## **Reflections On Jesus And Socrates Word And Silence:**

*Reflections on Jesus and Socrates* Paul W. Gooch, 1996-01-01 Living more than four centuries apart in very different cultures Jesus and Socrates wrote nothing themselves but they inspired their followers to set down words that continue to shape Western consciousness In this deeply personal and provocative meditation Paul Gooch reflects on enduring themes that arise from the lives of these two pivotal figures death and witness silence as the limit of language prayer obedience and love Focusing on the Jesus of the Gospels and the Socrates of Plato's dialogues Gooch does not debate the historical realities of either figure but seeks to understand their fundamental commitments to philosophy and to God drawing parallels and contrasts that invite deeper reflection upon our own lives and experiences Throughout this book Gooch tells and retells the stories of Socrates and Jesus as he examines perennial human issues why would anyone willingly die To what do these two martyrlike deaths bear witness What are the limits of words in explanation and defense Why was Jesus silent during his trial Why did Socrates most powerful apologia fail What words if any work in prayer Do words work against the fear of death Out of this philosophical and religious questioning *Reflections on Jesus and Socrates* throws new light on these two compelling figures and on the continuing meanings of their stories for us today

**Early Christian Discourses on Jesus' Prayer at Gethsemane** Karl Olav Sandnes, 2015-12-22 From early on Christians passed down the account of Jesus's agony at the prospect of his own death and his prayer that the cup should pass from him Gethsemane Yet this is a troublesome aspect of Christian tradition Jesus was committed to his death but as it approached he prayed for his escape even as he submitted himself to God's will Ancient critics mocked Jesus and his followers for the events at Gethsemane The hero failed to meet the cultural standards for noble death and masculinity As such this story calls for further reflection and interpretation The present book unfolds discourses from the earliest centuries of Christianity to determine what strategies were developed to come to terms with Gethsemane

**Remembering The End** P. Travis Kroeker, 2018-03-08 Dostoevsky was one of those writers of the nineteenth century who came to be regarded by many readers in the following century as a prophet How does he remain prophetic for us now in the early twenty first century *Remembering the End* explores and assesses Dostoevsky's critique of modernity with particular focus on the Grand Inquisitor in *The Brothers Karamazov* where his prophetic vision finds its most intense expression The authors write to elucidate the spiritual realism of Dostoevsky's biblically charged literary art and to show how it can help us to remember who we are in this modern postmodern moment in which as individuals and members of communities we are required to make critical choices about the meaning of justice history truth and happiness The book will be of interest to readers in comparative literature ethics political theory philosophy religious studies and theology

*The Silent God and the Silenced* Min-Ah Cho, 2025 By exploring silence as more than just the mere absence of sound scholars have addressed silence as a means through which one genuinely listens to Dasein Heidegger as an antidote to a reactive volatile and opinion slinging culture Susan Sontag or as a communication alternative to the violent and

turbulent rhetoric of the dominant narrative Commonly recognized in these studies is the spiritual and mystical dimension of silence that transcends the rational and the comprehensible This book begins where these theories leave off arguing that ultimate silence arises from Christian mystical tradition and theology The book particularly engages with Michel de Certeau's exploration of the empty tomb metaphor Evagrius Ponticus's writings on hesychasm Søren Kierkegaard's reflections Jean-Luc Nancy's notion of divine place and Sarah Coakley's prayerful vulnerability The book also puts ultimate silence into conversation with writers and artists namely Mary Oliver Simone Weil Susan Sontag and the poet and performance artist Theresa Hak Kyung Cha The book establishes a theory that makes the spiritual tradition of silence available for its practice in our everyday life grounded in the inexhaustible mystery of the spiritual With a deeper theological understanding of contemplation that transcends the rational the practice of silence in everyday life facilitates engagement between listener and speaker that allows both parties to deepen the relationship Provided by publisher

**Jesus and Philosophy** Paul K. Moser, 2008-10-13 What if anything does Jesus of Nazareth have to do with philosophy This question motivates this collection of essays from leading theologians philosophers and biblical scholars Part I portrays Jesus in his first century intellectual and historical context attending to intellectual influences and contributions and contemporaneous similar patterns of thought Part II examines how Jesus influenced two of the most prominent medieval philosophers It considers the seeming conceptual shift from Hebraic categories of thought to distinctively Greco-Roman ones in later Christian philosophers Part III considers the significance of Jesus for some prominent contemporary philosophical topics including epistemology and the meaning of life The focus is not so much on how Christianity figures in such topics as on how Jesus makes distinctive contributions to them

