Reflections Of God's Work Jerri Broglin, 2017-03-29 The book is a collection of different lessons that people can go through such as going through losses There are many examples of the deep seated dysfunctional habits that we all hold close to our hearts and how we overcome adversity There are lots of joy in the different ways God comes through to us as He pries us away from these terrible habits These enlightening words may be familiar to you as you experience your different lessons in life but still allows you to be able to relate to others These lessons that are taught are through different avenues but we all come out with the same positive outcome We all go through many different lessons but are part of one body of Christ as we are learning similar traits to be closer to God This shows how it is a learning process always progressing into new territory as we each are learning at our own rate and have different tests that we are going through We learn to be close to others as we go through our unique lessons We become more positive in God's ways together God has put us through the lessons that bring out the best in each person This book has expressed what brought a magnitude of lessons to us that brings such success in the great change in our attitudes Otherwise without them we would never been taught about the greatest gifts ever that comes from God It shows the powerful lessons that we as individuals can learn from as we trudge along and go through our ups and downs that God so delicately planted into our lives God is the most magnificent being that created each individual to become mature through His ingenious purpose He has for us He allows us to meet others at just the right time and place that can bring us the greatest lessons in relating with others This will teach us the most as we are searching dearly for our soul's purpose I believe this a great eye opener for those searching for answers as we are finding the answers that are so deep in our hearts God has the true path through our lives that allow us the strong and wise choices that we need to make That keeps us from falling again once we learn the lessons deep in our heart It shows the great joy that we go through as we learn these great lessons

Reflections on the Character of God Ajowi Matete, 2011-08-30 God created within each of us something he delights in a precious beautiful reflective jewel that he values and adores an object for his desire In his children he sees the reflection of his own perfect character He loves us despite our perceived inadequacies He wants us to love him back to recognise him and to know him intimately so that we can distinguish his voice his leading his presence and his heart As we look to God we see a reflection of our selves we see our perfection in him Everything that God is we are in his image To know God we need personal revelations of his character Knowing God is the beginning to self discovery

Reflections of God's Work Paul McLean, 2010-08-23 This work by Paul McLean is a deep weekly devotional that is both introspective and interactive. It is a weekly study as opposed to a daily reading in order to involve the reader on a more contemplative journey into focused biblical issues. By use of a weekly instead of a daily study, this devotional allows an opportunity to go deeper with God by narrowing the reader's focus on particular biblical principles that impact his or her personal sphere. McLean vigorously maintains that Bible study, deep personal analysis, and prayer are critical anchors in weathering any of life's storms while at the same time producing Christian growth and maturity. They are also the pillars from which growth, life balance, and fulfillment are achieved. This book is interactive through the use of journaling, thoughts, impressions, and messages received through connecting with God's word, Bible, during the week. Essentially, the reader evaluates his or her life by answering in journalistic form pointed and personal life questions. McLean believes that prayer and contemplative study play critical roles in the process of hearing from God. This devotional can also be used as a study guide for group sharing and personal growth. Each chapter touches on insights and personal experiences McLean has encountered in his work as a probation officer and from his involvement in prison ministry. He discovered that by witnessing the transforming power of Jesus Christ in the lives of criminal offenders, he was changed and shaped by God for a higher purpose.

Reflections of God's Love Keith Furlong, 2012-06-22 As a Christian, I learned at an early age the importance of God in my life. Over the years, I have been mocked and scorned because of my faith, yet I have never doubted my faith in God and the Lord Jesus Christ. I worked for many years as a hill shepherd in the beautiful Lake District in Cumbria and fully appreciated the beauty of God's creation. The chapters of this book contain poems that reflect part of my life, and I hope and pray they help you in your daily walk with Jesus.

Feelings and Faith Louis W Accola, 2021-04-26 Book *Feelings* feelings feelings. We all have feelings. How are you handling your feelings? How do you understand your feelings? Do you embrace, suppress, or deny them? How do you feel about your feelings? Good, Bad, Confused. Author Louis Accola invites the reader of *Faith and Feelings* into a personal reflection and discernment journey. The book is an insightful, positive, affirming, empowering exploration and analysis of nine feelings: anxiety, doubt, anger, guilt, fatigue, fear, joy, peace, and wonder. The author does this exploration and analysis in the light of the meaning and the significance of each person being uniquely created in the image of God. We are created in God's image. We each express in our own personhood the presence, the nature, and the feelings that we see attributed to the God in the Scriptures. We encounter those same feelings that are in our birthright package in the actions and teachings in Jesus's life story as the Living Word of God in human flesh. Designed by God, our feelings are a gift in the makeup package of our natural essence as human beings. Feelings are to be recognized, affirmed, expressed, and shared in all our relationships, potentially for good, in our words and actions along life's journey. *Feelings and Faith: Reflections on God's Gift for Life's Journey* is deeply inspiring and informative. It provides practical insights and guidance for self-affirmation, for a positive perspective on feelings, and for embracing and expressing our feelings in daily

experiences and challenges along life's journey. This book's final chapter talks about the faith that counts for free and abundant living and in its challenges and special needs. The author clarifies faith as a gift in our birthright package to be recognized and affirmed as the spirit of life's presence, empowerment, guidance, and blessings along life's journey. From his years of pastoral and counseling ministry experience, the author understands deeply the pressures and changes impacting feelings and faith. In this time of rapid and constant changes, especially intensified by the COVID-19 pandemic and its resulting current economic crises, the author invites the reader to examine the impact of these changes on feelings and faith. Accola evokes new insights for the reader to embrace and affirm for feelings and faith. This book invites the reader to purposeful, positive, and healthy living based on insights from the lifestyle and teachings of Jesus of Nazareth. **Reflections on the works of God in nature and providence, for every day in the year. Tr. by A. Clarke. New ed., revised**

