Seanachie A Story Of The Irish:

Seanachie Lawrence Kelleher, 2001-09-17 This story is as told by the patriarch of the O Kelleher clan John O Kelleher to his two great grand children Sean and Little Bell He is the Seanachie the Story Teller His very long life bridged a part of two centuries He was born in Ireland in 1783 and he died in America in 1880 This is the story of an Irish family's struggle in Ireland to survive on a day to day basis while living under the oppressive boot heel of a tyrannical foreign government Their struggle was very much like living with a time bomb when you never knew just when it might explode Finally one day it happened the family was torn apart by a very violent event which changed its life forever This is a story of persecution murder love revenge retribution sorrow and the bitterness that had developed between two loving brothers It is an adventure story of ordinary people doing extraordinary things during the mid nineteenth century It also attempts to explain my theory of how many Irish surnames were possibly changed after these illiterate immigrants arrived in America I offer my readers two possible reasons for the changes

Contemporary Debates on the Short Story José R. Ibáñez Ibáñez, José Francisco Fernández, Carmen M. Bretones, 2007 For nearly a century of being underestimated as a literary genre the short story is currently experiencing a revival The editors of this collection of articles have brought together the contributions of nine outstanding scholars in the field of the short story to reveal some of the many directions in which the genre is expanding This book is a reasoned and well documented anthology which casts light on new aspects of the short story It participates in the current trend of short story criticism characterized by the gathering in one single volume of a diversity of approaches with the main aim of promoting discussion on this thriving area of literary studies The editors of this volume believe that a fruitful tension may rise by putting side by side insights into a not so well known tradition on the one hand and fresh considerations on unexpected developments of the short story on the other All in all the short story emerges as a dynamic and flexible form that reacts and adapts itself better than any other literary genre to the challenges of the sceptical times we live in

Irish Imperial Networks Barry Crosbie, 2011-11-17 This is an innovative study of the role of Ireland and the Irish in the British Empire which examines the intellectual cultural and political interconnections between nineteenth century British imperial Irish and Indian history Barry Crosbie argues that Ireland was a crucial sub imperial centre for the British Empire in South Asia that provided a significant amount of the manpower intellectual and financial capital that fuelled Britain's drive into Asia from the 1750s onwards He

shows the important role that Ireland played as a centre for recruitment for the armed forces the medical and civil services and the many missionary and scientific bodies established in South Asia during the colonial period In doing so the book also reveals the important part that the Empire played in shaping Ireland's domestic institutions family life and identity in equally significant ways

The Wind Is Rising Lawrence Kelleher, 2003-09 Life would never again be the same for the O Kelleher family after the conquering of Ireland by the English butcher Sir Oliver Cromwell circa 1649 and the brutal consequences of his occupation These British barbarians who after murdering several of the O Kelleher family sent the remaining O Kelleher brothers and sisters together with some 80 000 Irish intellectuals to the British West Indies as slaves Then Divine Providence or fate intervened as it sometimes does and after an enemy of the British sank the slave ship the O Kelleher's were on they managed to find refuge on a Dutch held island After serving five years in the Dutch navy as commandos an opportunity presented itself and the O Kelleher brothers returned to Ireland seeking their revenge on Oliver Cromwell's butchering army As he stepped onto the shores of Ireland Lawrence O Kelleher clan chieftain of the O Kelleher's shouted 'Tis not us but ye who should be cowering for we come like thieves in the night seeking our revenge The troubles were never ending They are like a sore whose scab continues to bleed after being picked at They would never heal and they never have
