Search And Clear Critical Responses To Selected Literature And Films Of The Vietnam War:

Search and Clear William J. Searle, 1988 *Search and Clear* demonstrates that the seeds of war were implicit in American culture distinguishes between literature spawned by Vietnam and that of other conflicts reviews the literary merits of works both well and little known and explores the assumptions behind and the persistence of stereotypes associated with the consequences of the Vietnam War It examines the role of women in fiction the importance of gender in Vietnam representation and the mythic patterns in Oliver Stone's *Platoon* Essayists sharply scrutinize American values conduct and conscience as they are revealed in the craft of Tim O'Brien Philip Caputo Michael Herr Stephen Wright David Rabe Bruce Weigl and others *M.I.A., Or, Mythmaking in America* Howard Bruce Franklin, 1993 This paperback edition of *M I A* or *Mythmaking in America* adds major new material about Ross Perot's role the 1991-1992 Senate investigation and illegal operations authorized by Ronald Reagan An important and compelling book Franklin raises and answers all of the hardest questions about an enduring piece of political mythology *The Philadelphia Inquirer* A calm and thoughtful book on a firestorm of a subject Intelligent provocative and courageous *Kirkus Reviews* **WLA**, 1998 **Re-writing America** Philip D. Beidler, 1991 With his first book *American Literature and the Experience of Vietnam* Philip Beidler offered a pioneering study of the novels plays poetry and literature of witness that sprang from the United States involvement in the Vietnam War Reviewing the book the journal *American Literature* declared It is more than just an introductory act It also sets forth what are sure to be lasting types of American literary response to Vietnam and of the scholarly response to the emerging literature of the war In *Re Writing America* Beidler charts the ongoing achievements of the men and women who first gained public notice as Vietnam authors and who are now recognized as major literary interpreters of our national life and culture at large These writers among them Tim O'Brien Philip Caputo Winston Groom David Rabe John Balaban Robert Stone Michael Herr Gloria Emerson and Frances Fitzgerald have applied in their later efforts says Beidler many of the hard won lessons of literary sense making learned in initial works attempting to come explicitly to terms with Vietnam Beidler argues that the Vietnam authors have done much to reenergize American creative writing and to lead it out of the poststructuralist impasse of texts as endless critiques of language representation and authority With their direct experience of a divisive and frustrating war a war not of their own making but of the making of politicians and experts a war of ancient animosities that cost nearly everything for those involved and settled virtually nothing these writers in many ways resemble the celebrated generation of poets and novelists who emerged from World War I Like their forebears of 1914-18 those of the Vietnam generation have undertaken a common project of cultural revision to re-write America to create an art that even as it continues to acknowledge the war's painful memory projects that memory into new dimensions of mythic consciousness for other and better times Beidler fills his book with detailed illuminating analyses of the writers' works which as he notes have moved across an almost infinite range of subject genre and mode From David Rabe for example have come innovative plays

in which overt statements on the traumas of Vietnam The Basic Training of Pavlo Hummel Streamers have made way for broader commentaries on sex power and violence in American life In the Boom Boom Room HurlyBurly Winstom Groom has moved from Better Times Than These a rather traditional even anachronistic war novel to further reaches of rambunctious humor in Forrest Gump And journalist Michael Herr whose Dispatches memorably defined a Vietnam landscape at once real and hallucinatory carried his vision into collaborations on the films Apocalypse Now and Full Metal Jacket As Beidler notes the immense price that Vietnam exacted from the American soul continues to draw a plethora of interpretations and depictions Vietnam authors remind us in Tim O'Brien's words of the things they carried But as Beidler makes clear they now command us not only to remember but to imagine new possibilities as well **Vietnam War Stories** Tobey C. Herzog, 2017-01-27 The Gulf War and its aftermath have testified once again to the significance placed on the meanings and images of Vietnam by US media and culture Almost two decades after the end of hostilities the Vietnam War remains a dominant moral political and military touchstone in American cultural consciousness Vietnam War Stories provides a comprehensive *The Vietnam Reader* Stewart O'Nan, 2011-03-23 The Vietnam Reader is a selection of the finest and best known art from the American war in Vietnam including fiction nonfiction poetry drama film still photos and popular song lyrics All the strongest work is here from mainstream bestsellers to radical poetry from Tim O'Brien to Marvin Gaye Also included are incisive reader's questions useful for educators and book clubs in a volume that makes an essential contribution to a wider understanding of the Vietnam War This authoritative and accessible volume is sure to become a classic reference as well as indispensable and provocative reading for anyone who wants to know more about the war that changed the face of late twentieth century America From the Trade Paperback edition **Friendly Fire** Katherine Kinney, 2000-11-02 Hundreds of memoirs novels plays and movies have been devoted to the American war in Vietnam In spite of the great variety of media political perspectives and the degrees of seriousness with which the war has been treated Katherine Kinney argues that the vast majority of these works share a single story that of Americans killing Americans in Vietnam Friendly Fire in this instance refers not merely to a tragic error of war it also refers to America's war with itself during the Vietnam years Starting from this point this book considers the concept of friendly fire from multiple vantage points and portrays the Vietnam age as a crucible where America's cohesive image of itself is shattered pitting soldiers against superiors doves against hawks feminism against patriarchy racial fear against racial tolerance Through the use of extensive evidence from the film and popular fiction of Vietnam e.g. Kovic's Born on the Fourth of July Didion's Democracy O'Brien's Going After Cacciato Rabe's Sticks and Bones and Streamers Kinney draws a powerful picture of a nation politically culturally and socially divided and a war that has been memorialized as a contested site of art media politics and ideology *Film Genre Reader IV* Barry Keith Grant, 2012-12-01 From reviews of the third edition Film Genre Reader III lives up to the high expectations set by its predecessors providing an accessible and relatively comprehensive look at genre studies The anthology's consideration of the

advantages and challenges of genre studies as well as its inclusion of various film genres and methodological approaches presents a pedagogically useful overview Scope Since 1986 Film Genre Reader has been the standard reference and classroom text for the study of genre in film with more than 25 000 copies sold Barry Keith Grant has again revised and updated the book to reflect the most recent developments in genre study This fourth edition adds new essays on genre definition and cycles action movies science fiction and heritage films along with a comprehensive and updated bibliography The volume includes more than thirty essays by some of film s most distinguished critics and scholars of popular cinema including Charles Ram rez Berg John G Cawelti Celestino Deleyto David Desser Thomas Elsaesser Steve Neale Thomas Schatz Paul Schrader Vivian Sobchack Janet Staiger Linda Williams and Robin Wood
