

Christmas Reflections

Popcorn captured on strings strung on the tree,
Mom, sis, and I around kitchen table, molding
memories out of salt dough ornaments.

Snowed in with guests,
ice skating on the road,
fluffy snowflakes falling on faces,
magic in the night sky.

Hill,2018-08-09 Peace and Power in Cold War Britain explores the ban the bomb and anti Vietnam War movements from the perspective of media history focusing in particular on the relationship between radicalism and the rise of television In doing so it addresses two questions both of which seem to recur with each major breakthrough in communications technology what do advances in communications media mean for democratic participation in politics and how do distinctive types of media condition the very nature of that participation itself In answering these the book views the ban the bomb and anti Vietnam War movements in relation to communication power and media discourse It highlights how these movements intersected with parts of public life that were being transformed by television themselves shaping struggles for social change among activists and public intellectuals on the streets in the Labour Party and in the law courts The significance of this relationship between media and movements was complex and wide ranging Christopher R Hill demonstrates that it contributed to the enrichment of democracy in Cold War Britain with radicals serving to innovate and pioneer creative forms of political expression from both in and outside of media organisations However the movements increasingly succumbed to news coverage and values that revolved around human interest and violence feeding into the revolutionary spectacle of 1968 and the turn towards identity politics **Whitaker's Books in Print** ,1998 **The Lake Forest College Bulletin** Lake Forest College,1929 **News-letter** ,1939

When an enthusiastic admirer asked Eddie Guest What is the best thing you have ever done he replied Madam I hope I haven't done it yet Probably this answer best illustrates Eddie's twinkling sense of humor his refreshing modesty and his all pervading optimism In these days of confused thinking and chaotic world conditions it is truly inspiring to read of a life which epitomizes the homely virtues and simple verities plus a jovial and robust love of living about which Eddie Guest has written for so many years And it is by no means accidental that his biographer ends this book with a sentence often on Eddie's lips It's been great fun all of it His editor and longtime friend Royce Howes has written the biography Guest deserves Royce Howes has done a biography of a likeable and human man in not too adulatory a fashion and it is readable The Los Angeles Times
