Lessons in Living and Dying Diann Pass, 2015-09-24 In today's world we hear much talk about legacy There seems to be immeasurable concern about what others will remember about us when our lives are complete How can we be certain that we will be remembered in positive ways Should we leave money for a building to be named after us Is it necessary to be extremely wealthy or famous Maybe Our true bequest will be in the lives that we touch and change The simplest of actions a smile or personal interest in someone can be life changing for that person This book takes a look at such a life Not a perfect life A life lived increasingly to the glory of God And when it was over the legacy was one of joy and respect Now that is something to strive for

Reflections Saul Traiger,2024-06-18 An introduction to philosophy through thought experiments in the 1959 1964 television series The Twilight Zone *A collection of several stories, moral tales, and reflections taken from the best English authors* Collection,1788 *Reflections on Old Age* Cornelius F. Murphy,2015-04-07 The English writer E M Forster described old

age as a seductive combination of increased wisdom and decaying powers to which too little intelligence is devoted This book is a response to that criticism It explains how old age has been considered throughout the ages by philosophers poets and other literary figures and explores how the extraordinary increase of life expectancy that began in the last century has been sustained by science and medicine Unfortunately the general public still prefers to keep the elderly out of sight and especially out of mind To overcome this marginalization I call for the emergence of a more inclusive humanism one that is welcoming to persons of all ages To overcome the pervasive isolation of the elderly requires a new dialogue across all the living generations Echoing the sentiments of Cicero in his classic study of old age I also call for a reflective maturity to develop among the elderly one that reaches deeply into themselves and increases their understanding of the world around them Spiritual maturity demands growth in virtue and charity in the advance of years A reaching out to all in the pursuit of justice and the common good is strongly recommended The book concludes with some reflections upon hopes for personal immortality as well as the qualities of divine justice and mercy Reflections of a Setting Sun Michael Barbato,2009
