Running with the Devil Robert Walser, 2013-04-01 A Choice Outstanding Academic Book A musicologist and cultural critic as well as a professional musician Robert Walser offers a comprehensive musical social and cultural analysis of heavy metal in *Running with the Devil* Dismissed by critics and academics condemned by parents and politicians fervently embraced by legions of fans heavy metal music attracts and embodies cultural conflicts that are central to our society Walser explores how and why heavy metal works both musically and socially and at the same time uses metal to investigate contemporary formations of identity community gender and power Ebook Edition Note Ebook edition note all photographs 16 have been redacted *Running with the Devil* Robert Walser, 1993 ***Running with the Devil*** Robert Walser, 1993 ***Running with the Devil*** Robert Anton Walser, 1991 *Christian Metal* Marcus Moberg, 2015-02-26 Christian metal has always defined itself in contrast to its non Christian secular counterpart yet it stands out from nearly all other forms of contemporary Christian music through its unreserved use of metal s main musical visual and aesthetic traits Christian metal is a rare example of a direct combination between evangelical Christianity and an aggressive and highly controversial form of popular music and its culture Christian Metal History Ideology Scene is the first full exploration of the phenomenon of Christian metal music its history main characteristics development diversification and key ideological traits from its formative years in the early 1980s to the present day Marcus Moberg situates it in a wider international evangelical cultural environment accounts for its diffusion on a transnational scale and explores what religious meanings and functions Christian metal holds for its own musicians and followers Engaging with wider debates on religion media and popular culture Christian Metal History Ideology and Scene is a much needed resource in the study of religion and popular music ***Rock Music in Performance*** D. Pattie, 2007-10-23 In this new study David Pattie examines the apparent contradiction between authenticity and theatricality in the live performance of rock music and looks at the way in which various performers have dealt with this paradox from rock music s early development in the 1960s up to the present day *Heavy Metal Generations* , 2020-04-14 This volume was first published by Inter Disciplinary Press in 2012 *Heavy Metal Generations* is the fourth volume in the series of papers drawn from the 2012 Music Metal and Politics international conference which attracted scholars from around the globe working within a diverse range of academic disciplines to converge in Prague Czech Republic for three days of panel presentations debate and conjecture about the past present and future of metal music studies The flavour of diversity synchronicity and inter disciplinarity that characterised the event can be gauged from the selection of chapters presented in this volume We hope this collection contributes to the rising tide of academic work that serves to broaden and deepen heavy metal music studies intellectual and aesthetic grounds critical agenda and political value by undermining old certainties and suggesting new horizons in the context of current social conditions politics and society *Early '70s Radio* Kim Simpson, 2011-07-21 *Early 70s Radio* focuses on the emergence of commercial music radio formats which refer to

distinct musical genres aimed toward specific audiences This formatting revolution took place in a period rife with heated politics identity anxiety large scale disappointments and seemingly insoluble social problems As industry professionals worked overtime to understand audiences and to generate formats they also laid the groundwork for market segmentation Audiences meanwhile approached these formats as safe havens wherein they could re imagine and redefine key issues of identity A fresh and accessible exercise in audience interpretation Early 70s Radio is organized according to the era s five prominent formats and analyzes each of these in relation to their targeted demographics including Top 40 soft rock album oriented rock soul and country The book closes by making a case for the significance of early 70s formatting in light of commercial radio today *Heavy Metal, Gender and Sexuality* Florian Heesch,Niall Scott,2016-07-07 **Heavy Metal Gender and Sexuality** brings together a collection of original interdisciplinary critical essays exploring the negotiated place of gender and sexuality in heavy metal music and its culture Scholars debate the current state of play concerning masculinities femininities queerness identity aesthetics and monstrosities in an area of music that is sometimes mistakenly treated as exclusively sustaining a masculinist hegemony The book combines a broad variety of perspectives on the main topic regarding gender in connection to the history of the genre the range of metal subgenres heavy metal s multidimensional scope music lyrics performance style illustrations men and women sexualities and various local and global perspectives **Heavy Metal Gender and Sexuality** is a text that opens up the world of heavy metal to reveal that it is a very diverse and ground breaking stage where gender play is at the centre of its theatricality and sustains its mass appeal **Gender and Rock** Mary Celeste Kearney,2017 **Gender Rock** introduces readers to how gender operates in multiple sites within rock culture including its music imagery technologies and business practices Additionally it explores how rock culture despite a history of regressive gender politics has provided a place for musicians and consumers to experiment with alternate ways of being **Studies in Symbolic Interaction** Norman K. Denzin,2010-10-11 This vibrant volume is a creative mix of contributions including seminal essays and interpretive works from researchers and writers in the area of popular music and major players in the bright future of symbolic interaction Genres discussed range from country jazz and the virtuoso to latino grindcore and extreme metal *Gender in Chinese Music* Rachel A. Harris,Rowan Pease,Shzr Ee Tan,2013 **Gender in Chinese Music** draws together contributions from ethnomusicologists anthropologists and literary scholars to explore how music is implicated in changing notions of masculinity femininity and genders in between in Chinese culture **The Ashgate Research Companion to Modern Warfare** John Buckley,George Kassimeris,2016-03-23 This research collection provides a comprehensive study of important strategic cultural ethical and philosophical aspects of modern warfare It offers a refreshing analysis of key issues in modern warfare not only in terms of the conduct of war and the wider complexities and ramifications of modern conflict but also concepts of war the crucial shifts in the structure of warfare and the morality and legality of the use of force in a post 9 11 age **The Routledge Handbook of Progressive Rock, Metal, and the**

Literary Imagination Chris Anderton, Lori Burns, 2025-02-26 This Handbook illustrates the many ways that progressive rock and metal music forge striking engagements with literary texts and themes The authors and their objects of analytic inquiry offer global and diverse perspectives on these genres and their literary connections from ancient times to the modern world from children s literature to epic poetry from mythology to science fiction and from esoteric fantasy to harsh political criticism The musical treatments of these literary materials span the continents from South and North America through Europe and Asia The collection presents critical perspectives on the enduring and complex relationships between words and music as these are expressed in progressive rock and metal The book is aimed primarily at an academic market valuable for second through final year students on undergraduate courses devoted to both popular music and to literary studies and to postgraduate programs and researchers in a range of fields including popular music studies musicology creative music performance and composition songwriting literary studies narrative studies folklore studies science fiction studies cultural studies liberal studies and sociology and for media and history courses that have an interest in the intersection of narratives music and society
