50 Fantastic Ideas for Developing Emotional Resilience Jillian Harrison-Longworth, 2019-03-07 The 50 Fantastic Ideas series is packed full of fun original skills based activities for Early Years practitioners to use with children aged 0-5. Each activity features step by step guidance, a list of resources and a detailed explanation of the skills children will learn. Creative, simple and highly effective, this series is a must have for every Early Years setting. There has always been emphasis placed on personal, social and emotional education, particularly in the Early Years. Emotionally resilient children are well equipped to deal with the challenges they may face and this resilience reflects a range of skills, strengths and characteristics acquired and refined throughout one's life. Over the last ten years, Jillian Harrison-Longworth has planned and delivered a wide range of short but focused activities that can be used to develop aspects of emotional resilience across five key areas: confidence, self-image, self-esteem, perseverance and cooperation. This book contains refined activities for each of these crucial sections that most commonly arise in schools and settings. 50 Fantastic Ideas for Developing Emotional Resilience provides short but snappy practical activities as starting points for practitioners to develop emotional resilience in the children they work with.

Emily & Jack's Dress Up Basket and The Best Day Ever! Valerie Hamilton, 2013-08-23 Join Emily & Jack with their friends and family as they travel through the woods. Come with them and meet many characters as they joke, sing, make up rhymes and learn ventriloquism, but their adventure isn't always fun. Sometimes they're afraid, sometimes very afraid. Do you want to know what happens? Will you turn the pages of fun and fear? Come on in or you'll never know about one of the Best Days ever. *Hell Hath No Fury Like a Woman Scorned - True Stories of Women Who Kill* Wensley Clarkson, 2009-11-02

Investigative reporter Wensley Clarkson has spent years researching the most extreme and intriguing cases of women who commit murder and this gripping collection brings together 20 of his most thrilling true stories. These are the tales of women who challenge our idea of what many still mistakenly often think of as the weaker sex. Their characters and backgrounds are as diverse as they are deadly and their crimes are every bit as shocking as those of their male counterparts. From the case of the beautiful Diana Perry who suffered years of abuse at the hands of her husband before taking the matter into her own hands to Bobby a woman whose gruesome interest in blood led to one of the most horrific seduction killings ever seen.

Face Paint Parties Best Day Ever Valerie Hamilton, 2014-01-05 It's another Best Day Ever for Emily and Jack. In this second adventure the BFFs are back for more fun times and some that are scary with faces painted by Lorna the Glitter Fairy. The friends set off to go back to the wood but will they still have superpowers for being good? Would you be a Fairy Princess, Pony, Butterfly or Cat, Spiderman, Wolverteen or Vampire Bat? A twisted balloon sword from Sir Monty may save the day by defeating a giant or perhaps a dragon slay. Just imagine how you would like to look and try to find yourself inside this book. With rhymes and songs, jokes and names you'll recognise you may be in for a big surprise. **MEET THE GIANT MIGHTY MEE** McGREEGURR IS HE A FRIEND OR FOE? Come in and read this story or you will never know. **Troubled Waters** Donna J.
