Scriptures In Dialogue:

Scriptures in Dialogue Michael Ipgrave, 2004 Records the meeting of a group of Christian and Muslim scholars in Qatar in 2003 to study passages from the Bible and the Qur'an together Combining scholarship at the highest level with commitment to the practice of faith in the modern world it addresses questions such as discernment of the Word of God and making space for the religious Other *Bearing the Word* Michael Ipgrave, 2005 In March 2004 Rowan Williams Archbishop of Canterbury convened a group of thirty Muslim and Christian scholars for three days of theological dialogue on the issue of prophecy *Bearing the Word* provides a record of this three day seminar and includes a record of the discussions that took place as well as the papers presented on the day Some of the key issues that were considered include how Muslims and Christians understand prophecy how their scriptures differ or agree in describing the prophets and what the places of Jesus and of Muhammad are in the two faiths and in their view of each other's faiths This book follows on from *The Road Ahead* and *Scriptures in Dialogue* which were records of seminars held in 2002 and 2003 respectively **Scripture and Ethics** Jeffrey S. Siker, 1997 Siker brings together the history of biblical interpretation and the study of uses of the Bible in Christian ethics to examine how the Bible has actually been used in Christian theological ethics and in the process profiling eight influential twentieth century theologians **Dialogues of the Word** Walter L. Reed, 1993 Following Bakhtin's theory of language as dialogue Reed shows how the Hebrew Bible and the Christian New Testament dramatize a set of verbal encounters between God and his people His analysis of dialogic patterns frames discussion of prophecy wisdom and gospel as models of divine communication **Scripture and Theology** Tomas Bokedal, Ludger Jansen, Michael Borowski, 2023-08-21 The academic disciplines of Biblical Studies and Systematic Theology were long closely linked to one another However in the modern period they became gradually separated which led to increasing subject specialization but also to a lamentable lacuna within the various branches of Divinity As the lack of dialogue between Biblical Studies and the various theological disciplines increased a minority group of scholars in the past few decades reacted and sought to re-establish the time honoured bonds between the disciplines The present volume is part of this intellectual response with contributions from scholars of various professional and denominational backgrounds Together the book's 25 chapters seek to reinvigorate the crucial cross disciplinary dialogue involving biblical narrative historical systematic theological and philosophic theological perspectives The book opens the horizon to contemporary research and fills a lamentable research gap with a number of fresh contributions from scholars in the respective sub disciplines **The Anglican Communion and Scripture** John Stott, 2011-08-01 For the Church the Bible is an authority that talks about morality but the western culture accepts neither authority nor morality The Church must challenge the modern world to enter the world of the Bible and must place the culture of modernism in the spotlight of the Bible *Summa Findings Report* Canterbury 1993 What does the Bible say about the authority of scripture What links the Holy Spirit and the Holy Bible How does scripture inform the witness of the

exploding Church in Tanzania and of a struggling congregation in a religiously plural inner city in the UK Can a Toronto church use the Bible to address the issue of homosexuality How does a bishop use scripture to reform the structure of his diocese in South Africa or to address national injustice in Kenya And is there a particular Anglican view of scripture to contribute to the ecumenical debate In June 1995 the Evangelical Fellowship in the Communion held its first international consultation in its thirty two year history to commend and strengthen biblical authority in the life of the church This book captures the findings of the consultation Bible studies on biblical authority and case studies on the use of scripture in mission The international team of contributors comprises of John Stott UK Vinay Samuel India Michael Nazir Ali Pakistan Mdimi Mhogolo Tanzania Margaret Rodgers Australia Peter Moore Canada Philip Le Feuvre South Africa and Alfredo Cooper Chile along with Graham Kings Cyril Okorocho Elaine Storkey Jesudasan Jeyaraj Chris Wright Ida Glaser and Paddy Benson
