Pictures of private life (first and second series) A voice from the vintage* Sarah Stickney Ellis, 1844 *Early Romanticism and Religious Dissent* Daniel E. White, 2007-01-25 Religious diversity and ferment characterize the period that gave rise to Romanticism in England It is generally known that many individuals who contributed to the new literatures of the late eighteenth century came from Dissenting backgrounds but we nonetheless often underestimate the full significance of nonconformist beliefs and practices during this period Daniel White provides a clear and useful introduction to Dissenting communities focusing on Anna Barbauld and her familial network of heterodox liberal Dissenters whose religious literary educational political and economic activities shaped the public culture of early Romanticism in England He goes on to analyze the roles of nonconformity within the lives and writings of William Godwin Mary Wollstonecraft Samuel Taylor Coleridge and Robert Southey offering a Dissenting genealogy of the Romantic movement *American Journal of Photography*, 1889 English Poems: The nineteenth century Walter Cochrane Bronson, 1907 English Poems Walter Cochrane Bronson, 1907 *Subject Guide to Books in Print*, 1991 *A Reflection of Life's Image* Edward Parrish Jr., 2010-06-10 We often hold a different view of ourselves than what we project to others But it is during times of inner reflection that we see the truth of our being for better or worse Instead of fearing the exposure of our true self we should embrace it and fully appreciate the depth and breadth of our character *A Reflection of Life's Image* explores the unique relationships we have not only with our inner spirit but also with the spirits of those around us Through vivid imagery and stunning verse Edward Parrish Jr brilliantly captures how we as humans hide our true selves yet secretly long to reveal our real personalities Parrish's poetry uses images of nature to convey human emotions thoughts and actions In his title poem *Reflections* Parrish compares a flower to a soft spoken word while *Learning* uses autumn to create a colorful composition

that exposes the moments of nature as it surrounds us In addition Parrish examines the seasons of life with those of nature crafting a lasting tribute to this intricate connection With a gift for translating emotion onto the page Parrish has created a deeply moving poetry collection filled with depth A Reflection of Lifes Image will fill your mind with peace and open your heart to the human condition **Poetical Works** Elizabeth Barrett Browning,1897 **A New English Dictionary on Historical Principles** James Augustus Henry Murray,1910 **Coleridge and Wordsworth** Paul Magnuson,2014-07-14 Paul Magnuson contends that the relationship between Coleridge s and Wordsworth s poetry is so complex that a new criticism is required to trace its intricacies This book demonstrates that their poems may be read as parts of a single evolving whole a dialogue in which the works of one are responses to and rewritings of those of the other Professor Magnuson discloses this dialogue as a joint canon or sequence which includes the complete early versions of poems as well as fragments canceled drafts and poems in progress He further shows that this sequence is based on lyric structure the relations among its poems and fragments resemble those among stanzas in an ode and individual poems take their significance from their surrounding contexts in the dialogue Coleridge s and Wordsworth s poetic conversation arose from their recognition that their themes and styles were similar There were as one of Coleridge s friends said fears of amalgamation and it was actually from their failed attempts to collaborate on individual works that their dialogue began The first chapter of the book elaborates a dialogic methodology and the following chapters discuss the dialogic relationship between Wordsworth s Salisbury Plain poems and The Ancient Mariner The Ruined Cottage and Coleridge s Christabel Coleridge s Conversation Poems and Wordsworth s Tintern Abbey Wordsworth s Goslar poetry of 1798 Home at Grasmere and Lyrical Ballads 1800 and the dejection dialogue of 1802 Originally published in 1988 The Princeton Legacy Library uses the latest print on demand technology to again make available previously out of print books from the distinguished backlist of Princeton University Press These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905 **Aspects of Eighteenth Century Nature Poetry** Cecil Victor Deane,1967 First published in 1967 Routledge is an imprint of Taylor Francis an informa company **Han Shan, Chan Buddhism and Gary Snyder's Ecopoetic Way** Joan Qionglin Tan,2009-05-07 Presents a comparative study of the ninth century Chinese poet and recluse Han Shan Cold Mountain and Gary Snyder an American poet and environmental activist This book explains how Chan Buddhism has the potential to be recognized as an important voice in contemporary ecopoetry **Blackwood's Edinburgh Magazine** ,1863 *Nature and Psychology* Anne R.
