Reflecting His Image:

In His Image Michael J. Wilkins, 2020-04-06 A Disciple will be like his teacher Luke 6 40 What does it mean to be a follower of Jesus The ultimate goal of discipleship is to be like the Teacher to be like Jesus Himself Every Christian wants to understand what that means But even if we understand it is it possible Michael Wilkins asserts that it s not only possible it s a life that all Christians are called to not just a select few So why do we so seldom experience it As Wilkins points out even the first followers of Jesus had a hard time grasping what it meant to be His disciples Like them our difficulty often lies in not clearly understanding who Jesus is not recognizing the resources available to us as God s children or not believing who we are to be as Christ s followers But like the early disciples our lives can radically change If we want to follow Jesus we can become like Him Jesus takes us exactly as He finds us writes Wilkins and transforms us into His likeness So come learn what it means to walk with Jesus and reflect His image to the real world Reflecting Christ Ellen G. White, 2009-08 During her 70 year ministry the author spoke through her pen to young people to church members and to the world in the The Youth s Instructor the Review and Herald and The Signs of the Times Selections for this book have been drawn from these three periodicals as well as from her books and previously unpublished manuscripts and letters Foreword **Reflecting His Image** K. P. Yohannan, 1998 God's Glory Alone---The Majestic Heart of Christian Faith and Life David VanDrunen, 2015-12-01 Renowned scholar David VanDrunen tracks the historical and biblical roots of the idea that all glory belongs exclusively to God God s Glory Alone is a beautiful reflection on how commitment to God s glory alone fortifies us to live godly lives in this present age Reinvigorating one of the five great declarations of the Reformation soli Deo gloria VanDrunen Examines the development of this theme in the Reformation in subsequent Reformed theology and confessions and in contemporary theologians who continue to be inspired by the conviction that all glory belongs to God Turns to the biblical story of God s glory beginning with the pillar of cloud and fire revealed to Israel continuing through the incarnation death and exaltation of the Lord Jesus Christ and culminating in Christ s Second Coming and the glorification of his people Addresses several of today s great cultural challenges and temptations that attempt to draw us away from a God centered instead of self centered way of life This book leads you into a renewed sense of awe and adoration for our Creator and Redeemer as it mines deeply into the biblical and theological truths about God s glory that stand at the center of the Christian faith THE FIVE SOLAS Historians and theologians have long recognized that at the heart of the sixteenth century Protestant Reformation were five declarations often referred to as the solas These five statements summarize much of what the Reformation was about and they distinguish Protestantism from other expressions of the Christian faith that they place ultimate and final authority in the Scriptures acknowledge the work of Christ alone as sufficient for redemption recognize that salvation is by grace alone through faith alone and seek to do all things for God s glory The Five Solas Series is more than a simple rehashing of these statements but instead expounds upon the biblical reasoning behind them leading to a more

themselves the denigration of homes and communities across our country many would agree that family foundations are cracking and shifting out of place This has resulted in untold devastation within the home and our other social systems therefore many households and lives have simply given way and collapsed under the weight of a host of societal pressures Many believe that a generation of social experimentation along with our cultures fixation at redefining virtually every foundational institution especially the first human institution marriage are responsible for placing the family and society on very shaky ground indeed leaving a very dubious moral and economic legacy for successive generations When cracks begin to appear upon the walls of a house it may indicate a shifting or damaged foundation which may indicate poor foundation work As a result builders typically reexamine the blueprints the master plan to determine the manner and materials with which the house and foundations built in order to pinpoint and repair a weak or damaged foundation It is the authors conviction that in many households within society weak or faulty spiritual and moral foundations have been laid resulting in the cultural cataclysm we witness throughout our land In his book *The House that God Built Gods Master Plan for Marriage and His Blueprint for Blessing Book One of his Strong Foundation for Strong Families* series the author discusses the need for a RE Vision of marriage and the family but not by redefining replacing or removing these honorable foundations and pillars which have supported societies from the beginning of time Rather by employing the word RE Vision he calls for a refocus a fresh new look at Gods original design for the marriage and family This plan is found in Gods Holy Word specially the first two chapters of the Book of Genesis because this he feels is where marriage family and social systems began Therefore the book is a thorough exposition of the first chapters of Genesis which explore the motivations and the methods through which God Himself built His house the heavens and the earth This study provides keen spiritual and practical insights as to how we can build our homes according to Gods plans so as to receive His best blessings upon our homes and upon our communities Right the Wrong Within Mary Sherman,2007-04 Citing examples from her own life Sherman

Transformation in Theosis Yohanes Bambang Mulyono, 2025-02-18 Transformation in Theosis invites readers on a spiritual odyssey exploring the ancient Christian concept of theosis the audacious idea that humans can participate in the divine nature In a world obsessed with material gain and fleeting achievements what if our truest calling is to become godlike The author weaves a tapestry of wisdom drawing from early church fathers to modern theologians venturing into social justice and environmental stewardship The journey begins with the restoration of the imago Dei and goes through biblical foundations Christ's transfiguration and diverse denominational perspectives But this isn't just a scholarly tome It's a radical call to action challenging readers to transcend religious boundaries and embrace a transformative path Theosis is not some lofty unreachable ideal but a tangible reality with far reaching implications for personal growth and societal change As it explores theosis in the context of our digital age readers are left with a provocative question In a world of artificial intelligence and virtual realities what does it mean to embody the divine Transformation in Theosis offers no easy answers instead extending an invitation to scholars seekers and believers alike to step into a journey of self discovery and inner transformation and ultimately to dare to embrace their own divine nature **Song of the Prophet** John Harke, 2016-08-11 In the Song of the Prophet we learn that affection doesn't happen in isolation it happens in relationship with others However the moments when our soul is deeply affected by the Lord's divine presence the song of all songs does just that to our spirits God graciously gave the wisest man that ever lived a revelation of love a love that's real and not just a passing lustful thought a love where growth and maturity are free to exist through both pain and promise free from rejection and shame The Songs of Solomon give us a map of what love can become through the eyes of God Each phrase and each verse is the language of what heaven feels about those who are called Language is such a beautiful gift from our Lord that expresses many multifaceted emotions These eight chapters are an invitation to sit at his feet like Mary The Song of the Prophet shows us that the ways of God make abandonment the only way to live Giving our Lord everything isn't weighed because of what we might lose Jesus gave us his all so we give all
