

A woman with long brown hair is smiling and looking towards the camera. She is wearing a blue top. The background is a soft-focus field of tall grass or reeds. A bright, circular light flare is visible on the right side of the image, partially overlapping the woman's face and the background. The overall tone is warm and serene.

Reflections On The Christ:

Reflections on the Christ David Spangler, 2012-02 This classic book first published in 1978 shows some of the beginnings of the spiritual work of David Spangler while co director of the Findhorn Community and shortly thereafter It contains a new preface and one new chapter written in 2012 May it be a blessing to you Reflections of the Christ Mind Paul Ferrini, 2000

Reflections of the Christ Mind Paul Ferrini, 2000-07-25 For Paul Ferrini there was a time when the very thought of Jesus left him cold Instead of embodying the truth of Jesus teaching Christianity seemed to harbor the fearful thoughts and actions of people who were more committed to self interest than to unconditional love So when Ferrini felt Jesus voice inside him saying I want you to acknowledge me he resisted In time however he came to realize that it was not Jesus he was rejecting but the untruths that had become attached to Christian teaching Responding to the inner voice did not mean merely acknowledging Jesus as some great teacher who lived in the past but also meant that he was opening himself up to a living presence within his own awareness Once Ferrini reached this reconciliation powerful words of spiritual truth began to flow through him *Reflections of the Christ Mind* presents the most important teachings the author has received through his spiritual awakening Here at last is a gospel devoted solely to Jesus teachings of love healing and forgiveness The teacher readers meet in these pages is both compassionate and open minded he is the Jesus Christians know in their hearts

Repudiating religious hypocrisy intolerance and spiritual pride Ferrini rejects the dogmatic position of the Church offering instead words of hope and healing that form the new gospel for today **Knowing Jesus** Jim Reapsome, 2012-10-01 In this unique devotional readers will find more than just pious platitudes to start the day They ll ponder the question of what Jesus has to say to his followers living in a deeply troubled and hurting world They ll explore some of his most important teachings And they ll see how Jesus calls each of us to embrace his message and make it come alive in our lives Anyone looking for a renewed passion for Jesus s message and a deeper understanding of his life will find both here **Love Without**

Conditions Paul Ferrini, 2021-11-02 The incredible book from Jesus calling us to awaken to our own Christhood Rarely has any book conveyed the teachings of the master in such a simple but profound manner This book will help you to bring your understanding from the head to the heart so that you can model the teachings of love and forgiveness in your daily life

Reflections, meditations, and prayers (with Gospel harmony) on the ... life ... of ... Jesus Christ [signed R.B.].

Robert Brett, 1852 **Footsteps to Christ** Jewel Harper, MPA, MDiv, 2013-11-13 In learning to walk in the footsteps to Christ I originally thought this journey would be hopeless and unobtainable but the more I practiced my prayer meditation and silence I realize that it is obtainable You too can begin to come into a deep awareness of Christ How can you say that you love him and know who he is when you do not seek him When practicing a constant fellowship with Christ you are able to walk the steps to seek wanting to know more of who he is This book originated when I was on a silent retreat and started daily journaling of my experience walking in the footsteps to Christ I pass this book on to you as a tool to the body of Christ I

have never intended to keep my relationship with Christ to myself as private but it is intended to be shared and encourage your experience to become a corporate experience with others **Every Thing Is Sacred** Richard Rohr, Patrick Boland, 2021-02-16 In this companion to *The Universal Christ* Richard Rohr and Patrick Boland offer forty reflections and practices exploring what it means to live in Christ In his landmark book *The Universal Christ* Richard Rohr articulated a transformative view of what it means to recognize Jesus as Christ as a portrait of God's constant unfolding work in the world Now in partnership with Patrick Boland a psychotherapist and member of Rohr's Center for Action and Contemplation community he invites readers to engage with the themes of the book through spiritual practice Each reflection in this book draws on a key passage of *The Universal Christ* paired with prayers journal prompts and embodied exercises that invite readers into a more personal encounter with the truth that the presence and compassion of the Christ are in every thing Whether read daily for the season of Lent or explored over the course of a year *Every Thing Is Sacred* is a hope filled journey into the love at the heart of all things **Reflections** David A. Demarest, 2007-05-01 How could Jesus have preexisted his conception and birth What does the incarnation really mean How important is the virgin birth Would it have been possible for Jesus to sin Could Christianity get along without the cross Why should I believe in the bodily resurrection of Jesus What is Jesus doing for me now Dr Bruce Demarest answers these and many other questions relating to Jesus Christ the God Man He shows that the truths the Bible teaches about Jesus are much more than theoretical or theological concerns They are basic to the Christian faith basic to your own faith *The Man Christ Jesus* Bruce A. Ware, 2012-11-30 Liberal attacks on the doctrine of the divinity of Christ have led evangelicals to rightly affirm the centrality of Jesus's divine nature for his person and work At times however this defense of orthodoxy has led some to neglect Christ's full humanity To counteract this oversight theologian Bruce Ware takes readers back to the biblical text where we meet a profoundly human Jesus who struggled with many of the same difficulties and limitations we face today Like us he grew in faith and wisdom tested by every temptation common to man And like us he too received power for godliness through the Holy Spirit and thus serves not only as the divine Lord to be worshiped but also the supreme Human to be followed **The Way: 40 Days of Reflection** Adam Hamilton, 2013-01-01 In this companion volume that functions beautifully on its own or as part of the churchwide experience Adam Hamilton offers 40 days of daily devotions on the life and ministry of Jesus Christ enabling us to pause meditate and emerge changed forever The reflections ideal for use during Lent include Scripture reflection stories from Hamilton's own ministry and prayers **Reflections on the**