*Paul and His Mortality* R. Gregory Jenks, 2015-11-16 While many books are written on Jesus's death a gap exists in writings about the theological significance of a believer's death particularly in imitation of Jesus's Paul as a first apostolic witness who talked frequently about his own death serves as a foundational model for how believers perceive their own death While many have commented about Paul's stance on topics such as forensic righteousness and substitutionary atonement less is written about Paul's personal experience and anticipation of his own death and the merit he assigned to it Paul and His Mortality Imitating Christ in the Face of Death explores how Paul faced his death in light of a ministry philosophy of imitation as he sought to imitate Christ in his life so he would imitate Christ as he faced his death In his writings Paul acknowledged his vulnerability to passive death as a mortal that at any moment he might die or come near death He gave us some of the most mournful and vitriolic words about how death is God's and our enemy But he also spoke openly about choosing death My aim is to know him to be like him in his death This study seeks to show that Paul embraced death as a follower and imitator of Christ because the benefits of a good death supersede attempts at self-preservation For him embracing death is gain because it is honorable because it reflects ultimate obedience to God and because it is the reasonable response for those who understand that only Jesus's death provides atonement Studying mortality is paradoxically

a study of life Peering at the prospect of life's end energizes life in the present This urgency focuses on living with mission in step with God the Creator and Sustainer of life who is rightly referred to as Life itself By focusing on mortality we focus on Paul's theology of life in its practical aspects in particular living life qualitatively aware of God's kingdom and mission and our limited quantity of days *Paul's Message of the Cross as Body Language* Wenhua Shi, 2008 Revised version of the author's doctoral thesis

**Socrates from Antiquity to the Enlightenment** Michael Trapp, 2017-03-02 Socrates son of Sophroniscus of Alopece is arguably the most richly and diversely commemorated and appropriated of all ancient thinkers Already in Antiquity vigorous controversy over his significance and value ensured a wide range of conflicting representations He then became available to the medieval renaissance and modern worlds in a provocative variety of roles as paradigmatic philosopher and representative for good or ill of ancient philosophical culture in general as practitioner of a distinctive philosophical method and a distinctive philosophical lifestyle as the ostensible originator of startling doctrines about politics and sex as martyr the victim of the most extreme of all miscarriages of justice as possessor of an extraordinary and extraordinarily significant physical appearance and as the archetype of the hen pecked intellectual To this day he continues to be the most readily recognized of ancient philosophers as much in popular as in academic culture This volume along with its companion *Socrates in the Nineteenth and Twentieth Centuries* aims to do full justice to the source material philosophical literary artistic political and to the range of interpretative issues it raises It opens with an Introduction surveying ancient accounts of Socrates and discussing the origins and current state of the Socratic question This is followed by three sections covering the Socrates of Antiquity with perspectives forward to later developments especially in drama and the visual arts Socrates from Late Antiquity to medieval times and Socrates in the Renaissance and Enlightenment Among topics singled out for special attention are medieval Arabic and Jewish interest in Socrates and his role in the European Enlightenment as an emblem of moral courage and as the clinching proof of the follies of democracy

**Jesus, Paul, and the Early Church** Eckhard J. Schnabel, 2018-07-24 This volume contains seventeen essays written by Eckhard J. Schnabel written over the past 25 years The essays focus on the realities of the work of Jesus Paul John and the early church exploring aspects of the history missionary expansion and theology of the early church including lexical ethical and ecclesiological questions Specific subjects discussed include Jesus' silence at his trial the introduction of foreign deities to Athens the understanding of Rom 12:1 Paul's ethics the meaning of baptism in the realities of persecution Christian identity and mission in Revelation and singing and instrumental music in the early church

**Paul and Religion** Paul W. Gooch, 2022-03-17 Explores the continuing and contemporary relevance of the most important and most controversial figure of early Christianity

**The Case against Christ** George G. R. Dekle Sr., 2011-07-12 Some two thousand years ago in a small province of the Roman Empire an obscure Roman governor ordered the execution of a peasant leader It went virtually unnoticed at the time No official report of the event has survived and we would have no memory at all of it except for the efforts of a handful of followers of the condemned man