Christoph Christian Sturm, 1810 Moon in the Darkness Doug Tweed, 2015-07-30 Doug Tweed uses Moon in the Darkness, a poem inspired by his dramatic encounter with God as the launching pad for reflections on how the kingdom of God can be revealed through the life of a disciple, the church, family, prayer, revival, and intimacy with the Holy Spirit. Because each reflection includes multiple Scripture references, they can be used as tools for both personal spiritual growth and small group Bible study and discussion. Journey into God Mark G. Boyer, 2022-01-28 This is a book about spirituality, more specifically the spiritual journey. Before beginning any journey or trip, spiritual or otherwise, we experience a state of order. Then comes the call to journey, to travel, to take a trip, to walk, to pilgrimage, to hit the road, etc. The call to begin a journey may come from an urge within us; it may be an invitation from a spouse or a friend to fly somewhere; it may be as simple as taking the dog for a walk in the neighborhood, even taking different streets. The call disrupts our ordered lives. We prepare for our excursion. We enter into the stage of chaos when we take the journey; also, we enter into the process of transformation. By the time we get home, we will be transformed. These are the steps of the spiritual journey into God: order, hearing the call to journey, answering the call with preparation, entering the chaos of the journey, and being and coming home transformed. Ninety-seven reflections are presented in this book in seven chapters devoted to journey, road, path, route, highway, gateway, walk, way, and more.

Reflections Yosaris Rodriguez, 2023-02-09 Reflections: Conversations with God is a book geared towards my journey of getting to know Jesus Christ. I started sharing quotes that I deemed as God's words to me on social media, and a friend of mine asked me to think of a hashtag so that I would not lose those quotes. His exact words: "Trust me, you will use these one day." The book starts with a spoken word poem called Reflections. The poem reflects on my journey growing up; this sets the tone of the emotional journey we must sometimes face in life. Behind every inspiring quote, a life-changing experience occurs. You will notice I do not use chapters; I use dates and quotes. I did this purposely so that I can make this personal and connecting. I am a true believer that God speaks to us in many different ways if we are ready to listen. He will give you the answers you seek. In this book, I also included pictures that help explain the story I am telling. I pray this

book not only encourages you but expands your mind to believe in His everlasting love **Reflections on the Christian Life** Anthony M. Esolen, 2013 This brilliant reflection shows how we can take events in the life of Christ as the touchstone for all that happens to us on our journey from time to eternity Reflections on the Word Ken Gire, 1998 If you really want to hear what God is saying to you first you have to slow down That is what Reflections on the Word by acclaimed writer Ken Gire is designed to help you do To create pauses for reflection like park benches that allow you to stop and sit and reflect on your spiritual journey To check the map And your bearings And to make any adjustments in your course Each reflection begins with a Scripture reading It s followed by a meditation that offers insight into the passage written either by Ken Gire or other spiritual guides from around the world and across the centuries including Dietrich Bonhoeffer Catherine Marshall Oswald Chambers and Edith Schaeffer The closing prayer is intended only to start you praying in hopes that the Holy Spirit will bring other things to mind other vistas He would have you see other paths He would have you take other precipices He would have you avoid This is a companion book to two others in this new series by Ken Gire that emphasize the centuries old tradition of reflective living The Reflective Life a spiritual primer and Reflections on Your Life a journal 90 Days of God's Goodness Randy Alcorn, 2011 A collection of ninety daily meditations confront the issue of human suffering and offer the possibility of healing through trust in God Memories of God Roberta C. Bondi, 1995 Reminiscent of the writings of Augustine Teresa and Thomas Merton this volume is a book of honest pain and honest joy in the presence of God **Still Moments in the Presence of God**, 2017-10-17 Inspiring Promises from the Word of God Let the inspiring text and illustrations remind you of the steadfastness of God s promises for you in the uncertain unsettled world around you Take a few moments each day to meditate on the verses and thoughts to pray to the God who listens These encouraging Scriptures and prayers are a calming way to begin or end your day Ideal for year round gift giving birthdays Christmas Mother s Day and more This thoughtful collection will be treasured by all who are seeking assurance of God s love and care **God Lives in Glass** Dr. Robert J. Landy, 2013-04-04 Children from around the world show us God in ways that we may have forgotten When I looked out my window at the changing seasons I didn t really see anything at all My eyes were focused on my work and all the tasks I had to do each day Then one morning racing to get to work I caught a glimpse of the fiery red leaves of a Japanese maple tree in late autumn For a moment I stopped in my tracks It was a wake up call There is a world out there I thought and a world beyond that world And you I said to myself are missing both If this is what it means to be an adult you need to find a way to see the world more like a child from the introduction What does God do How do we let God in If you met God what would you say Here are the theological answers of young spiritual thinkers from around the world representing more than twenty different religious traditions In sharing how they see God they ll help you to see God in new ways In a poetic language of images all their own these children re awaken us to the mysteries and wonders of the universe and lead us to our own understanding of the spiritual
