Service Sociology and Academic Engagement in Social Problems A. Javier Treviño, Karen M. McCormack, 2016-04-01 This book challenges sociologists and sociology students to think beyond the construction of social problems to tackle a central question What do sociologists do with the analytic tools and academic skills afforded by their discipline to respond to social problems Service Sociology posits that a central role of sociology is not simply to analyse and interpret social problems but to act in the world in an informed manner to ameliorate suffering and address the structural causes of these problems This volume provides a unique contribution to this approach to sociology exploring the intersection between its role as an academic discipline and its practice in the service of communities and people With both contemporary and historical analyses the book traces the legacy characteristics contours and goals of the sociology of service shedding light on its roots in early American sociology and its deep connections to activism before examining the social context that underlies the call for volunteerism community involvement and non profit organisations as well as the strategies that have promise in remedying contemporary social problems Presenting examples of concrete social problems from around the world including issues of democratic participation poverty and unemployment student involvement in microlending disaster mitigation the organization and leadership of social movements homelessness activism around HIV AIDS and service spring breaks Service Sociology and Academic Engagement in Social Problems explores the utility of public teaching participatory action research and service learning in the classroom as a contribution to the community

Black Linguistics Arnetha Ball, Sinfree Makoni, Geneva Smitherman, Arthur K. Spears, Foreword by Ngugi wa Thiong'o, 2005-08-19 Enslavement forced migration war and colonization have led to the global dispersal of Black communities and to the fragmentation of common

experiences The majority of Black language researchers explore the social and linguistic phenomena of individual Black communities without looking at Black experiences outside a given community This groundbreaking collection re orders the elitist and colonial elements of language studies by drawing together the multiple perspectives of Black language researchers In doing so the book recognises and formalises the existence of a Black Linguistic Perspective highlights the contributions of Black language researchers in the field Written exclusively by Black scholars on behalf of and in collaboration with local communities the book looks at the commonalities and differences among Black speech communities in Africa and the Diaspora Topics include the OJ Simpson trial language issues in Southern Africa and Francophone West Africa the language of Hip Hop the language of the Rastafaria in Jamaica With a foreword by Ngugi wa Thiong'o this is essential reading for anyone with an interest in the linguistic implications of colonization