Those followers who kept that memory alive changed the course of history and the results of their efforts continue to reverberate to this day. Conventional interpretation says that the execution of Jesus of Nazareth came on the heels of a series of illegal trials before a number of different tribunals and at the culmination of that series of trials a moral coward by the name of Pontius Pilate ordered Jesus' execution despite being satisfied that he was innocent. Revisionist interpretation says that there was no trial at all; that Pilate simply executed Jesus because he was a nuisance and that Jesus' followers invented the story of his execution as a means of shifting the blame from the Roman government to a group of people whom they despised: the Jews. Are the Gospels good history or bad propaganda? Does a fair reading of the Gospel accounts support either the conventional or the revisionist interpretation of the trial of Jesus? Who, if anyone, should shoulder the blame for the crucifixion of Jesus? The Case against Christ seeks to answer these questions by treating the matter as a forensic death investigation and answering the questions as they might be answered by a prosecutor attempting to determine who should be held criminally responsible for the death of Jesus.

*The Wisdom of the Christian Faith* Paul Moser, Michael McFall, 2012-11-12 Although typically separated, philosophy and New Testament theology are mutually beneficial for the understanding of the distinctive wisdom that guides Christian thought and life. *The Wisdom of the Christian Faith* fills a major gap in the literature on the philosophy of religion. It is the first book on the philosophy of religion to be authored entirely by philosophers while directly engaging themes of wisdom in the Christian tradition. The book consists of all new essays with contributions from John Cottingham, Paul Gooch, Gordon Graham, John Hare, Michael T. McFall, Paul K. Moser, Andrew Pinsent, Robert Roberts, Charles Taliaferro, William Wainwright, Jerry Walls, Sylvia Walsh, Paul Weithman, and Merold Westphal.

*The Bible, Theology, and Faith* R. W. L. Moberly, 2000-07-27 This book offers an account of God and humanity in relation to both Old and New Testaments.

**Gathered Around Jesus** Eric C. Stewart, 2010-05-27 This innovative study makes a major contribution to the long scholarly discussion of the problematic geography of Mark's Gospel. Using both modern spatial theory and an exhaustive review of ancient evidence, Stewart demonstrates how Mark's spatial perceptions reflect Greek, Roman, and Jewish understandings of human geography. He addresses Mark's editorial and compositional control over the geographic presentation of Jesus's ministry, ultimately arguing that in Mark Jesus offers a unique spatial practice.

**Truth on Trial** Andrew T. Lincoln, 2019-09-25 Religious truth has always been in dispute, but there are certain times and places in which the debate has been more intense. One such period was the first century CE when the rapid spread of Christianity with its claims about Jesus produced considerable ferment. The Gospel of John, written late in that century, presents that dispute with greater clarity than any other document of the time. John presents a Jesus who claims not only to tell the truth but also to be the truth. And yet, as the Roman magistrate asks Jesus in John's gospel, what is truth? Two millennia later, in the Western world, pluralism and postmodernism radically challenge traditional notions of truth. Is there any truth beyond the formal logic of merely analytical propositions? And if there is, do humans have any way of knowing it? Many who have a postmodern perspective deny

