2022-05-04 We all have freedom of choice Nobody is telling you what you must do It is your conscience that you have to live with As we look around us these days do you notice how the world has changed We went from better to worse worse to horrific and we re heading from horrific to dread We can have the power to control situations only if we raise the levels of our own consciousness and get back to basics Remember when we wore white shirts and black ties for assembly When your parents told you to do something you didn t ask why you just did it When No One is Looking is about bringing Integrity back into our lives and being more conscious of decisions we make and actions we take which can make this a better world The most influential tool we have in your entire arsenal is your integrity Zig Zigler Only a person with integrity has the ability to command a long time respect and admiration young or old rich or poor It doesn t matter what you have now you can live with integrity and elegance and you can take utmost pride in that That is because integrity is something you decide to have It is a principle you chose to live by Each of us will someday be judged
