Daily Reflections on Divine Mercy John Paul Thomas, 2016-03-17 Daily Reflections on Divine Mercy was written to provide an awakening to the abundant Mercy of God It offers daily reflections and prayers to help deepen the day to day faith life of every Catholic so that you can understand the abundance of Mercy poured forth from the Heart of our Savior as it is revealed in the writings of Saint Maria Faustina Kowalska Divine Mercy in My Soul Diary of Saint Maria Faustina Kowalska is soon to become a classic spiritual book that everyone is encouraged to read in their lifetime However many find this invitation intimidating not just because of the width of her book but because of the depth of its message on The Divine Mercy in each of Saint Faustina's notebook entries This book Daily Reflections on Divine Mercy was written with the hope of guiding you through Saint Faustina's Diary and her six notebooks of reflections It can be used on its own to help you pause and reflect on the beauty of Jesus messages to her or as

a companion book as you simultaneously read Saint Faustina's Diary Daily Reflections on Divine Mercy offers 365 daily teachings reflections and prayers based upon the pages of Saint Faustina's Diary The structured way to use this daily reflection book is to do just that reflect upon one page each day However some may feel called to skip around a bit read a few reflections at a time or return to a particular reflection through which God spoke to you Therefore though this book was written with the intent of providing one reflection for each day of the year the best way to use it is any way you feel called and the way that benefits your relationship with God the most The first paragraph for each day offers this author's insights to the words and teachings of Saint Faustina The section of her Diary used for the day's teaching is marked so that the reader can also read her Diary first hand so as to see the primary source that the author of this book took inspiration from for that day's reflection Though the primary text of the Diary is never quoted nor are the reflections of this book exact representations of the Diary they do provide the foundational basis for the spiritual message shared in each reflection The second paragraph for each day offers a short reflection put more as a question to the reader It offers the same insight in a different format so as to enter more deeply into the message of the day Finally each daily reflection ends with a prayer focused upon the message and reflection for that day The reader is encouraged to pray this prayer several times Ideally it is prayed first thing in the morning again during the day and again at night as an examination on how well the daily message was received As you seek to survive the world we live in allow these pages to be a font of Mercy for you from God Allow God's Divine Mercy to penetrate your heart so that you will know the abundance of His love and be more prepared to share that love with others

Spiritual Reflections for the Saint and Sinner Octavius Winslow, 2020-04-03 Shadows and Realities constitute the great contrast between earth and heaven time and eternity What shadows we are and what shadows we pursue was an exclamation once uttered upon the floor of the British Senate by Burke one of England's most eloquent statesmen not less true than solemn and sublime But the revelations of the Bible have come to displace these human these earthly shadows with divine and heavenly REALITIES The Bible is true eternity is real We have not followed cunningly devised fables in yielding our unquestioning belief to the great and precious truths of the Gospel Experience has proved them real has demonstrated them divine We have tried the world and it has wounded us the creature and it has disappointed us the teaching of men and it has bewildered our own hearts and they have proved deceitful above all things and desperately wicked We turn to the glorious Gospel of the blessed God and we find it through the anointing of the Holy Spirit light in darkness joy in sorrow counsel in perplexity strength in weakness and hope in despair It tells us of Jesus the loving One the mighty One the sympathizing One the faithful One the saving One and concentrating our whole soul in childlike faith upon Him we prove the Gospel divine God's Word true all it threatens and all it promises REAL The following pages will we trust in a humble way lead the reader into a closer acquaintance with a few of these Divine Realities With them many who take up

this volume may be already familiar Those who have welcomed them before as they have eagerly looked for a word of counsel and comfort at the opening of a new year may not regret to meet them again in another and more permanent form To those to whom they will be new this will explain the particular and appropriate bearing of each chapter upon this reflective and impressive period of time But believing that they contain instructive and saving sanctifying and consolatory truths suitable for the history of every day life and that they have already had the seal of the Divine blessing the author commends them with confidence in their enlarged form to the prayerful perusal of the Christian Church and to the continued favor of the Triune God

Jesus' Course in Miracles, 2000 The JCIM derives from the Hugh Lynn Cayce version of the Course which was completed by Helen Shucman and Bill Thetford in 1972 Later editing by others removed about 25% of the material contained in the first five chapters and made numerous editorial changes which affected both the tone and the content of the message Many students consider study of the unabridged JCIM version to be indispensable in their curriculum Text only This edition does not include the Workbook or the Teachers Manual There is a good explanation of the JCIM on our website at <http://jcim.net/sacredsource.html> 306 pages plus 102 page appendix comparing the JCIM with the popular commercial version of the Course