that either rationality or imagination can give us access to the truth Instead they adopt a throughgoing incredulity toward metanarratives Truth is again on trial      **Kierkegaard's Ethic of Love** C. Stephen Evans,2004-09-09 A compelling account of Kierkegaard s ethical views seeing him against the backdrop of nineteenth century European society but showing the relevance of his thought for the twenty first century Kierkegaard s view of morality as grounded in God s command to love our neighbours as ourselves has clear advantages over contemporary secular rivals      **Rights at Risk** David K. Shipler,2012-03-06 An enlightening intensely researched examination of violations of the constitutional principles that preserve individual rights and civil liberties from courtrooms to classrooms With telling anecdote and detail Pulitzer Prize winner David K Shipler explores the territory where the Constitution meets everyday America where legal compromises before and since 9 11 have undermined the criminal justice system s fairness enhanced the executive branch s power over citizens and immigrants and impaired some of the freewheeling debate and protest essential in a constitutional democracy Shipler demonstrates how the violations tamper with America s safety in unexpected ways While a free society takes risks to observe rights denying rights creates other risks A suspect s right to silence may deprive police of a confession but a forced confession is often false Honoring the right to a jury trial may be cumbersome but empowering prosecutors to coerce a guilty plea means evidence goes untested the charge unproved An investigation undisciplined by the Bill of Rights may jail the innocent and leave the guilty at large and dangerous Weakened constitutional rules allow the police to waste precious resources on useless intelligence gathering and frivolous arrests The criminal courts act less as impartial adjudicators than as conveyor belts from street to prison in a system that some disillusioned participants have nicknamed McJustice There is always a human cost Shipler shows us victims of torture and abuse not only suspected terrorists at the hands of the CIA but also murder suspects interrogated by the Chicago police We see a poverty stricken woman forced to share an attorney with her drug dealer boyfriend and sentenced to six years in prison when the conflict of interest turns her lawyer against her We meet high school students suspended for expressing unwelcome political opinions And we see a pregnant immigrant deported after years of living legally in the country for allegedly stealing a lottery ticket Often shocking yet ultimately idealistic Rights at Risk shows us the shadows of America where the civil liberties we rightly take for granted have been eroded and summons us to reclaim them      **Course Correction** Paul W. Gooch,2019-03-14 Course Correction engages in deliberation about what the twenty first century university needs to do in order to re find its focus as a protected place for unfettered commitment to knowledge not just as a space for creating employment or economic prosperity The university s business Paul W Gooch writes is to generate and critique knowledge claims and to transmit and certify the acquisition of knowledge In order to achieve this a university must have a reputation for integrity and trustworthiness and this in turn requires a diligent and respectful level of autonomy from state religion and other powerful influences It also requires embracing the challenges of academic freedom and the effective governance of an academic community Course Correction

raises three important questions about the twenty first century university In discussing the dominant attention to student experience the book asks Is it now all about students Secondly in questioning What knowledge should undergraduates gain it provides a critique of undergraduate experience advocating a Socratic approach to education as interrogative conversation Finally by asking What and where are well placed universities the book makes the case against placeless education offered in the digital world in favour of education that takes account of its place in time and space

**Shaping the Past to Define the Present** Gregory E. Sterling, 2023-03-28 Rethinking early Christian identity with the Gospel of Luke and the Acts of the Apostles Shaping the Past to Define the Present comprises both new and revised essays by esteemed New Testament scholar Gregory E Sterling on Jewish and early Christian historiography A sequel to his seminal work Historiography and Self Definition this volume expands on Sterling s reading of Luke Acts in the context of contemporary Jewish and Greek historiography These systematically arranged essays encompass his new and revised contributions to the field of biblical studies exploring the genre of apologetic historiography exemplified by Josephus and Eusebius the context of Josephus s work within a larger tradition of Eastern historiography the initial composition and circulation of Luke and Acts the relationship of Luke Acts to the Septuagint the interpretation of the diaspora in Luke Acts the structure of salvation history as it is manifested in Luke Acts Socratic influences on Luke s portrayal of Jesus s death the early Jerusalem Christian community as depicted in Acts compared with other Hellenized Eastern traditions such as Egyptian priests and Indian sages the establishment of Christianity s social respectability as a guiding purpose in Luke Acts Engaging with current critical frameworks Sterling offers readers a comprehensive analysis of early Christian self definition through Judeo Christian historiography

*The Facts on File Companion to Classical Drama* John E. Thorburn, 2005 Surveys important Greek and Roman authors plays characters genres historical figures and more

Right here, we have countless ebook **Reflections On Jesus And Socrates Word And Silence** and collections to check out. We additionally allow variant types and moreover type of the books to browse. ## Reflections On Jesus And Socrates Word And Silence Introduction

In the digital age, access to information has become easier than ever before. The ability to download Reflections On Jesus And Socrates Word And Silence has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Reflections On Jesus And Socrates Word And Silence has opened up a world of possibilities. Downloading Reflections On Jesus And Socrates Word And Silence provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Reflections On Jesus And Socrates Word And Silence has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Reflections On Jesus And Socrates Word And Silence. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Reflections On Jesus And Socrates Word And Silence. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Reflections On Jesus And Socrates Word And Silence, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download

Reflections On Jesus And Socrates Word And Silence has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

### FAQs About Reflections On Jesus And Socrates Word And Silence Books

1. Where can I buy Reflections On Jesus And Socrates Word And Silence books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
