Unlike some other reproductions of classic texts 1 We have not used OCR (Optical Character Recognition) as this leads to bad quality books with introduced typos 2 In books where there are images such as portraits, maps, sketches, etc. We have endeavoured to keep the quality of these images so they represent accurately the original artefact. Although occasionally there may be certain imperfections with these old texts, we feel they deserve to be made available for future generations to enjoy. **Seaport in Virginia** Gay M. *Drawings by Worth Bailey, Photos. by Walter Wilcox* Gay (Montague) Moore, 1949 **Historical Tours Alexandria, Virginia** Frederick Knops, 2017-04-15 Alexandria is one of America's most important Colonial towns. Sitting in the shadow of the nation's capital, it was the home of George Washington, the launching point of the French and Indian war, and the site of the Thomas Jefferson's inaugural ball. Alexandria is now the site of hundreds of architecturally and historically significant buildings, streets named after the heroes of America's founding, and is home to numerous boutiques and gourmet restaurants. *Historical Tours Alexandria, Virginia* takes the reader on an exploration of this storied American city from its beginnings, including the history behind its street names and founding families. Included are biographies, archival photos, maps, and timelines that add further texture to the history of this remarkable place. Robert E. Lee Allen C. Guelzo, 2022-08-09 A WALL STREET JOURNAL BEST BOOK OF THE YEAR From the award-winning historian and best-selling author of *Gettysburg* comes the definitive biography of Robert E. Lee. An intimate look at the Confederate general in all his complexity: his hypocrisy and courage, his inner turmoil and outward calm, his disloyalty and his honor. An important contribution to reconciling the myths with the facts. *New York Times Book Review* Robert E. Lee is one of the most confounding figures in

American history Lee betrayed his nation in order to defend his home state and uphold the slave system he claimed to oppose He was a traitor to the country he swore to serve as an Army officer and yet he was admired even by his enemies for his composure and leadership He considered slavery immoral but benefited from inherited slaves and fought to defend the institution And behind his genteel demeanor and perfectionism lurked the insecurities of a man haunted by the legacy of a father who stained the family name by declaring bankruptcy and who disappeared when Robert was just six years old In Robert E Lee the award winning historian Allen Guelzo has written the definitive biography of the general following him from his refined upbringing in Virginia high society to his long career in the U S Army his agonized decision to side with Virginia when it seceded from the Union and his leadership during the Civil War Above all Guelzo captures Robert E Lee in all his complexity his hypocrisy and courage his outward calm and inner turmoil his honor and his disloyalty
